Straight From The Heart A Love Story:

Straight from the Heart Muriel Kennedy Ph.D.,2018-09-05 *Straight from the Heart* A Child's Journey to Love and Be Loved is a beautifully written story about a child's heartrending journey to love and be loved by the significant adults in his life. *Straight from the Heart* is a compilation of true to life scenarios that speak very candidly to the myriad of challenges faced by today's youth in their quest to be loved and understood by others. Dr. Kennedy takes you on a riveting journey through the eyes and heart of the main character Jamaal with emphasis on his complex relationship with his mother, teachers, peers, and estranged father. Drawing on her extensive clinical experience and expertise in working with vulnerable children, youth, and families, Dr. Kennedy poignantly directs the reader's attention to the underlying source of the main characters' anger, fears, and frustrations with emphasis on the importance of effective communication, perspective taking, problem solving, and decision making in managing and resolving conflicts across relationships. *Straight from the Heart* is a must read for today's children, youth, and adolescents and more so for the adults that are deeply invested in bringing about positive change in the lives of our youth and their families through the applied principles of compassion, understanding, unconditional positive regard, and forgiveness.

Straight from the Heart Jennifer S. Prough,2010-11-16 Manga is the backbone of Japanese popular culture, influencing everything from television, movies, and video games to novels, art, and theater. Shōjo manga, girls' comics, has been seminal to the genre as a whole and especially formative for Japanese girls' culture throughout the postwar era. In *Straight from the Heart*, Jennifer Prough examines the shōjo manga industry as a site of cultural storytelling, illuminating the ways that issues of mass media, gender, production, and consumption are involved in the process of creating shōjo manga. With their glittery pastel covers and focus on human relationships and romance, shōjo manga are thoroughly marked by gender, as indeed are almost all manga titles, magazines, and publishing divisions. Drawing on two years of fieldwork on the production of shōjo manga, Prough analyzes shōjo manga texts and their magazine contexts to explain their distinctive appeal, probe the gendered dynamics inherent in their creation, and demonstrate the feedback system that links producers and consumers in a continuous cycle of affective labor. Each chapter focuses on one facet of shōjo manga: production, stories, format, personnel, industry dynamics, providing engaging insights into this popular medium. Tacking between story development, interactive magazine features, and relationships between male editors and female artists, Prough examines the concrete ways in which shōjo manga reflect, refract, and fabricate constructions of gender, consumption, and intimacy. *Straight from the Heart* thus weaves together issues of production and consumption, human relations, and gender to explain the unique world of shōjo manga and to interpret its dramatic cultural and economic success on a national and increasingly global scale.
