**The Story of the Guard** Jessie Benton Frémont, 2019-01-23 Fremont, 2022-04-28 Reprint of the original first published in 1863

**The Story of the Guard** Jessie Benton Fremont, 2015-07-04 Excerpt from The Story of the Guard A Chronicle of the War That the honorable enterprises noble adventures and deeds of arms performed in the wars between England and France may be properly related and held in perpetual remembrance to the end that brave men taking example from them may be encouraged in their well doing I sit down to record a history deserving great praise but before I begin I request of the Saviour of the world who from nothing created all things that He will have the goodness to inspire me with sense and sound understanding to persevere in such manner that all those who shall read may derive pleasure and instruction from my work and that I may fall into their good graces It is said and with truth that all towns are built with many different stones and that all large rivers are formed from many springs so are sciences compiled by many learned persons and what one is ignorant of is known to another not but that everything is known sooner or later Sir John Froissart s Preface to his Chronicles of England France any imperfections that remain are intentionally left to preserve the state of such historical works
