Strange Sects And Cults A Study Of Their Origins And Influence

Scott C. Dulebohn

Strange Sects And Cults A Study Of Their Origins And Influence:

Strange Sects and Cults: a Study of Their Origins and Influence Egon Larsen, **Secret Scrolls** Robert M. Price, 2010-12-27 *Secret Scrolls* is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax, will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have done their homework; other times they haven't bothered, and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith even without some new discovery. As soon as one engages in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. *Secret Scrolls* assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship, and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate, and so will *Secret Scrolls*. **Top Secret** Robert M. Price, 2010-06-03 Noted religion scholar Robert M. Price examines the historical roots and the current appeal of today's pop mysticisms. Critical and appreciative at the same time, Price applies his impressive background in theology and biblical criticism to put these trends in perspective. Among other popular movements and books, Price discusses Rhonda Byrne's *The Secret* and New Thought, Helen Schucman's *A Course in Miracles* and the popular works of Marianne Williamson, Deepak Chopra's *How to Know God*, James Redfield's *The Celestine Prophecy*, the Jewish Kabbalah as recently made popular by Madonna, Joel Osteen's *Prosperity Gospel*, and his popular *Your Best Life Now*, and Diedre Blomfield Brown aka Pema Chodron and American style Buddhism. Whether you're a skeptic looking for a rational approach to understanding current religion or a seeker in search of a deeper, more informed understanding of popular spiritualities, *Top Secret* has much to offer. **Beyond Brainwashing** Rebecca Moore, 2018-05-17 This analysis reviews the state of the question regarding theories of cultic violence. It introduces definitions and vocabulary and presents relevant historical examples of religious violence. It then discusses the 1960s and 1970s, the period immediately before the Jonestown tragedy. Considerations of the post-Jonestown 1978 and then post-Waco 1993 literature follow. After 9/11/2001, some of the themes identified in previous decades reappear. The book concludes by examining the current problem of repression and harassment directed at religious believers. Legal discrimination by governments as well as persecution of

religious minorities by non state actors has challenged earlier fears about cultic violence

Rastafari and Reggae Becky Mulvaney, Carlos Nelson, 1990-08-13 A combination dictionary and annotated discography videography and bibliography this sourcebook brings together listings of materials on the Rastafarian movement and reggae music This sourcebook serves as a good introduction to Rastafari and reggae Reference Books Bulletin Coinciding with the sixtieth anniversary of Rastafari this reference book traces the relationship between two intertwined aspects of Jamaican culture Rastafari and reggae music As important voices in the ongoing dialogue concerning Jamaica s search for a national identity Rastafari and reggae have had a significant impact on international music and culture This work is the first to document and describe these areas for researchers providing a comprehensive dictionary of terms people places and concepts relevant to Rastafari reggae music and their related histories In a unique collaboration from the American and Jamaican perspectives Mulvaney and Nelson have supplied annotated references and cross references for written materials audio recordings videocassettes and films that cover the first sixty years of Rastafari and over twenty years of reggae music The book is comprised of four main sections The dictionary serves as the focal point for the cross referencing of the entire book and offers entries that are either directly related to Rastafari and reggae or provide a historical context The discography which includes 200 entries represents a cross section of reggae music from 1968 to 1990 and is organized by musician or band name A small representative sample of documentary concert and narrative fiction videocassettes that address aspects of Rastafari or reggae music are catalogued in the videography along with selected films Finally the bibliography prepared by Carlos I H Nelson provides a thorough overview of journal and magazine articles creative works dissertations books interviews parts of books reviews and theses written by and about Rastafarians and reggae musicians It covers the past importance present significance and future legacies of the movement and the music The work also includes two appendices that list relevant periodicals and representative musicians and bands Music students and researchers will find Rastafari and Reggae to be a valuable reference source as will students in Caribbean and cultural studies communication history and anthropology courses For academic public and music library collections the book will be an important addition

