good or bad thing EXCERPT FROM THE BOOK There is a great deal of philosophizing in addition to a rather cinematically pleasing display of his special abilities Harshaw also asks Jill to try to learn Martian from Smith in order to better facilitate communication with him The readers learn of Smith s remorse over his using his powers to make the government agents that were chasing them disappear However we also learn that the Martians in the novel s world seem to practice ritualistic cannibalism In fact Smith actually articulates his desire to eat Harshaw s corpse when he passes This does not sit well with Duke Harshaw s manservant who is also in charge of maintaining everything technological within the household Harshaw actually almost fires Duke after the latter shared his misgivings about Smith s apparent cannibalism In fact Duke even refuses to eat at the same table as Smith a sentiment that incites Harshaw s anger Duke would have lost his job had he not also told Harshaw that despite his misgivings about the strange man Duke did not consider Smith dangerous Harshaw tells Duke that he can keep his job so long as he continues to eat at the same table as everyone He also encourages Duke to become Smith s water brother albeit warning him not to take the ceremony lightly Duke seems to represent the typical Westerner s response to Smith s alien culture whereas Harshaw is meant to be more open minded and accepting of individualism Buy the book to continue reading Follow hyperink on Twitter Visit us at [www facebook com hyperink](http://www.facebook.com/hyperink) Go to [www hyperink com](http://www.hyperink.com) to join our newsletter and get awesome freebies CHAPTER OUTLINE Quicklet on Robert Heinlein s Stranger in a Strange Land Robert Heinlein s Stranger in a Strange Land About the Book Introducing the Author Overall Summary Chapter By Chapter Summary and Commentary and much more *CLASSICS Stranger in a Strange Land* Robert Anson Heinlein,
