Straight Razor And Other Poems:

Straight Razor and Other Poems Salvatore Ala, 2012-10-16 *Straight Razor and Other Poems* brings together Salvatore Ala's new poems and selections from his privately published broadsides. It is a beautiful and original collection. Both formal and lyrical, it is the work of a determined and committed craftsman. **Poetry, Lyrics and Other Cries for Help** Chuck W. Chapman, 2023-03-16 Singer, songwriter, actor, director, and author Chuck W. Chapman is from Greenville, SC. Within these pages, you'll discover not only some of the utterly profound lyrics and prose poetry his life experience and passion has to offer, but his own brand of rock n' roll macabre storytelling he's been renowned for in his horror and urban fantasy fiction. With that, we are proud to present a feast for your reading eyes in the words and tales only Chuck W. Chapman can tell. *The New Anthology of American Poetry* Steven Gould Axelrod, Camille Roman, Thomas Travisano, 2012-04-15 Steven Gould Axelrod, Camille Roman, and Thomas Travisano continue the standard of excellence set in Volumes I and II of this extraordinary anthology. Volume III provides the most compelling and wide-ranging selection available of American poetry from 1950 to the present. Its contents are just as diverse and multifaceted as America itself and invite readers to explore the world of poetry in the larger historical context of American culture. Nearly three hundred poems allow readers to explore canonical works by such poets as Elizabeth Bishop, Robert Lowell, and Sylvia Plath, as well as song lyrics from such popular musicians as Bob Dylan and Queen Latifah. Because contemporary American culture transcends the borders of the continental United States, the anthology also includes numerous transnational poets from Julia de Burgos to Derek Walcott. Whether they are the works of oblique avant-gardists like John Ashbery or direct populist poets like Allen Ginsberg, all of the selections are accompanied by extensive introductions and footnotes, making the great poetry of the period fully accessible to readers for the first time.

Lost Luggage Salvatore Ala, 2012-10-16 Journeys and interrupted journeys are a well-established theme in literature. Gustave Von Aschenbach's fateful journey back to Venice and his death began with lost luggage. So also with Salvatore Ala's new collection of poems, his third. Lost luggage and the efforts to find the things of this world retrieved and redeemed are central to Ala's poems. In his new book, he presents a unique group of poems about the world of soccer. The Goalkeeper, Pel, The Soccer Ball, and others show Ala's openness and refusal to accept the sterility of modern trends. Lost Luggage has many examples of his unique sense of style, his particular blend of candidness and depth. A rare commodity today. [The Illusion of Intimacy: On Poetry](#) Randall Mann, 2019-03-27 *The Illusion of Intimacy: On Poetry* brings Randall Mann's characteristic wit, fearlessness, and attention to language to twenty years of critical works, including reviews of early books by Laura Kasischke and Vijay Seshadri, essays on Shame Money and Forgetting, appreciations of Thom Gunn and John Ashbery, and two interviews. This incisive collection, a combination of criticism, close reading, autobiography, exuberance, and occasional irritation, offers a look into the mind of one of America's finest formalists, revealing how the compression and vulnerability of the lyric draws us closer to while asking us to resist the limitations, freedoms, and intimacies of poetry. *Party at the Mausoleum and Other*

The Life and Poetry of Frank Stanford James McWilliams, 2025-07 The full throated biography fans have been yearning for Kirkus Starred Review April 2025 When twenty nine year old Frank Stanford put three bullets in his chest on June 3 1978 he ended a life that had been inextricably linked with poetry since childhood Deeply influential but largely unknown outside his corner of the poetry world this prodigy of the American South inspired a cult following that has kept his reputation and work flickering on the periphery of the American literary tradition ever since *The Life and Poetry of Frank Stanford* offers for the first time a comprehensive study of Stanford's life and work introducing to a broad readership poetry that remains both captivating to poets and in its celebration of everyday experience over academic erudition accessible to those who rarely read poetry Stanford's poems range from one line to his 15 283 line epic *The Battlefield Where the Moon Says I Love You* The vital thread running through all of his poetry is an ear for language that vies with Walt Whitman in its expansiveness and generosity Stanford's omnivorous attraction to vernacular particularly Black and rural vernacular centered on an admiration for the marginalized and eccentric Blending the Southern Gothic of Faulkner and O'Connor with a racially egalitarian vision his poetry thrives on the stories and traditions of the oppressed and forgotten The themes that preoccupied Stanford's prolific output language sex death class geography commercialism surrealism film race also preoccupied the poet in his daily life which was marked by heavy drinking philandering mental instability emotional abuse and through it all an inveterate desire for beauty Constantly attentive to this tension biographer James McWilliams traces the short and painfully complicated life of this hidden talent who left a lifetime's worth of poetry that through its grounding in the mundane achieved a vision of the transcendent

If Shakespeare the auteur and his sonnets have influenced so much of how we think and act as humans, this collection asks how might we be un- and redone by the conscious act of responding to or through these seventeenth-century verses. Here you will find a wide variety of remixes: entries various by their form (poems, short essays, comics, songs, and art) and various by their remixer (poets, essayists, artists, musicians, and scholars). Here you will walk into a queer utopia, a place where things and people touch though they are too often taught not to. Pathways of Creativity in Contemporary Newfoundland and Labrador María Jesús Hernández Lerena, 2015-09-18 The Canadian province of Newfoundland and Labrador is a mythologized place that resonates with tragic adventure, polar expeditions, and Grand Banks fishing, a real and imagined geography with an incredible artistic output that calls for critical discussion. This book examines the diversity of this province's literature and culture, taking into consideration the expertise of scholars and writers who have first-hand knowledge of its unique context. Chapters on history, travel, fiction, autobiography, poetry, theatre, storytelling, filmmaking, and the visual arts provide an up-to-date survey across a broad range of artistic endeavours, as well as close readings of selected texts. The questions that fill the pages of *Pathways of Creativity in Contemporary Newfoundland and Labrador* arise from the awareness its contributors have of historically shared experiences but also of shared delusions, and their essays provoke contemplation beyond the labels local/global Newfoundlander. Come From Away, Aboriginal histories, and writing come to the foreground in this panoramic view that balances descriptions of mainstream vernacular and Indigenous cultural productions. The final chapter is organized as a multi-voiced interview which serves as a supplement to the academic essays. Here, themes are revisited and personalized as several writers express their feelings about what it means to be a Newfoundlander and an artist. As such, this book will encourage dialogue about Newfoundland and Labrador's literary and artistic achievements within the international community of readers and researchers. **In the Lights of a Midnight Plow** David Hickey, 2006 Deftly musical poetry honed with a knife's edge and poet's ear to fit just so. *Plato's Defence of Poetry* Julius A. Elias, 1984-01-01 Ignorant, irrational, and irresponsible: these are the terms used by Plato when referring to poets. Yet the philosopher acknowledged that he was not insensible to the charms of poetry, and many would agree that Plato's myths are themselves poetry of the very first rank. In *Plato's Defence of Poetry*, the first full-scale treatment of the subject since 1905, Julius A. Elias demonstrates that Plato offers a defence of poetry in response to his own famous challenge. This study restores the myths to their proper place in the Platonic corpus by showing their methodological relationship to the dialectic and their substantive connection to Plato's theories of knowledge, ethics, politics, and aesthetics. While agreeing that for Plato poetry must be harnessed to the service of truth and socially desirable values, Elias shows that poetry is indispensable to the philosopher when the audience would reject a more obviously didactic approach; poetry makes accessible and palatable truths demonstrable by reason. Furthermore, and this is the most novel and important feature of this study, Elias argues that
