New Approaches to Ancient Material Culture in the Greek & Roman World Catherine Cooper, 2020-11-16 New Approaches to Ancient Material Culture in the Greek Roman World is about Classical Archaeology at its broadest and is important reading to all Classicists As part of a recent movement to highlight the rich diversity of the subject it overcomes traditional disciplinary boundaries to show the variety of current approaches to the study of Classical Antiquity from the Late Bronze Age to the Late Antique period The multi disciplinary papers deal with archaeology and art history museum objects and fieldwork data ancient texts and material culture archaeological theory and historiography and technical and literary analysis The international contributors discuss a selection of methodologies currently used to study ancient material and illustrate their relevance through case studies which span the Greek and Roman world *Prophets, Prophecy, and Oracles in the Roman Empire* Leslie Kelly, 2017-12-06 This book surveys the uses and function of prophecy prophets and oracles among Jews Christians and pagans in the first three centuries of the Roman Empire and explores how prophecy and prophetic texts functioned as a common language that enabled religious discourse to develop between these groups It shows that each of these cultures believed that it was in prophetic texts and prophetic utterances that they could find the surest proof of their religious beliefs and a strong confirmation of their group identity John, Beloved by JESUS Scott Campbell Brown, 2024-11-08 You are so loved by God that he gave you his only Son that if you believe in him you will not perish but you shall have eternal life Although this is a work of fiction about the Apostle John this book focuses on the truth of the wonderful promises of God for you You is the first word of the novel and it comprises the last non biblical word And you will read that many of the promises have already been kept for as John takes his life journey he learns again and again that from Abraham to Jesus to God s Revelation to him that the Lord himself will provide the Lamb Along the way you will meet the strong women in John s life His birth mother Salome who becomes a faithful follower of Jesus but endures much heartache throughout her life Mary who by the edict of Jesus becomes John s born again mother and teaches him many lessons even as a grown man You will meet the Elect Lady referenced in the Second Letter of John and Lydia the dealer in purple cloth from the book of Acts and the first person from Europe to be baptized There will be some ups and downs You will witness the martyrdoms and the sufferings of the faithful Christians Because even the apostles are sinners you will observe some of that And you may even have a few laughs At times you may become frustrated with John or some of the others And that is a good thing Because although this book tells their stories the great promises of God through the sacrifice and resurrection of Jesus Christ are its most important message for you The Cambridge Companion to Gulliver's Travels Daniel Cook, Nicholas Seager, 2023-10-19 The definitive guide to Swift s controversial satirical masterpiece Gulliver s Travels demonstrating its complexity and enduring legacy *In Search of Pre-Classical Antiquity: Rediscovering Ancient Peoples in Mediterranean Europe (19th and 20th c.)*, 2016-11-28 The book aims rethinking the cultural history of Mediterranean nationalisms between