A Bibliography of the Life and Teachings of Jiddu Krishnamurti Weeraperuma, 2023-07-17

Introducing Anthropology of Religion Jack David Eller, 2007-08-07 This lively and readable survey introduces students to key areas of the field and shows how to apply an anthropological approach to the study of contemporary world religions Written by an experienced teacher it covers all of the traditional topics of anthropology of religion including definitions and theories beliefs symbols and language and ritual and myth and combines analytic and conceptual discussion with up to date ethnography and theory Eller includes copious examples from religions around the world both familiar and unfamiliar and two mini case studies in each chapter He also explores classic and contemporary anthropological contributions to important but often overlooked issues such as violence and fundamentalism morality secularization religion in America and new religious movements Introducing Anthropology of

Religion demonstrates that anthropology is both relevant and essential for understanding the world we inhabit today **The Zionist Churches in Malawi** Ulf Strohhahn, 2016-05-11 This book presents an African Christian movement full of vitality and creativity The reader will meet believers who drink milk so that they may dream about angels reports about funerals where the mourners dance with the coffin on their shoulders and church members who are ritually not allowed to fertilize their fields or wear neck ties The authors unique insight into Malawis Christian community addresses important issues in society Why have Spirit Churches including Pentecostalism been so successful in Malawi Why do some religious groups still refuse medical help up to the point that children die of cholera How did the independent churches deal with the colonial trauma In this masterful portrait Strohhahn takes the reader from industrial mine compounds to rural colonies where churches have set up their own spiritual and political rule He carefully dissects the fine lines between traditional notions and Christianitys influence We find a spiritual portrait of the Ngoni people a fascinating cultural analysis of dancing and an encounter with a unique style of preaching **The Zionist Churches in Malawi** Strohhahn, Ulf, 2016-05-11 This book presents an African Christian movement full of vitality and creativity The reader will meet believers who drink milk so that they may dream about angels reports about funerals where the mourners dance with the coffin on their shoulders and church members who are ritually not allowed to fertilize their fields or wear neck ties The author s unique insight into Malawi s Christian community addresses important issues in society Why have Spirit Churches including Pentecostalism been so successful in Malawi Why do some religious groups still refuse medical help up to the point that children die of cholera How did the independent churches deal with the colonial trauma In this masterful portrait Strohhahn takes the reader from industrial mine compounds to rural colonies where churches have set up their own spiritual and political rule He carefully dissects the fine lines between traditional notions and Christianity s influence We find a spiritual portrait of the Ngoni people a fascinating cultural analysis of dancing and an encounter with a unique style of preaching **The National union catalog, 1968-1972** ,1973 Religious Studies Without Tears: Student Guide to Basic Literature: Judaism, Christianity, gnosticism, Biblical studies, Islamic studies ,1974 **The Publishers Weekly** ,1972 *Reference Publication* University of British Columbia. Strange Sects And Cults A Study Of Their Origins And Influence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Strange Sects And Cults A Study Of Their Origins And Influence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strange Sects And Cults A Study Of Their Origins And Influence has opened up a world of possibilities. Downloading Strange Sects And Cults A Study Of Their Origins And Influence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strange Sects And Cults A Study Of Their Origins And Influence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strange Sects And Cults A Study Of Their Origins And Influence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strange Sects And Cults A Study Of Their Origins And Influence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strange Sects And Cults A Study Of Their Origins And Influence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strange Sects And Cults A Study Of Their Origins And Influence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Strange Sects And Cults A Study Of Their Origins And Influence Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Strange Sects And Cults A Study Of Their Origins And Influence is one of the best book in our library for free trial. We provide copy of Strange Sects And Cults A Study Of Their Origins And Influence in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Strange Sects And Cults A Study Of Their Origins And Influence. Where to download Strange Sects And Cults A Study Of Their Origins And Influence online for free? Are you looking for Strange Sects And Cults A Study Of Their Origins And Influence PDF? This is definitely going to save you time and cash in something you should think about.
