**The Storyteller's Companion to the Bible Volume 8: Daniel and Revelation** Michael E. Williams, Rick Lowery, Fred A. Shaw, 2010-10-01 The stories in Daniel and Revelation are among the most vivid in the Bible but they are also among the most misunderstood In The Storyteller's Companion to the Bible Volume 8 commentator Rick Lowery and storytellers Michael E Williams and Fred A Shaw show how the symbolism and imagery of these biblical stories offer comfort in times of distress and encouragement to hold fast in faith

*Love of Friendship in the Christian Life* Jonathan Sammut, 2019-12-27 Theological reflection on friendship as a particular form of Christian love emerges in Holy Scripture and continues to be elaborated in the Christian tradition However love of friendship was at times absorbed into the other traditional understanding of love love of God and of neighbor After a philosophical historical study of the Greco Roman roots of friendship in moral reflection and how and to what extent this was appropriated in the Christian tradition this book illustrates the transcendental character and the novelty of the Christian understanding of friendship found in Holy Scripture focusing particularly on the most relevant texts in the Fourth Gospel where love and friendship stand to be important themes It also shows how Saint Thomas Aquinas through his exegesis of the Fourth Gospel his synthesis of the Christian tradition and his ability to rearticulate Christian theology through Aristotelian philosophy inimitably defines the theological virtue of caritas as friendship with God In so doing he depicts friendship as the finality the telos of the Christian life Finally the book aims to show how the retrieval of a proper theology of friendship rooted in Holy Scripture and Christian tradition can enrich the life of an authentic Christian and contribute to the ongoing process of renewing moral theology

Slightly Bad Girls of the Bible Liz Curtis Higgs, 2018-07-24 Good Women Behaving Badly A spiteful boss a defiant employee a manipulative mother a desperate housewife an envious sister honey we know these women We've lived with them worked with them or caught a glimpse of them in our mirrors Now let's take a look at their ancient counterparts in Scripture Sarah mistreated her maidservant Hagar despised her mistress Rebekah manipulated her son Leah claimed her sister's husband and Rachel envied her fertile sister They were far from evil but hardly perfect Mostly good yet slightly bad In other words these matriarchal mamas look a lot like us A Slightly Bad Girl is simply this a woman unwilling to fully submit to God We love him serve him and worship him yet we find it difficult to trust him completely to accept his plan for our lives to rest in his sovereignty from Slightly Bad Girls of the Bible

The Bible and Homosexuality for Progressive Christians Donald Schmidt, 2022-09-20 Did you know that there are no passages in the Bible that talk about homosexuality as a sexual orientation and that there are arguably only six or seven passages in the entire Bible that even touch on homosexual behaviour Did you know that some of the passages from the Hebrew scriptures we have assumed were about homosexuality were actually meant to chastise the community for their lack of hospitality How ironic that these same passages have been used by the church to express

incredible inhospitality to the LGBTQ community This study looks at all these passages in depth but it also invites readers to look at the Bible as a whole and wonder about its overall message When we do that we see that compassion and inclusion are key for Jesus and for early disciples such as Philip as they should be for us      *Creation for Progressive Christians* Donald Schmidt,2020-06-23 Behind all the creation stories there is a basic assumption that God was involved the how of it was a secondary concern to the original writers The publication of this study guide is timely given the current conversations and warnings around the health of creation and climate change One can easily find online in magazines or on television images of animals that cannot find food dry areas that used to be lakes and rivers floods beyond belief and places such as Tuvalu where palm trees now grow underwater because the ocean level has risen Clearly climate change is real and impacting people around the globe The question therefore is not Does it exist or even Is this thing human caused or the natural cycle of things but rather What do we do to slow it down and enhance life for all species Although it is not a book about climate change but rather an exploration of five biblical creation stories this study can help progressive Christians engage these questions Understanding the biblical creation stories can help us see creation as a delicate balance and our role in it as stewards As people of faith it is incumbent on us to understand our relationship with every facet of the divine which is clearly present in the world and everything around us The question behind this book is this What did our ancient ancestors want us to understand about the creation of the universe the divine presence in that creation and how we might live our lives in response to that      **John** Willard M. Swartley,2013-03-14 The gospel of John s from above orientation transforms our human from below assumptions and habits It draws us into union with God and into unity with one another It communicates who Jesus is in both intimate and profound dimensions The book of John shapes Christian identity invigorates worship and implants eternal hope John s gospel defies description marvels Swartley professor emeritus at Anabaptist Mennonite Biblical Seminary It soars like the eagle links heaven and earth and both comforts and convicts the human heart Its Christology is rich with a plethora of titles for Jesus even the divine eternal I AM Though commentaries on the book of John abound this volume follows the unique Believers Church Bible Commentary Series format providing sections on The Text in Biblical Context and The Text in the Life of the Church According to Swartley this format serves well the interests of seminary as well as other graduate students and pastors especially Volume 26 in the Believers Church Bible Commentary series Free downloadable supplement available here      *Subject Guide to Books in Print* ,1997      [New Testament Women in the Bible for Progressive Christians - Volume 1](#) Donald Schmidt,2022-06-01 Although women often play a crucial role in the most significant events in the Bible they are typically cast as secondary characters who are less important than the male lead Or they are are presented as bit players who aren t even named Yet these are strong women and we do an injustice to the biblical narrative and a disservice to ourselves if we gloss over them This guide takes an intriguing look at some of the women in the New Testament a second volume is planned including Mary the mother of Jesus Anna and Elizabeth Mary and

