Ostrom,2009-08-11 At home and overseas the United States Coast Guard served a variety of vital functions in World War II providing service that has been too little recognized in histories of the war Teaming up with other international forces the Coast Guard provided crewmembers for Navy and Army vessels as well as its own carried troops food and military supplies overseas and landed Marine and Army

US Coast Guard in World War II Alejandro de Quesada,2011-12-20 Alex de Quesada reveals the full history of the US Coast Guard throughout World War II in this Elite title In particular the book draws attention to the little known story of how the US Coast Guard ran a number of the landing craft throughout D Day in 1944 as well as providing crucial anti U boat patrols throughout the war years A number of Coast Guard servicemen were lost in these two campaigns and their undeniable contribution to the US war effort deserves greater recognition The Coast Guard also provided aviators and gunners to the Merchant Marine and manned Port Security Services These roles are all fully explained and illustrated with rare photographs and specially commissioned artwork

Not Your Father's Coast Guard Matthew Mitchell,2009-11-16 While the Coast Guards many battles at sea in the War on Drugs are widely known its participation in the ground offensive is not Indeed the Guard didnt just send its cutters to interdict narcotics laden vessels attempting to bring their illicit cargo into Uncle Sams territorial waters it sent ground troops to foreign lands to train their forces and when necessary directly engage the enemy But to create the type of force needed was no small task and would not be without tribulation both from within and outside the organization The road traveled to complete the mission was laden with obstacles This is not a story about the Coast Guard you know or think you know Rather this is a story about the other side the side that history nearly forgot not the standard but the antithesis of standard It is a story that will undoubtedly make even the most seasoned Coast Guardsmen question their understanding of the organization to which they belong To be sure This is not your fathers Coast Guard
