Straight From The Heart My Life In Politics And Other Places:

Straight from the Heart Ann Richards, 2013-04-23 *Straight from the Heart* is Ann Richards's story told with her trademark candor and spicy humor. Born in a tiny town near Waco, Texas, she entered politics when her husband wouldn't and went on to become state treasurer, the first woman elected to statewide office in Texas in fifty years. She's had her victories and her battles, the breakup of a thirty-year marriage and a bout with alcohol, but it's her love of Texas and Texas politics that has made her who she is. This extraordinary memoir by one of the nation's leading politicians proves the wisdom of her observation that women can have a good and wonderful life, but that it only begins when they accept responsibility for it, not when they expect someone else to make it happen. Richards talks openly about the course her life has taken and the choices she has made on the way. Her hard-won triumphs and savvy political career provide inspiring examples for all. Lone Star Mind Ty Cashion, 2018-11-01 There is the story the Lone Star State likes to tell about itself, and then there is the reality, a Texas past that bears little resemblance to the manly Anglo myth of Texas exceptionalism that maintains a firm grip on the state's historical imagination. *Lone Star Mind* takes aim at this traditional narrative, holding both academic and lay historians accountable for the ways in which they craft the state's story. A clear-sighted, far-reaching work of intellectual history, this book marshals a wide array of pertinent scholarship, analysis, and original ideas to point the way toward a new, usable past that twenty-first-century Texans will find relevant. Ty Cashion fixes T. R. Fehrenbach's *Lone Star: A History of Texas and the Texans* in his crosshairs, in particular laying bare the conceptual deficiencies of the romantic and mythic narrative the book has served to codify since its first publication in 1968. At the same time, Cashion explores the reasons why the collective efforts of university-trained scholars have failed to diminish the appeal of the state's iconic popular culture, despite the fuller and more accurate record these historians have produced. Framing the search for a collective Texan identity in the context of a post-Christian age and the end of Anglo male hegemony, *Lone Star Mind* illuminates the many historiographical issues besetting the study of American history that will resonate with scholars in other fields as well. Cashion proposes that a cultural history approach focusing on the self-interests of all Texans is capable of telling a more complete story, a story that captures present-day realities. *Texas Literary Outlaws* Steven L. Davis, 2017-08-15 At the height of the sixties, a group of Texas writers stood apart from Texas conservative establishment. Calling themselves the Mad Dogs, these six writers—Bud Shrake, Larry L. King, Billy Lee Brammer, Gary Cartwright, Dan Jenkins, and Peter Gent—closely observed the effects of the Vietnam War, the Kennedy assassination, the rapid population shift from rural to urban environments, Lyndon Johnson's rise to national prominence, the Civil Rights Movement, Tom Landry and the Dallas Cowboys, Willie Nelson, Jerry Jeff Walker, the new Outlaw music scene, the birth of a Texas film industry, *Texas Monthly* magazine, the flowering of Texas Chic, and Ann Richards' election as governor. In *Texas Literary Outlaws*, Steven L. Davis makes extensive use of untapped literary archives to weave a fascinating portrait of writers who came of age during a period of rapid social change. With Davis's eye for vibrant detail and