Martha Thecla and Junia the female disciples including Mary Magdalene and women who are healed or set free from their burdens women who helped shape and were shaped by Jesus and the early Christian community Outside of Ephesus in modern day Turkey an intriguing discovery was made in 1906 It was of a cave and inside was found a painting of a man and a woman There were two especially significant things about the painting The first was the identity of the pair they were Paul and Thecla a woman of the ancient church and probable travelling companion of St Paul at least for part of his ministry The other significant fact was that Thecla's eyes had been scratched out and her hand raised in the traditional stance to suggest one speaking with authority had been smudged out It is a telling image on a number of fronts not least of which is the desire of some early vandal to attempt to remove the woman's ability to see or speak There has always been in Christianity a concerted effort on the part of men to silence women to obliterate them to remove their ability to speak or to act with any kind of authority Yet when we look at the New Testament we can also clearly see the presence of women with Jesus that they were integral to his everyday life and ministry If we look a little harder we will see that women played significant roles at the centre of the early Christian community including as preachers and teachers

**Children of the Waters of Meribah** Allan Boesak, 2019-10-30 In the decades since Black liberation theology burst onto the scene it has turned the world of church society and academia upside down It has changed lives and ways of thinking as well But now there is a question What lessons has Black theology not learned as times have changed In this expansion of the 2017 Yale Divinity School Beecher Lectures Allan Boesak explores this question If Black liberation theology had taken the issues discussed in these pages much more seriously struggled with them much more intensely thoroughly and honestly would it have been in a better position to help oppressed black people in Africa the United States and oppressed communities everywhere as they have faced the challenges of the last twenty five years In a critical self critical engagement with feminist and especially African feminist theologians in a trans disciplinary conversation Allan Boesak as Black liberation theologian from the Global South offers tentative but intriguing responses to the vital questions facing Black liberation theology today particularly those questions raised by the women

**A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and

then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

**Women in the Bible for Progressive Christians (Hebrew Scriptures)** Donald Schmidt,2021-06-15 Women make up over one half of the world s population yet throughout history women have been kept out of power they have been oppressed and disregarded and have often had their stories ignored This is a tragedy not only for women but for all humankind because we all have much to gain by hearing one another s stories and by experiencing one another in all of our rich fullness not from a preconceived notion that one group or sex is superior to another This is important to note at the beginning because history has largely been told by men In particular the stories we have preserved from ancient times tell things from a male perspective and often ignore women Thus we often need to read between the lines and behind the words to really hear the stories of the women who played such a significant role in the events described in the biblical stories and by extension in our tradition Of course there are real differences between women and men just as there are real differences between men and between women We are not all the same as individuals we are all different from each other Rather than a problem however we can see this as one of the greatest gifts God has given us the wonderful and amazing gift of difference The sessions in this study will invite you to explore the stories of some amazing biblical women to get to know them and to learn from them How might we live our lives in response to that

**New Testament Women in the Bible for Progressive Christians - Volume 2** Donald Schmidt,2023-03-09 If you ve ever suspected there s nothing new to be discovered in the field of biblical studies think again In New Testament Women for Progressive Christians Volume 2 Donald Schmidt uses the latest up to the minute ground shifting biblical research to explore the story of Jesus encounter with Mary and Martha in John 11 except maybe Martha wasn t part of the original story at all And so it goes Like most ancient texts the stories in the Bible including those from the New Testament are told from a male perspective often for purposes that have more to do with supporting traditional male roles than representing the radical inclusiveness Jesus and the earliest Christian communities modeled In this six session study in addition to Mary Magdalene Schmidt explores the stories of the women at the cross and tomb in the early church Acts and in the letters of Paul to reveal characters too often distorted by layers of tradition
