A Victorian Scandal that made History

Harry Hopkins

Strange Death Of Private White

Albert Grundlingh

Strange Death Of Private White:

The Strange Death of Private White Harry Hopkins, 1977 **The Strange Death of Liberal America** Ralph Brauer, 2006-05-30 Ralph Brauer defines Liberal America as a place where government exists to keep the playing field level. The success of the American experiment he argues depends on how well we maintain this equity and its four cornerstones: economic justice, educational equity, voting rights, and media fairness. His book is both a political and intellectual history, examining the various threats to these cornerstones and a social and cultural chronicle. Touching on music, television, movies, and sports, Brauer's thesis is underscored by a historical discussion that begins with the New Deal and works its way to the present, ending with Global Warming and the Iraq War. Arguing that the patient is in intensive care, Brauer identifies three reasons for the decline of the level playing field: 1. a Republican counterrevolution dedicated to rolling back the values of the New Deal; 2. an inability of both parties to answer questions raised by decades of Civil Rights revolutions; and 3. the transformation of suburban America from a place of opportunity created by government programs to a battleground. These three ideas form the basis for the book's three sections. Part One follows the development of the Counterrevolutionary Coalition, beginning with the Southern Strategy and ending with a chapter on America's politicized media. Part Two focuses on questions that have been raised by people of color and by women and treats the Democratic Party's failure to answer those questions as illustrated by events like the Nader LaDuke campaign and the 1964 Atlantic City convention. Part Three details the impact of suburban America on the cornerstones.

Last Outpost on the Zulu Frontiers Graham Dominy, 2016-04-15 Small and isolated in the Colony of Natal, Fort Napier was long treated like a temporary outpost of the expanding British Empire. Yet British troops manned this South African garrison for over seventy years. Tasked with protecting colonists, the fort became even more significant as an influence on and reference point for settler society. Graham Dominy's *Last Outpost on the Zulu Frontier* reveals the unexamined but pivotal role of Fort Napier in the peacetime public dramas of the colony. Its triumphalist colonial-themed pageantry belied colonists' worries about their own vulnerability. As Dominy shows, the cultural, political, and economic methods used by the garrison compensated for this perceived weakness. Settler elites married their daughters to soldiers to create and preserve an English-speaking oligarchy. At the same time, garrison troops formed the backbone of a consumer market that allowed colonists to form banking and property interests that consolidated their control.

Women of the Regiment Myna Truham, 1984-08-31 This book is a detailed study of the domestic background of life in the Victorian army. It describes the lives of women who lived on the edge of the regimental community as wives, daughters, prostitutes, lovers, and workers. It examines the development of policy on marriage of men in the ranks and discusses the links between the military regulation of marriage and Victorian legislation on prostitution. The early history of the service family and the sources of welfare available to families—the poor law, philanthropy, and the regimental system itself—are examined in the light of attitudes to soldiers' marriages. *Women of the Regiment* reveals the