a broad historical perspective Texas Literary Outlaws moves easily between H L Hunt s Dallas mansion and the West Texas oil patch from the New York literary salon of Elaine s to the Armadillo World Headquarters in Austin from Dennis Hopper on a film set in Mexico to Jerry Jeff Walker crashing a party at Princeton University The Mad Dogs were less interested in Texas mythic past than in the world they knew firsthand a place of fast growing cities and hard edged political battles The Mad Dogs crashed headfirst into the sixties and their legendary excesses have often overshadowed their literary production Davis never shies away from criticism in this no holds barred account yet he also shows how the Mad Dogs rambunctious personae have deflected a true understanding of their deeper aims Despite their popular image the Mad Dogs were deadly serious as they turned their gaze on their home state and they chronicled Texas culture with daring wit and sophistication *Black Texas Women: 150 Years of Trial and Triumph* Ruthe Winegarten,2010-07-22 Enriches and complicates African American and women s history by connecting threads of race gender class and region Darlene Clark Hine John A Hannah Professor of History Michigan State University Winner of the Liz Carpenter Award from the Texas State Historical Association Women of all colors have shaped families communities institutions and societies throughout history but only in recent decades have their contributions been widely recognized described and celebrated This book presents the first comprehensive history of Black Texas women a previously neglected group whose 150 years of continued struggle and some successes against the oppression of racism and sexism deserve to be better known and understood Beginning with slave and free women of color during the Texas colonial period and concluding with contemporary women who serve in the Texas legislature and the United States Congress Ruthe Winegarten organizes her history both chronologically and topically Her narrative sparkles with the life stories of individual women and their contributions to the work force education religion the club movement community building politics civil rights and culture The product of extensive archival and oral research and illustrated with over 200 photographs this groundbreaking work will be equally appealing to general readers and to scholars of women s history black history American studies and Texas history Occasionally a book comes along that is monumental in scope overwhelming in amount of research and so powerful in its impact as to be categorized at once as a lasting contribution to our knowledge of humankind *Black Texas Women* is one of those rare books *The Journal of American History* *Nobodies to Somebodies* Peter Han,2005 Draws on the lessons learned by the author in his quest to discover how professionals find long term meaning in their work identifying fourteen key value systems as imparted by such figures as former senator Bill Bradley actor John Lithgow writer Tom Clancy and others **Lone Star Politics** Ken Collier,Steven Galatas,Julie Harrelson-Stephens,2020-12-10 In Texas myth often clashes with the reality of everyday government Explore the state s rich political tradition with *Lone Star Politics* as the author team explains who gets what and how Utilizing a comparative approach the authors set Texas in context with other states constitutions policymaking electoral practices and institutions as they delve into the evolution of its politics Critical thinking questions and unvarnished Winners and Losers discussions guide

students toward understanding Texas government and assessing the state's political landscape. The highly anticipated Seventh Edition includes coverage of the state's response to the COVID pandemic, brand new chapter level learning objectives, updated demographic and immigration statistics, and new Discussion Starter questions to help in class discussion on critical policy debates. CQ Press Lecture Spark: Designed to save you time and ignite student engagement, these free weekly lecture launchers focus on current event topics tied to key concepts in American Government.

Women in American Politics: History and Milestones Doris Weatherford, 2012-01-20. *Women in American Politics* is a new reference detailing the milestones and trends in women's political participation in the United States. This two-volume work provides much needed perspective and background on the events and situations that have surrounded women's political activities. It offers insightful analysis on women's political achievements in the United States, including such topics as the campaign to secure nationwide suffrage, pioneer women state officeholders, women first elected to U.S. Congress, governorships, mayoralties, and other offices, and women first appointed as Cabinet officials, judges, and ambassadors. It also includes profiles of the women who have run for vice president and president. *Women in American Politics* is organized in a framework both logical and useful to readers and researchers. Original material offers students, scholars, teachers, and other professionals a guide to understanding the complex struggle in women's progress toward achieving political parity with men in the United States. Each chapter is structured in three parts: part one features graphic information (tables, lists, charts, or maps) detailing the historical record with data not compiled anywhere else on women officeholders; part two offers insightful narrative analysis describing how women achieved what they did, examines the complex and sometimes contradictory trends behind the facts of women's political milestones, and explores how social and economic contexts affected the progress of their accomplishments; part three presents biographical entries describing in more personal terms women's struggle for political equality. Sidebars in each chapter illuminate the drama of political life and consider the evolving female electorate, exploring how women voters have impacted particular issues, specific elections, or other key turning points, and the tradition of appointing widows to open seats. The final chapter uniquely looks at women's political history and differences in achievement from a state and regional perspective. Entries on each state as well as on District of Columbia and Puerto Rico highlight milestones and provide insight.

