Karen, 2020-12-01 Can women have meaningful careers in tech Are diversity efforts in Silicon Valley failing Should women  
avoid working for technology companies Alana Karen was annoyed every time she saw the latest headline questioning women  
s survival in tech She pictured a new graduate deciding on her career and only having one sided articles to help make her  
decision She saw colleagues roll their eyes at books about C level women in tech and heard jokes about how inaccessible  
those stories sounded She wondered how women could feel like they belonged if they didn t see themselves reflected in the  
media Inspired by women she knows in tech women with diverse backgrounds education and ambitions she wrote The  
Adventures of Women in Tech to fill that gap A twenty year tech company veteran and leader Alana Karen brilliantly and  
systematically replaces what we think we know about women in tech with more than eighty women s stories of what it s  
honestly like to join lead and thrive in today s top technology companies The Adventures of Women in Tech delves into why  
we join tech the challenges we face and the skills and support we need to succeed and stay in an often challenging  
environment In twelve chapters filled with intimate stories insights and advice from women working in technology companies  
and start ups Alana Karen demonstrates that we all belong in tech      Current Literature , 1895
