as *Der heilige Skarab* us *The Sacred Scarab* in 1909 it sent shock waves through Viennese society For the first time girls and women caught up in the sex trade were portrayed as human beings not predators or mindless victims The book became a bestseller and was considered one of the most important German novels of the early 20th century Banned as decadent by the Nazis it was forgotten for over 75 years *Red House Alley* is the first complete and uncensored English translation of this landmark work It reveals how the brothel system operated how girls and women were procured and destroyed and how citizens the police and the legal system fostered a trade that public morals condemned Yet Else Jerusalem refuses to accept degradation as the only fate for the women of Red House and in Milada she creates an empowered woman who finds an escape for herself and others Drawing directly from her own observations of the life of sex workers in Freud s Vienna Else Jerusalem crafted a story that even now seems fresh original and relevant *Red House Alley* is destined to take its rightful place as a classic of feminist literature

Chronicle of the Pulitzer Prizes for Poetry Heinz-D. Fischer, 2010-01-13. Joseph Pulitzer had not originally intended to award a prize for poetry. An initiative by the Poetry Society of America provided the initial impetus to establish the prize, first awarded in 1922. The supplement volume chronicles the whole history of how the awards for this category developed, giving an account based mainly on confidential jury protocols from the Pulitzer Prizes office at New York's Columbia University. This volume completes the series *The Pulitzer Prize Archive*.