into the unique aspects of each state **Lone Star Politics, 3rd Edition** Ken Collier, Kenneth E. Collier, Steven Galatas, Julie Harrelson-Stephens, 2013-02 Lone Star Politics delves into the state's rich political tradition by exploring how myth often clashes with the reality of everyday governance Explaining who gets what and how within the state this Nacogdoches author team provides an engaging narrative on the evolution of Texas politics utilizing the comparative method to set Texas in context with other states constitutions policymaking electoral practices and institutions Responding to user demand Ken Collier Steven Galatas and Julie Harrelson Stephens have split or added chapters to provide more in depth coverage of much desired topics including the legislature and legislative process the governor and bureaucracy parties and organized interests as well as fiscal criminal justice and social policy In addition new chapter objectives and critical thinking questions reinforce learning and encourage analysis Beyond more depth and breadth the new third edition now features a full color design Lone Star Politics delivers well crafted and colorful content without breaking the bank **The Well-Spoken Woman** Christine K. Jahnke, 2011-09-27 Sheryl Sandberg advises women to lean in to realize their full potential To do so successfully women need effective communication skills and a confident presentation style In this must have guide one of the nation's premier speech coaches shares tested techniques from twenty years of coaching women on what works and what doesn't The author details the practices and techniques of successful women to help all women improve their presentation and public speaking skills With access to her expertise you'll learn strategies that will help you present your best self in forums from PTA meetings to TV studios conferences to classrooms boardrooms to YouTube The author has advised First Lady Michelle Obama for her International Olympic Committee speech provided speaker training to Hillary Clinton's presidential campaign and coached corporate CEOs and more women elected officials than any other trainer Every woman can benefit from studying the polished speaking skills of such powerful women Strategic advice on everything from messaging to hair and hemlines will allow you to come across as polished and prepared The author includes easy to follow exercises so you can try out techniques immediately from the use of sound bites and secrets to establishing eye contact to what not to do with your hands Filled with behind the scenes advice this book is for every woman who wants to present herself well express her ideas with confidence and earn the respect of any audience *Let the People In* Jan Reid, 2012-10-03 This intimate biography of the pioneering Texas governor is required reading for political junkies and for women considering a life in politics Booklist When Ann Richards delivered the keynote of the 1988 Democratic National Convention and mocked President Bush Poor George he can't help it He was born with a silver foot in his mouth she became an instant celebrity and triggered a rivalry that would alter the course of history In 1990 she won the governorship of Texas becoming the first ardent feminist elected to high office in America Richards opened pathways for greater diversity in public service and her achievements created a legacy that transcends her tenure in office In *Let the People In* Jan Reid offers an intimate portrait of Ann Richards's remarkable rise to power as a liberal Democrat in a deeply conservative state Reid draws

on his long friendship with Richards as well as interviews with family personal correspondence and extensive research to tell the story of Richards's life from her youth in Waco through marriage and motherhood her struggle with alcoholism and her shocking encounters with Lyndon Johnson and Jimmy Carter Reid shares the inside story of Richards's rise from county office to the governorship as well as her score settling loss of the governorship to George W Bush Reid also describes Richards's final years as a mentor to a new generation of public servants including Hillary Clinton

Women and Guns Deborah Homsher, 2015-05-20 This timely and provocative book looks at contemporary American women and their experiences with guns Scrupulously balanced this new paperback edition features a new appendix containing a wealth of primary source documents that help illuminate both the dangers and attractions of guns in our society

