**Forthcoming Books** Rose Arny, 1996 **Life on Life** Peter S. Kettler, 2022-11-03 Life on Life is a different approach to mentoring As the subtitle The Practice of Spiritual Mentoring indicates it is both practical and spiritual at the same time It is practical because it gives guidelines as to how to mentor Peter even incorporates many important do s and don ts of mentoring It s the spiritual aspect of mentoring that really makes this book come alive Peter suggests that it is the Holy Spirit that should be the guide that both the mentor and his protA c gA c should follow It s the mentor s job to help discern the Spirit s leading and follow He has the attitude before his mentoree of Follow me follow Christ There is a chapter entitled Being Led by the Holy Spirit in Mentoring which gives insight into the spirituality of mentoring Other compelling chapters are Recasting the Vision for Mentoring The Attitude of a Mentor It s About Story Template for Our Stories The Journey of Transformation A Biblical Example of Mentoring The author even includes a chapter from each of two of his longtime mentorees It s fascinating to get their perspective on this style of mentoring Maybe the best part of the book are the stories both his and his mentorees that Peter intertwines through the book Look in particular for the one about his blind friend Michael It s truly inspirational Peter s letter to his father to his father long after his death see appendix B is poignant and sets the backdrop for Peter s journey to becoming a mentor of mentors Peter has encouraged many men to write letters to their fathers which have born much fruit Many men were not fathered well and need a mentor to come alongside to encourage them in their journey through life If you are one of them or would like to mentor another man this book is for you

*Reading Your Life's Story* Keith R. Anderson, 2016-11-03 Keith R Anderson unfolds a vision for mentoring that invites us to read our own lives as narrative as well as to learn how to enter the narrative of another life These pages cover the scope of

the mentoring relationship through various seasons offering helpful and inspiring metaphors for mentoring All are invited to enter the mentoring story      *Spiritual Mentoring* Keith R. Anderson,Randy D. Reese,1999-05-20 Drawing on the writings of Augustine John of the Cross Teresa of Avila and others Keith R Anderson and Randy D Reese show that the age old practice of Christian mentoring is meant to facilitate our growth throughout life They provide motivation principles and plans for starting and continuing mentoring relationships      **The Uncommon Mentor** Rhonda Lewis,2018-10-29 Is there someone in your life that loves you and holds you accountable Do they point you back to God s Word when you are stumped Do you have someone that reminds you of His forgiveness when you are being too hard on yourself Is there someone that can tell you when you re wrong and encourage you to repent Having a mentor is beneficial to everyone especially Believers On your spiritual journey it s most important to have a mentoring relationship to help you grow in your faith and every day walk with the Lord Can you imagine having a person invest in your life because they choose to do so and they simply just want to see you win spiritually and tangibly In fact mentoring is a biblical concept In Titus 2 older men are encouraged to train the younger men and older women are told to train the younger women A good mentor will encourage you inspire you push and pull you but have you been introduced to the Uncommon Mentor This mentor teaches counsels coaches lead by example and advises by way of the Holy Spirit This relationship with the Uncommon Mentor is God ordained It s less like an instantaneous upload and more like a slow metamorphosis Why Because it takes time to build and establish trust and accountability You have to be able to trust the God in your mentor know without a shadow of doubt that he she will literally go to war with the enemy on behalf of your soul You may ask yourself who is this Uncommon Mentor She goes by the name Elder Rhonda Ferguson Lewis God has entrusted her with nearly 50 women to coach and mentor over her life span in which hasn t always been the easiest yet God knew there was something in her that He needed to get to those women in order for them to see all that He has for them Elder Rhonda has a responsibility to fulfill by presenting herself as a role model that is not only in talk but in walk Spiritually this means that she leads by example as commanded by Scripture where it is evident she is led by the Holy Spirit and presents a godly role model of Christ like behavior to those she mentors In this book you will be taken on a joy ride by some of the women she s mentoring Each woman in this book has a story to tell you about how yesterday they dared to struggle but today they dared to win Their story will simply tell you how their pain met purpose once God revealed to them everything He desired to heal in them And He s done just that through our Uncommon Mentor      **Mentoring Ministry** Fraser Keay,2023-08-28 Revised Edition which includes the role of Philip the Evangelist as a type of mentor August 2023 1 Please post an honest review here or elsewhere as it will help encourage others to grab a copy 2 There is also a free audio book that matches this Enjoy 3 If you appreciate it and want to donate to my writing and narration work you can do so in one of three ways 1 If you re in the USA or UK try this well known app <https://cash.app> Fraspay Or 2 Buy the ebook or paperback on Amazon and post a short review as it will increase visibility and hopefully sales too Or 3 Email me at

Harrison 5 5 A practical hands on guide to mentoring with lots of opportunity to pause for self reflection As someone who personally benefited from the author s guidance and encouragement in becoming a mentor I cannot recommend this book highly enough Suzy J Scribd 5 5 Short sweet and to the point It s not exhaustive or a how to manual on mentoring by any means but it s a great reminder that discipleship and mentoring is how we are to do church together Whether pairing up with those who are younger as is the primary relationship covered in the book or simply someone who is younger in the faith as you we are all to walk together in our goal to be more like Jesus spencerdanielj 2 5 Needs to be structured Better A lot of don t advice versus do Bernard Sia