hitherto unexplored role played by the military in shaping Victorian social policy domestic ideology and attitudes to sexuality Its originality lies in its feminist discussions of an institution notorious as a male stronghold as such it makes a vital contribution to our understanding of the nature of masculinity and women s oppression **The British Army 1815-1914** Harold E. Raugh,2020-03-24 This collection of essays examines the evolution of the British Army during the century long Pax Britannica from the time Wellington considered its soldiers the scum of the earth to the height of the imperial epoch when they were highly respected soldiers of the Queen The British Army during this period was a microcosm and reflection of the larger British society As a result this study of the British Army focuses on its character and composition its officers and men efforts to improve its efficiency and effectiveness and its role and performance on active service while an instrument of British Government policy **Soldiers as Citizens** Nick Mansfield,2019 This is the first exploration of the British army to combine labour political and military history It analyses the political lives of nineteenth century rank and file soldiers in the context of a developing working class culture It focuses on the significant radical and socialist movements alongside influential working class conservatism **Wellington's Legacy** Hew Strachan,1984 **British Military Spectacle** Scott Hughes Myerly,1996 In the theater of war how important is costume And in peacetime what purpose does military spectacle serve This book takes us behind the scenes of the British military at the height of its brilliance to show us how dress and discipline helped to mold the military man and attempted to seduce the hearts and minds of a nation while serving to intimidate civil rioters in peacetime Often ridiculed for their constrictive splendor British army uniforms of the early nineteenth century nonetheless played a powerful role in the troops performance on campaign in battle and as dramatic entertainment in peacetime Plumbing a wide variety of military sources most tellingly the memoirs and letters of soldiers and civilians Scott Hughes Myerly reveals how these ornate sartorial creations combining symbols of solidarity and inspiration vivid color and physical restraint enhanced the managerial effects of rigid discipline drill and torturous punishments but also helped foster regimental esprit de corps Encouraging recruitment enforcing discipline within the military and boosting morale were essential but not the only functions of martial dress Myerly also explores the role of the resplendent uniform and its associated gaudy trappings and customs during civil peace and disorder whether employed as public relations through spectacular free entertainment or imitated by rioters and rebels opposing the status quo Dress drills parades inspections pomp and order as this richly illustrated book conducts us through the details of the creation design functions and meaning of these aspects of the martial image it exposes the underpinnings of a mentality and vision that extends far beyond the military subculture into the civic and social order that we call modernity **Reporting Skin and the Wounded Body in Victorian Britain** Diana Garrisi,2024-12-05 Drawing on a wide range of primary sources this book explains what made skin newsworthy in Victorian Britain It represents a unique contribution to the media history of the human body by delving into the cultural and historical underpinnings of wound representation in Western culture Employing a case study approach the

book provides a comprehensive exploration of the interplay between dermatology and the Victorian press This work suggests that there was a mutually constitutive relationship between skin reporting and the formal evolution of news discourse during the nineteenth century Narratives related to skin such as wounds caused by corporal punishment plagues resulting from neglect in workhouses and occupational skin diseases emerged as defining features of Victorian newspapers Notably media coverage of wounded skin assumed a central rhetorical position in debates pertaining to discipline abuse poverty labour and social norms a legacy still discernible in contemporary journalism Analysing the mediation of the wounded body in Victorian Britain offers a unique insight into the foundations of modern journalism It sheds light on the impossibility of maintaining an objective framework when observing and reporting on bodies in pain Paradoxically news writers and commentators of that era navigated this challenge by encapsulating such narratives within rhetorical constructs that provided a template for the evolution of contemporary news values

Redcoat Richard Holmes,2002 Based on the letters and diaries of the British soldiers who served as the backbone of the army from 1760 to 1860 this illuminating book is rich in the history of a fascinating era of illustrations

Mercenaries: A Guide to Private Armies and Private Military Companies Alan Axelrod,2013-12-27 Mercenaries have been active in battle from the beginning of military history and as private armies and military support firms they are a major component of warfare today Security military advice training logistics support policing technological expertise intelligence transportation all are outsourced to a greater or lesser degree in the U S military However privatization is not a uniquely American phenomenon Countries as diverse as Saudi Arabia and Australia rely on privatization in one form or another Historically heads of state politicians and other administrators have justified use of mercenaries on the basis of their effectiveness and cost savings These reasons and others continue to serve as rationales for use of private military companies in military strategy **Mercenaries A Guide to Private Armies and Private Military Companies** provides a comprehensive survey and guide to mercenary forces entrepreneurs and corporations active on the international military scene today including a concise history of mercenaries and private armies on land sea and in the air Narrative chapters are amply supplemented by sidebars including biographies of major figures key statistics historical and current documents contracts and legislation on private armies and outsourced military services Each chapter includes a bibliography of books journal articles and web sites and a general bibliography concludes the entire work

