Klinck, Alfred G. Bailey, Claude Bissell, Roy Daniells, Northrop Frye, Desmond Pacey, 1976-12-15 Hailed as a landmark in Canadian literary scholarship when it was originally published in 1965 the Literary History of Canada is now being reissued revised and enlarged in three volumes This major effort of a large group of scholars working in the field of English language Canadian literature provides a comprehensive up to date reference work It has already proven itself invaluable as a source of information on authors genres and literary trends and influences It represents a positive attempt to give a history of Canada in terms of writings which deserve attention because of significant thought form and use of language Volume I comprises Parts I to III of the original edition and covers the years from the beginning of Canadian literature in English to about 1920 The contributors to this volume are David Galloway Victor G Hopwood Alfred G Bailey Fred Cogswell James and Ruth Talman Carl F Klinck Edith Gordon Roper Rupert Schieder S Ross Beharriell Brandon Conron Elizabeth Waterston Alec Lucas John A Irving A H Johnson A Vibert Douglas and Frank W Watt **Review of Historical Publications Relating to Canada** George McKinnon Wrong, Hugh Hornby Langton, William Stewart Wallace, 1902 The 1st volume 1896 includes important publications of 1895 Natives and Newcomers Bruce G. Trigger, 1986 According to conventional nineteenth century wisdom societies of European origin were naturally progressive native societies were static One consequence of this attitude was the almost universal separation of history and anthropology Today despite a growing interest in changes in Amerindian societies this dichotomy continues to distort the investigation of Canadian history and to assign native peoples only a marginal place in it Natives and Newcomers discredits that myth In a spirited and critical re examination of relations between the French and the Iroquoian speaking inhabitants of the St Lawrence lowlands from the incursions of Jacques Cartier through the explorations of Samuel de Champlain and the Jesuit missions into the early years of the royal regime Natives and Newcomers

argues that native people have played a significant role in shaping the development of Canada Trigger also shows that the largely ignored French traders and their employees established relations with native people that were indispensable for founding a viable European colony on the St Lawrence The brisk narrative of this period is complemented by a detailed survey of the stereotypes about native people that have influenced the development of Canadian history and anthropology and by candid discussions of how historical ethnographical and archaeological approaches can and cannot be combined to produce a more rounded and accurate understanding of the past

Women Seeking Shelter Jean Romano,2013-08-07 The three women highlighted in this story were chosen to represent a family whose records are all documented through husbands and fathers They are from very different cultural backgrounds French Scots and English yet they are the true core of the American woman of their times Diversity is greater now but it was always part of the countrys fabric The women had a geographic location near the sea This ensured a contact with both Europe and South America from the earliest times not only because of wars but in response to the world of ships ship building and trade In the 19th century few citizens of the new country were involved in news from abroad as were those from the ports of New England and the docks of New York Specific events from the life time of the three Sarahs are briefly described to show how modern times are clearly tied to the past Each successive Sarah was affected by what happened to those who preceded her on the family tree The Sarahs would also be astonished by the role of women in the 21st century It is a premise of this book that the past and present are clues to the future and common themes run through history despite superficial changes *Bulletin of the Brooklyn Public Library* ,1901
