Strange Birthday:

After the Stroke May Sarton, 2015-08-18 The bestselling feminist author's lyrical candid sensitive account of her efforts to regain her health art and sense of self after a stroke Publishers Weekly Feeling cut off and isolated from herself most of all after suffering a stroke at age 73 May Sarton began a journal that helped her along the road to recovery She wrote every day without fail even if illness sometimes prevented her from penning more than a few lines From her sprawling house off the coast of Maine Sarton shares the quotidian details of her life in the aftermath of what her doctors identified as a small brain hemorrhage What they did not tell her was the effect it would have on her life and work Sarton's journal is filled with daily accounts of the weather her garden beloved pets and her concerns about losing psychic energy and no longer feeling completely whole A woman who had always prized her solitude Sarton experiences feelings of intense loneliness When overwhelmed by the past she tries to find comfort in soothing remembrances of her travels and struggles to learn to live moment by moment As Sarton begins to regain her strength she rejoices in the life recaptured and in all that still lies ahead Interspersed with heartfelt recollections about fellow poets and aspiring writers who see in Sarton a powerful muse this is a wise and moving memoir about life after illness [The Twenty-One-Year Contract](#) L. Digging for Australia Rachael Gurney,2010-05 What would you think about going to live in Paris In 2003 having returned to the UK unexpectedly Rachael Gurney was looking through the thousands of slides that her father had taken in the sixties and seventies Trying to work out when and where they had been taken she turned to the scrapbooks she had made as a child Apart from the usual postcards the scrapbooks were full of plane and boat tickets and as a indication of things to come lids cut out from cheese boxes and labels lovingly soaked and dried from bottles of wine her parents had drunk This helped her place many of the slides and re awakened fond memories of childhood family holidays Wanting to preserve these memories she started writing about them However it didn t stop there as she was enjoying the writing process so much and continued with further travelling tales The result is part biography part travel guide It tells of some wonderful highs counteracted by those disasters which make travelling so interesting It also acts as a personal travelogue from places as diverse as Mexico Slovakia and Singapore and an insight into living and working in a number of counties including Poland and Portugal

Sailing Tales from an Old Salt Mark Rowley,2013-01-16 This is a seafaring story with multiple aspects Information gleamed by the author is from 20 years of sea logs is a narrative or comments by the captain of an off coming watch on an ocean vessel whereas the author was a member By multiple aspects I refer to facts that while the story is based on facts especially the strange events the remainder I have taken the privilege of a fictional book to deviate from the rume line I have inserted my sense of humor whenever possible also from events that have occurred I have been told my sense of humor is dry but Im positive you will have a laugh or two As a disclaimer I end the yarn by sailing through the horizon oil spill in the northern Gulf of Mexico I was there for the event but on a power vessel with log entries and pictures to document my participation in the failed off shore clean up of the mess left to us by an old ally from Europe What is not in the book is that I contracted a lung disease from this experience Many local good men and women did also Furthermore some have passed but my rendition in the book is accurate as to the conditions at sea with as much as possible emotions withheld I believe that both sailor and non will enjoy this yarn and possibly learn a few things about our precious

Strange Birthday Introduction

In today's digital age, the availability of Strange Birthday books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Strange Birthday books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Strange Birthday books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Strange Birthday versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Strange Birthday books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Strange Birthday books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Strange Birthday books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Strange Birthday books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Strange Birthday books and manuals for download and embark on your journey of knowledge?
