Stranded Hearts:

Harlot's Moon Meryl Taylor, 2019-03-01 This is the most recent in Meryl Taylor's long series of literary offerings since 1987 when she first published *Earthbound* as a tribute to Elizabeth Steinberg a murdered child from New York City. Proceeds went to the World Hunger Coalition. Since then *SCRAPS* 1988 with *New Horizons* in Chula Vista donated funds to Humane Society Brown Mare with *Avant Garde* in Missouri gifted WWF Big Trouble on Hog's Back helped Wounded Warriors and her other works with Xibris aided animal charities across the world. She was widely published in magazines under pen names in the late 70s and won contests with her teachers' help. Writing has been her passion and solace. Now with her love Charles at her side she reaches out to those who hurt, need to heal, survive, move on, and grow past life that no longer works. Living in Dayton, Ohio, she writes for adults and children who need to laugh at lives that may not always seem funny. With a freshly minted PhD she soars into the stratosphere to entertain and enlighten. A mother and grandmother she sees life as a challenge, a tunnel where that light is no roaring train but an opportunity. To aspiring authors write on, publish or perish. **Perfect**

Kris Bryant, 2024-09-10 Behind the lights camera action of Hollywood lies the real world and the real lives of the A-list. Alix Somers has it all: New job, hosting a primetime dating show, new beach house, and the new face of the queer scene. Fans chase them, paparazzi stalk them, and Hollywood loves them, but the interviews and parties aren't bringing Alix happiness. Just when they think they've had enough, a run-in with a beautiful stranger gives them something they thought was lost. Hope. Marianna Smith hates Hollywood. Her ex-girlfriend dumps her the minute she finds fame, and most of her friends are looking for the next big break. What's the draw? It's fake people pretending to be other people. She's perfectly happy being a teacher and making extra cash working for her aunt's catering business. Until Alix leaves her swooning. They say opposites attract, but they have totally different dreams. No Hollywood love story is perfect, right. **Cherish**

Kris Bryant, 2023-09-12 Josie Lockner scores big when she's awarded a summer artist in residence in the small beach town of Goda, Massachusetts. The Wellingtons are the perfect host family, and Revere Estates the best backdrop. She's more than ready to capture the beauty of nature with her pencils and brushes. Falling for the Wellingtons' quiet neighbor Olivia Montclair isn't in the picture, but just because it won't last forever doesn't mean she can't have some fun. Olivia's peaceful days are interrupted when Josie, with her infectious grin and sunny disposition, crowds her space. Was Olivia ever that young or that hungry about life? She isn't in the market, not after her devastating heartbreak, but there's something about Josie that brings out a lightness she's missing from her life. Both cherish the time spent together, but when the summer ends and their temporary romance melts into the real deal, reality gets complicated. **Outland**