The Haunting of Alaizabel Cray Chris Wooding,2013-05-06 London has survived war and plague only to face a new horror the Wych Kin All kinds of demons lurk in the labyrinth of the Old Quarter and it is the task of wych hunters such as Thaniel Fox to keep them at bay Then one night he rescues a young woman who has lost her memory the beautiful and vulnerable Alaizabel Cray

Conquer or Die! Ben Hughes,2011-01-01 The true Boy s Own adventure of the British volunteers who survived shipwreck duels mutinies wild animals and malaria to fight with Simon Bolivar 1815 21 In the aftermath of Waterloo over 6 000 British volunteers sailed across the Atlantic to aid Simon Bolivar in his liberation of Gran Columbia from her oppressors in Madrid

The expeditions were plagued with disaster from the start one ship sank shortly after leaving Portsmouth with the loss of almost 200 lives Those who reached the New World faced disease wild animals mutiny and desertion Conditions on campaign were appalling massacres were commonplace rations crude pay infrequent and supplies insufficient Nevertheless those who endured made key contributions to Bolivar s success **The Writers Directory** ,1996 *Utterance, Or, Private Voices to the Public Heart* Caroline Atherton Mason,1852 *Writers Directory* NA NA,2016-03-05 *War and Society: Participation and Remembrance* Albert Grundlingh,2014-12-01 The centenary of the First World War presents historians with an opportunity to reflect anew upon South African participation in that war and particularly the role played by South African black and coloured participants in the conflict Drawing upon a wide range of sources the author analyses the interplay between war and society the expectations of different groupings at the outbreak of war the concerns and constraints which circumscribed the role of black and coloured troops the nature of the recruiting process and the reasons why men enlisted the realities of service in what was South West Africa and East Africa as well as in France and Palestine and the socio political ramifications of war service *Liberal Hearts and Coronets* Veronica Strong-Boag,2015-01-01 Superbly written and informed by decades of research *Liberal Hearts and Coronets* is the first biography to treat John Campbell Gordon as seriously as his better known wife Ishbel Marjoribanks Gordon **Homecoming Heroes** Peter Reese,1992-01-31 It is a sad and shaming but indisputable fact that the reception according to British soldiers on returning to civilian life has for centuries been little short of disgraceful and even in this more enlightened age compares unfavourably with that of many other countries In *Homecoming Heroes* Peter Reese examines the lot of British veteran often still quite a young man on leaving the Armed Forces and assesses the chances of finding suitable employment after his discharge His survey covers a wide canvas going back to the earliest days of the British Army and reveals a sorry tale in which neglect was often the only alternative to downright hostility It is not a story to swell the British breast with pride The efforts of Charles II founder of Chelsea Royal Hospital and later those of the benevolent Marquis of Granby notwithstanding it was not until the later part of the 19th century that an awakening of social conscience stirred certain philanthropic individuals into action Ironically Government reaction was not to the veterans advantage If the matter is now in private hands they argues why should we interfere Mass conscription in two world wars has helped considerable to help break down this uncaring viewpoint but much as Peter Reese forcefully points out remains to be done Let us hope that this timely book will help ameliorate the lot of those about to be cast upon a shrinking job market as a result of the recently announced defence cuts *National Union Catalog* ,1982 Includes entries for maps and atlases

This is likewise one of the factors by obtaining the soft documents of this **Strange Death Of Private White** by online. You might not require more mature to spend to go to the ebook commencement as competently as search for them. In some cases, you likewise complete not discover the publication Strange Death Of Private White that you are looking for. It will very squander the time.

However below, bearing in mind you visit this web page, it will be so totally simple to get as well as download guide Strange Death Of Private White

It will not understand many period as we explain before. You can accomplish it while appear in something else at home and even in your workplace. consequently easy! So, are you question? Just exercise just what we present below as skillfully as evaluation **Strange Death Of Private White** what you later than to read!