Encyclopedia of Women in the American West Gordon Morris Bakken, Brenda Farrington, 2003-06-26 Click Additional Materials for downloadable samples This is a sound purchase for college and university libraries with women's studies or American West programs as well as for large public libraries BOOKLIST This is the first encyclopedia to focus on this neglected group There is a clear need for this encyclopedia recommended for academic and public libraries and all libraries with a special interest in the western region and women's studies LIBRARY JOURNAL A highly educational and enlightening resource the Encyclopedia of Women in the American West is a core recommendation for academic and public library American Western History Studies and Women's Studies reference collections as well as an invaluable resource for writers and non specialist general readers with an interest in studying women's experiences and contributions to American society and culture THE MIDWEST BOOK REVIEW Unites the American West and Women's History American women have followed their manifest destiny since the 1800's moving West to homestead found businesses author novels and write poetry practice medicine and law preach and perform missionary work become educators artists judges civil rights activists and many other important roles spurred on by their strength spirit and determination Encyclopedia of Women of the American West captures the lives of more than 150 women who made their mark from the mid 1800s to the present contextualizing their experiences and contributions to American society Including many women profiled for the first time the encyclopedia offers immense value and interest to practicing historians as well as students and the lay public Multidisciplinary and Multicultural Cowgirls ranchers authors poets artists judges doctors educators and reformers although these women took many different paths they are united in their role in history fighting not only for women's rights but equal rights for all in this rich and promised land The Encyclopedia of Women in the American West chronicles the work of Native American activists such as Mildred Imach Cleghorn and Sarah Winnemucca the champion of rights of indigenous peoples who established Nevada's first school for Native Americans in 1884 The encyclopedia also explores the stories of early ranchers Among them is Freda Ehmman who founded the California Ripe Olive Association where according to her grandson science and chemical exactness failed the experience and care of a skillful and conscientious housewife succeeded Women in the American West have long thrived in the arts This is evidenced

by the work of authors such as Pulitzer Prize winner Willa Cather Amy Tan and Linda Hasselstrom poets such as Hildegard Flanner and journalist Molly Ivins All are profiled in this comprehensive work The arts are used to address both aesthetic and serious societal issues such as Maxine Hong Kingston's *The Woman Warrior* the story of a woman's struggle with identity as a minority in American culture Academics will appreciate a study of Ruth Underhill's *Autobiography of a Papago Woman* which deals with the role of feminist ideology in changing the discipline of anthropology during the first part of the twentieth century Women in the American West have also achieved many firsts such as Utah's Ivy Baker Priest the first woman to hold the office of Treasurer of the United States and Georgia Bullock the first woman judge in the State of California *The Many Roles of Women in the American West* The *Encyclopedia of Women in the American West* covers nine diverse topical categories Agriculture Ranching Arts and Letters Education Entrepreneurs Law Pioneers Public Performance Religion Women's organizations The West is often portrayed as a rough and tumble man's world but behind these men and often independently were women with the dreams strength and determination to make a difference The *Encyclopedia of Women in the American West* is a tribute to their independence intelligence courage spirit perseverance and daring Key Features Authoritative and in depth articles on a wide range of salient issues in women's history Suggested readings and interpretive materials for every entry Bridges two perennially popular areas of academic and lay interest the American West and women's history Developed and priced to appeal to high school and public libraries as well as academic libraries Recommended Libraries Public school academic special and private corporate

Claytie and the Lady Sue Tolleson-Rinehart, Jeanie R. Stanley, 2010-07-22 It was like a remake of *The Cowboy and the Lady* except that this time they weren't friends The 1990 Texas governor's race pitted Republican Clayton Williams a politically conservative rancher and oil millionaire against Democrat Ann Richards an experienced progressive politician noted for her toughness and quick wit Their differences offered voters a choice not only of policies and programs but also of stereotypes and myths of men's and women's proper roles *Claytie and the Lady* is the first in depth look at how gender affected the 1990 governor's race The authors' analysis reveals that Ann Richards' victory was a result of a unique combination of characteristics She was simultaneously tough enough to convince voters that she could lead and feminine enough to put them at ease At the same time she remained committed to the progressive and women's issues that had won her the early support of feminists and progressives The authors also show how Clayton Williams' appeal to the Texas cowboy myth backfired when he broke the cowboy code of chivalry to women The authors set their discussion within the historical context of twentieth century Texas politics and the theoretical context of gender politics in order to pose a number of thought provoking questions about the effects of women's participation in political life Interviews with key players in the 1990 election including Governor Ann Richards add a lively and insightful counterpoint to the text

