Strange Places, Questionable People John Simpson, 1998 In this autobiography BBC foreign news editor John Simpson reflects on his career His experiences range from being punched in the stomach by Harold Wilson posing as a mercenary in Zaire escaping summary execution in Beirut to tangling with the cocaine barons of Colombia *Strange Places Questionable People* John Simpson, 1999-10 *Strange Places, Questionable People* John Simpson, 1998-12-01 For over thirty years John Simpson has travelled the world to report on the most significant events of our time From being punched in the stomach by Harold Wilson on one of his first days as a reporter to escaping summary execution in Beirut flying into Teheran with the returning Ayatollah Khomeini and narrowly avoiding entrapment by a beautiful Czech secret agent Simpson has had an astonishingly eventful career In 1989 he witnessed the Tiananmen Square massacre the fall of the Berlin Wall and the collapse of Communism throughout Eastern Europe and only weeks later in South Africa the release of Nelson Mandela With Simpson's uncanny knack of being in the right place at the right time this autobiography is a ring side seat at every major event in recent global history So vivid I could feel my heart beating Jonathan Mirsky Spectator great stories sometimes harrowing sometimes hilarious Daily Telegraph **Life On Air**, 2008-09-25 Radio Four has been described as the greatest broadcasting channel in the world the heartbeat of the BBC a cultural icon of Britishness and the voice of Middle England Defined by its rich mix encompassing everything from journalism and drama to comedy quizzes and short stories its programmes such as Today The Archers Woman's Hour The Hitchhiker's Guide To the Galaxy Gardeners Question Time and The Shipping Forecast have been part of British life for decades Others less successful have caused offence and prompted derision Born as it was in the Swinging Sixties Radio Four's central challenge has been to change with the times while trying not to lose faith with those who see it as a standard bearer for quality authoritativeness or simply old fashioned BBC values In this first major behind the scenes account of the station's history David Hendy a former producer for Radio Four draws on privileged access to the BBC's own archives and new interviews with key personnel to illuminate the arguments and controversies behind the creation of some of its most popular programmes He reveals the station's struggle to justify itself in a television age favouring clear branding and tightly targeted audiences with bitter disputes between the BBC and its fiercely loyal listeners The story of these struggles is about more than the survival of one radio network Radio Four has been a lightning rod for all sorts of wider social anxieties over the past forty years A kaleidoscopic view of the changing nature of the BBC the book provides a gripping insight into the very nature of British life and culture in the last decades of the twentieth century Margaret Thatcher Jonathan Aitken, 2013-10-14 The complete life of Margaret Thatcher in one volume As Britain's first woman Prime Minister Margaret Thatcher brought about the biggest social and political revolution in the nation's post war history She achieved this largely by the driving force of her personality a subject of endless speculation among both her friends and her foes Jonathan Aitken has an insider's view of Margaret Thatcher's story He is well qualified

to explore her strong and sometimes difficult personality during half a century of political dramas From first meeting her when she was a junior shadow minister in the mid 1960s during her time as leader of the Opposition when he was a close family friend and as a Member of Parliament throughout her years in power Aitken had a ring side seat at many private and public spectacles in the Margaret Thatcher saga From his unique vantage point Aitken brings new light to many crucial episodes of Thatcherism They include her ousting of Ted Heath her battles with her Cabinet the Falklands War the Miners Strike her relationships with world leaders such as Ronald Reagan Mikhail Gorbachev and King Fahd of Saudi Arabia and the build up to the Shakespearian coup inside the Conservative Party which brought about her downfall Drawing on his own diaries and a wealth of extensive research including some ninety interviews which range from international statesmen like Mikhail Gorbachev Henry Kissinger and Lord Carrington to many of her No 10 private secretaries and personal friends Jonathan Aitken's *Margaret Thatcher Power and Personality* breaks new ground as a fresh and fascinating portrait of the most influential political leader of post war Britain

Life, Love, Laughter, Liberty John Osman, 2015-01-30 At a time when journalists all over the world from a sophisticated city like Paris to less developed areas in the Middle East and elsewhere are being targeted by terrorists for murder the author himself a top 20th century correspondent for newspapers television and radio dedicates his work to journalists and broadcasters everywhere as well as to his family He hopes that by reading about the triumphs and disasters of his career other wordsmiths might perhaps learn something useful about how to go about getting news and how not to do so The book is not only an account of an adventurous and action packed life but it is a work that is sometimes deeply serious at other times wryly comical but always thoughtfully reflective The 85 years old author worked all over the world covering historic events meeting and interviewing famous and infamous politicians and other controversial characters reporting wars revolutions and upheaval of all kinds being imprisoned in some countries and deported from others as well as covering much more pleasant events such as royal tours by the Queen Royal Ascot the Centenary Gala Concert of the Royal Opera House in Covent Garden the opening of Disney World in Orlando Florida and the re opening and re erection of the old London Bridge in Lake Havasu City Arizona From the White House in the United States of America to the Kremlin in the former Soviet Union from Buckingham Palace in London to mud huts in Africa caves in the Yemen and a ger or yurt in the Gobi Desert in Outer Mongolia in 100 countries over nearly 70 years John Osman travelled impressively and has lived his long life to the full He has enjoyed writing this book after being inspired to do so by a premature BBC report in 2012 that he was dead

Reporting Humanitarian Disasters in a Social Media Age Glenda Cooper, 2018-10-26 From the tsunami to Hurricane Sandy the Nepal earthquake to Syrian refugees defining images and accounts of humanitarian crises are now often created not by journalists but by ordinary citizens using Twitter Facebook YouTube Instagram and Snapchat But how has the use of this content and the way it is spread by social media altered the rituals around disaster reporting the close if not symbiotic relationship between journalists and aid agencies and the kind of

crises that are covered Drawing on more than 100 in depth interviews with journalists and aid agency press officers participant observations at the Guardian BBC and Save the Children UK as well as the ordinary people who created the words and pictures that framed these disasters this book reveals how humanitarian disasters are covered in the 21st century and the potential consequences for those who posted a tweet a video or photo without ever realising how far it would go

The Balkans and the West Andrew Hammond, 2017-03-02 This collection of essays locates investigates and challenges the manner in which the Balkans and the West have constructed each other since 1945 Scholars from the two sections of the continent explore a wide range of fiction film journalism travel writing and diplomatic records both to analyse Western European balkanism and to study Balkan representations of the West over the last fifty years The first section looks back to the Cold War examining the divergent often favourable images of the Balkans that existed in Western culture as well as the variety of responses that appeared in South East European writings on the West The second section analyses the transitions that took place in representation during the 1990s Here contributors explore both the harsh denigration of the Balkans which came to dominate western discourse after the initial euphoria of 1989 and the emerging tradition of contesting Western balkanism in South East European cultural production Through this dual emphasis the volume exposes the representational practices that help to maintain a deeply divided Europe and challenges the economic and political injustices that result Despite the rise to prominence of postcolonial theory with its awareness of global inequality the current crises in many parts of South East Europe have received scant attention in literary and cultural studies The Balkans and the West addresses this deficiency Ranging in focus from Serbian cinema to Romanian travel literature from Western economic writings to Yugoslav fiction and from public discourse in Albania to NATO's vast propaganda machine the essays offer wide insight into representation and power in the contemporary European context
