Strange Trades:

Strange Trades Paul Di Filippo, 2014-04-01 Full of storytelling that is untamed writing that is superb and tales that are expansive and suggestive a wry romp worthy of your attention Strange Horizons In these eleven stories including Nebula Award finalist Kid Charlemagne Paul Di Filippo applies his armamentarium of vastly varied literary skills to an examination and definition of the outer limits of an almost unbearably mundane sounding subject daily toil or in a word jobs In Spondulix Rory Honeyman desperate to preserve the meager cash flow in his sandwich shop starts offering store coupons that somehow take on a life of their own The Mill is the only place in the universe where Luxcloth treasured and worn by many can be manufactured and only at the direction of one man The Boredom Factory gives meaning to the phrase living to work Keep reading it will be the easiest job you've ever had You can try to escape from the mundane or with the help of Paul Di Filippo you can take a brief meaningful break from it In the vein of George Saunders or Michael Chabon Di Filippo uses the tools of science fiction and the surreal to take a deep richly felt look at humanity His brand of funny quirky thoughtful fast moving heart warming brain bending stories exist across the entire spectrum of the fantastic from hard science fiction to satire to fantasy and on to horror delivering a riotously entertaining string of modern fables and stories from tomorrow now and anytime After you read Paul Di Filippo you will no longer see everyday life quite the same Strange Trades includes an introduction by Bruce Sterling

The Last Trade James Conway, 2013-02-05 James Conway has written the corporate thriller for our age an age when the power of new media and the hunger of Wall Street converge to form a deadly entity capable of bringing the global economy to its knees Drew Havens made a killing for the Rising Fund which thanks to his prognostications was the only hedge operation to anticipate and capitalize on the mortgage crisis of 2008 Havens sees things others can't from the collapse of the American real estate market to the multibillion dollar rise of his ruthless and charismatic boss Havens is rich beyond his dreams but his work has cost him his marriage And now it may cost him his life It starts with the brutal murder of his young protégé and over the course of six days six other brokers around the world each killed after executing a trade linked to the Rising Fund And as the violence escalates to an international level Havens frantically tries to construct a model that will reveal the catastrophic event that only he can see coming and confirm that his boss and the Rising Fund are at the center of it

Trading Fate Graeme Menzies, 2025-09-30 This uniquely west coast take on Canada's origin story focuses on a long forgotten event that nearly led to British Columbia becoming part of the United States Long before a certain American president took to social media to express his desire to make Canada the fifty first state the west coast of what is today called British Columbia found itself in the crosshairs of two imperial powers faced with the

very real possibility of being ceded to the United States In the summer of 1789 a political and trade dispute between the Nuuchah nulth Nation imperial Spain Great Britain and the USA converged in Nootka Sound off Vancouver Island If not for the intervention the King George s Sound Trading Company Vancouver Island and British Columbia s fate could have turned out very differently and the concept of a Canada that extended from Atlantic to Pacific would have been finished before it even began With clear engaging prose author Graeme Menzies lays out the setting intrigue and dynamic cast of characters that ultimately determined Canada s geographical fate Released at a time when imperialism sovereignty and national identity are more relevant than ever this book asks us to ponder the events that shaped a nation and established a relationship between neighbouring countries that has once again become precarious *Southern League* Larry Colton,2013-05-14 Bestselling and award winning author and former major league pitcher Larry Colton shares the story of the Birmingham Barons the first racially integrated team of any sport in the state of Alabama just few months after the horrific 1964 Birmingham church bombing which killed four young black girls Anybody who is familiar with the Civil Rights movement knows that 1964 was a pivotal year And in Birmingham Alabama perhaps the epicenter of racial conflict the Barons amazingly started their season with an integrated team Johnny Blue Moon Odom a talented pitcher and Tommie Reynolds an outfielder both young black ballplayers with dreams of playing someday in the big leagues along with Bert Campaneris a dark skinned shortstop from Cuba all found themselves in this simmering cauldron of a minor league town all playing for Heywood Sullivan a white former major leaguer who grew up just down the road in Dothan Alabama Colton traces the entire season writing about the extraordinary relationships among these players with Sullivan and Colton tells their story by capturing the essence of Birmingham and its citizens during this tumultuous year The infamous Bull Connor for example when not ordering blacks to be blasted by powerful water hoses is a fervent follower of the Barons and served as a long time broadcaster of their games By all accounts the racial jeers and taunts that rained down upon these Birmingham players were much worse than anything that Jackie Robinson ever endured More than a story about baseball this is a true accounting of life in a different time and clearly a different place Seventeen years after Jackie Robinson had broken the color line in the major leagues Birmingham was exploding in race riots and now they were going to have their very first integrated sports team This is a story that has never been told **Letters from England** Carol Bolton,2016-06-03 In 1807 Robert Southey published a pseudonymous account of a journey made through England by a fictitious Spanish tourist Don Manuel Alvarez Espriella *Letters from England 1807* relates Espriella s travels On his journey Espriella comments on every aspect of British society from fashions and manners to political and religious beliefs *Letters from England; In Three Volumes* Don Manuel Alvarez Espriella,2025-08-23 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Republic of Letters** ,1836 *Letters from England, by Don Manuel Alvarez Espriella* Robert