A Single Star and Bloody Knuckles Bill Minutaglio, 2021-05-04 Finalist 2021 Writers League of Texas Book Award For John Nance Cactus Jack Garner there was one simple rule in politics You've got to

bloody your knuckles It s a maxim that applies in so many ways to the state of Texas where the struggle for power has often unfolded through underhanded politicking backroom dealings and quite literally bloodshed The contentious history of Texas politics has been shaped by dangerous and often violent events and been formed not just in the halls of power but by marginalized voices omitted from the official narratives A Single Star and Bloody Knuckles traces the state s conflicted and dramatic evolution over the past 150 years through its pivotal political players including oft neglected women and people of color Beginning in 1870 with the birth of Texas s modern political framework Bill Minutaglio chronicles Texas political life against the backdrop of industry the economy and race relations recasting the narrative of influential Texans With journalistic verve and candor Minutaglio delivers a contemporary history of the determined men and women who fought for their particular visions of Texas and helped define the state as a potent force in national affairs

When Women Stood Alexandra Allred,2023-02-08 An unapologetically candid and illuminating history of women and their fight for equality told through the influential world of sports From early Amazons to modern day athletes women have been fighting for their rightful place in the world The history of these female athletes whether warriors on the battlefield or competitors in the sports arena has often been neglected yet it is through sports that women have changed society gaining entry into education travel politics and more When Women Stood is an eye opening chronicle of the amazing women who refused to accept the status quo and fought for something better for themselves and for those who would follow Featuring exclusive insight from athletes such as Jackie Joyner Kersee Kathrine Switzer Nancy Lieberman Briana Scurry and Nancy Hogshead Maker this book includes the stories of female football players Olympic athletes powerlifters and soccer stars of historians archeologists crusaders and scientists Women s sports history cannot be told without also telling the story of the fight for gender and racial equality economics medical biases gay and transgender history violence religion media abuse and activism When Women Stood is the first to go beyond the record books and gold medal counts to truly dig into the vital role women and sports have played in instigating change in society as a whole And it shows that despite seemingly unsurmountable odds the true spirit of the female athlete can never be restrained

Women in Texas History Angela Boswell,2018-10-15 Winner 2019 Liz Carpenter Award sponsored by the Texas State Historical Association TSHA In recent decades a small but growing number of historians have dedicated their tireless attention to analyzing the role of women in Texas history Each contribution and there have been many represents a brick in the wall of new Texas history From early Native societies to astronauts Women in Texas History assembles those bricks into a carefully crafted structure as the first book to cover the full scope of Texas women s history By emphasizing the differences between race and ethnicity Angela Boswell uses three broad themes to tie together the narrative of women in Texas history First the physical and geographic challenges of Texas as a place significantly affected women s lives from the struggles of isolated frontier farming to the opportunities and problems of increased urbanization Second the changing landscape of legal and political power continued to shape women s lives and

opportunities from the ballot box to the courthouse and beyond Finally Boswell demonstrates the powerful influence of social and cultural forces on the identity agency and everyday life of women in Texas In challenging male dominated legal and political systems Texan women shaped and were shaped by class religion community organizations literary and artistic endeavors and more Women in Texas History is the first book to narrate the entire span of Texas women s history and marks a major achievement in telling the full story of the Lone Star State Historians and general readers alike will find this book an informative and enjoyable read for anyone interested in the history of Texas or the history of women

