Fighting Monsters Richard Wallace Braithwaite,2016 Only six escapees survived the Sandakan death marches of 1945 in North Borneo the worst atrocity ever inflicted on Australian soldiers 1787 Australian and 641 British POWs perished Previous descriptions of the numerous violent acts have yielded little understanding of a situation where the real struggle was to keep one s humanity when so many were losing theirs whether Allied POWs local residents of Borneo Javanese slave labourers or Japanese soldiers Understanding this extraordinary story is aided by reference to a wide range of sources in different countries and disciplines and by examining the perspectives of all

players in this terrible game of survival An unusual and extreme POW story the Sandakan tragedy had four stages active resistance in 1942 3 stubborn endurance in 1943 4 the collapse of civilized existence in 1945 and finally the postwar decades of torment for the six damaged survivors the gradual assimilation of the story the healing of the damage and the commemoration of the tragedy by the families and communities involved Richard Wallace Braithwaite's father was one of the six survivors of the Sandakan death marches of 1945 He died in 1986 still wanting the story to be properly told This led to a project that has lasted for much of the last forty years of the author's life culminating in this book With a scientific background Richard worked for many years with CSIRO and universities in the biological and social sciences and in historical research His extensive and diverse research history and lifelong personal immersion in the story has given him a unique perspective in exploring the complexities of the Sandakan tragedy

Borneo Studies in History, Society and Culture Victor T. King, Zawawi Ibrahim, Noor Hasharina Hassan, 2016-08-12 This edited book is the first major review of what has been achieved in Borneo Studies to date Chapters in this book situate research on Borneo within the general disciplinary fields of the social sciences with the weight of attention devoted to anthropological research and related fields such as development studies gender studies environmental studies social policy studies and cultural studies Some of the chapters in this book are extended versions of presentations at the Borneo Research Council's international conference hosted by Universiti Brunei Darussalam in June 2012 and a Borneo Studies workshop organised in Brunei in 2012 The volume examines some of the major debates and controversies in Borneo Studies including those which have served to connect post-war research on Borneo to wider scholarship It also assesses some of the more recent contributions and interests of locally based researchers in universities and other institutions in Borneo itself The major strength of the book is the inclusion of a substantial amount of research undertaken by scholars working and teaching within the Southeast Asian region In particular there is an examination of research materials published in the vernacular notably the outpouring of work published in Indonesian by the Institut Dayakologi in Pontianak In doing so the book also

addresses the urgent matters which have not received the attention they deserve specifically subjects themes and issues that have already been covered but require further contemplation elaboration and research and the scope for disciplinary and multidisciplinary collaboration in Borneo Studies The book is a valuable resource and reference work for students and researchers interested in social science scholarship on Borneo and for those with wider interests in Indonesia and Malaysia and in the Southeast Asian region Visual Celebration of Borneo's Wildlife Fanny Lai,Bjorn Olesen,2016-08-16 This Borneo wildlife pictorial offers nature lovers visitors to Borneo and armchair explorers an unparalleled introduction to this mysterious treasure island Illustrated with more than 350 images taken by Bjorn Olesen and other wildlife photographers A Visual Celebration of Borneo s Wildlife is a photographic tribute to the most spectacular wildlife species on the second largest tropical island on Earth It displays nature s beauty revealing many private moments of the astonishing biodiversity of Borneo where nature runs riot Based on the latest research it is filled with captivating little known facts about the wildlife that modern day travelers may come across when visiting this enchanting island It also describes the top 16 wildlife locations in Borneo with a comprehensive list of recommended reading websites and blogs provided Also included is a foreword by HRH Princess Laurentien of the Netherlands President of Fauna Flora International All of the authors royalties will be donated to Fauna Flora International for nature conservation work in Southeast Asia *Bibliografi Borneo* ,2002 *Book Lust to Go* Nancy Pearl,2010-06-01 Adventure is just a book away as bestselling author Nancy Pearl returns with recommended reading for more than 120 destinations both worldly and imagined around the globe From Las Vegas to the Land of Oz Naples to Nigeria Philadelphia to Provence Nancy Pearl guides readers to the very best fiction and nonfiction to read about each destination Even within one country she traverses decades to suggest titles that effortlessly capture the different eras that make up a region s unique history This enthusiastic literary globetrotting guide includes stops in Korea Sweden Afghanistan Albania Parma Patagonia Texas and Timbuktu Book Lust To Go connects the best fiction and nonfiction to particular destinations whether your bags are packed or your armchair is calling From fiction to memoir poetry to history Nancy Pearl s Book Lust to Go takes the reader on a globetrotting adventure no passport required **All Elevations Unknown** Sam Lightner Jr.,2002-07-09 Sam Lightner Jr combines two tales of adventure one historic and the other modern day in his page turner With its rich sense of place and history All Elevations Unknown offers a surprisingly fresh twist to an adventure climbing tale Climbing Magazine In the spring of 1999 armed with little more than a description from a book and a map labeled all elevations unknown Sam Lightner and his German rock climbing buddy Volker found themselves deep in the jungles of Borneo on a mission to climb a mountain that was only rumored to exist What little they knew about the mountain they had learned from the memoirs of Major Tom Harrisson a British World War II soldier who in 1945 had been assigned the near impossible mission of parachuting blindly into the thick Borneo rainforest where the natives had a grisly habit of cutting off heads to try to reclaim the island for the Allies A captivating utterly original combination of travel adventure memoir and

historical re creation All Elevations Unknown charts Lightner s exhilarating and at times harrowing quest to ascend the mountain Batu Lawi in the face of leeches vipers and sweat bees and to keep his team together in one of the earth s most treacherous uncharted pockets Along the way he reconstructs a fascinating historical narrative that chronicles Tom Harrisson s adventures there during the war and illuminates an astonishing piece of forgotten World War II history Rife with suspense and vivid detail the two intertwining tales open up the island of Borneo its people and its history in a powerful unforgettable way taking adventure writing to new heights

Stranger In The Forest On Foot Across Borneo Introduction

In today's digital age, the availability of Stranger In The Forest On Foot Across Borneo books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Stranger In The Forest On Foot Across Borneo books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Stranger In The Forest On Foot Across Borneo books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Stranger In The Forest On Foot Across Borneo versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Stranger In The Forest On Foot Across Borneo books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Stranger In The Forest On Foot Across Borneo books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Stranger In The Forest On Foot Across Borneo books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries

often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Stranger In The Forest On Foot Across Borneo books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Stranger In The Forest On Foot Across Borneo books and manuals for download and embark on your journey of knowledge?