Running as a Woman Linda Witt,Glenna Matthews,Karen M. Paget,1995-08-01 Women have become a strong force in electoral politics as candidates office holders and vocal constituents In Running as a Woman Linda Witt Karen Paget and Glenna Matthews explore the significant issues for women in public life their marital status the threat of sexual innuendo what s involved in becoming a credible candidate and raising enough money to run They also explain how voters are mobilized to vote for women how the media cover them how they get their campaign message out what it s like to lose and what difference women make once elected In addition Running as a Woman includes a compelling history of women in politics that both records the political role women have played throughout the last two centuries and explains how and why women have continually been stifled in their attempts to enter political life While the 1992 elections were hailed as a giant leap forward for women the 1994 elections created a skepticism that real permanent changes occurred In Running as a Woman the authors set the record straight with a chapter that analyzes the results of the 1994 elections and their relevance for women today

A Legacy of Leadership Clayton McClure Brooks,2008-07-16 In A Legacy of Leadership top scholars and journalists create a new framework for understanding the contributions governors have made to defining democracy and shaping American history Structured chronologically A Legacy of Leadership places governors in contrast and comparison with one another as well as within the context of their times to show how a century of dramatic developments war and peace depression and prosperity led governors to rethink and expand their positions of leadership The nine chapters of compelling new scholarship presented here connect the experiences of dynamic individual governors and the evolution of the gubernatorial office to the broader challenges the United States has faced throughout the turbulent twentieth century Taken together they demonstrate how interstate cooperation became essential as governors increasingly embraced national and international perspectives to promote their own states competitiveness Published for the centennial of the National Governors Association A Legacy of Leadership is an eloquent demonstration of how to a great extent we live in a country that governors created

Capitol Women Nancy Baker Jones,Ruthe Winegarten,2010-07-22 Along with bar rooms and bordellos there has hardly been a more male focused institution in Texas history than the Texas Legislature Yet the eighty six women who have served there have made a mark on the institution through the legislation they have passed much of which addresses their concerns as citizens who have been inadequately represented by male lawmakers This first complete record of the women of the Texas

Legislature places such well known figures as Kay Bailey Hutchison Sissy Farenthold Barbara Jordan Irma Rangel Eddie Bernice Johnson Susan Combs and Judith Zaffirini in the context of their times and among the women and men with whom they served Drawing on years of primary research and interviews Nancy Baker Jones and Ruthe Winegarten offer concise biographies and profiles of all eighty six women who have served or currently hold office in the Texas Legislature The biographies describe the women lawmakers lives campaign strategies and legislative successes and defeats Four introductory essays provide historical and cultural context for the biographies which are arranged chronologically to give a sense of the passage of time of relationships among and between women and of the issues of their eras

The Faiths of the Postwar Presidents David L. Holmes, 2020-10-07 Impressively balanced accounts of such matters as Nixon's betrayal of Billy Graham's trust and Obama's connection to Jeremiah Wright An interesting take Booklist From the author of *The Faiths of the Founding Fathers* an acclaimed account of the spiritual beliefs of such iconic Americans as Franklin Washington and Jefferson this is a measured look at the role of faith in the lives of twelve presidents who have served since the end of World War II David Holmes examines not only the beliefs professed by each president but also the variety of possible influences on their religious faith such as their upbringing their education and the faith of their spouse In each profile close observers such as clergy family members friends and advisors recall churchgoing habits notable displays of faith or lack of it and the influence of their faiths on policies concerning abortion the death penalty Israel and other controversial issues Whether discussing John F Kennedy's philandering and secularity or Richard Nixon's betrayal of Billy Graham's naïve trust during Watergate Holmes includes telling and often colorful details not widely known or long forgotten We are reminded for instance how Dwight Eisenhower tried to conceal the background of his parents in the Jehovah's Witnesses and how the Reverend Cotesworth Lewis's sermonizing to Lyndon Johnson on the Vietnam War was actually not a left but a right wing critique An admirable and colorful yet balanced look at our recent Presidents and their religious beliefs It will have wide appeal for all readers and particularly for those interested in presidential history Library Journal
