Strangers In Paradise The Israeli Kibbutz Experience

David Mittelberg

Strangers In Paradise The Israeli Kibbutz Experience:

Strangers in Paradise David Mittelberg, 1988-01-01 The literature on the Kibbutz is large and sprawling This stands in marked contrast to the intimacy and proximity of the individuals who have actually participated in the life of the Kibbutz In this quite remarkable work David Mittelberg succeeds in capturing the specific life styles and aspirations of the Kibbutzniks And he does so by integrating this within the broad and rich traditions of the sociology of culture and religion Strangers in Paradise provides a massive amount of current data on Jewish and non Jewish volunteers division of labor by sex and language of origins demographic characteristics of Kibbutz hosts and recruits and a variety of attitude measures far beyond any other work in the literature But what gives special value to this effort is its unusual utilization of the phenomenological tradition from Simmel to Schutz to Berger and Luckmann along with recent efforts in organization and negotiation theory from Blau to Goffman in order to explicate this massive data A special element in this volume is the central place accorded to voluntarism in an open culture For Mittelberg membership in the Kibbutz is at its core a voluntary act of individuals who commit their lives or a portion thereof to a collective movement in a strange land This is a study then in intentional communities rather than Utopian organizations The synthesis of the concrete and the abstract the empirical and the theoretical will establish Mittelberg s volume as a new standard in Kibbutz studies

Strangers in Paradise David Mittelberg, 1988-01-01 The literature on the Kibbutz is large and sprawling This stands in marked contrast to the intimacy and proximity of the individuals who have actually participated in the life of the Kibbutz In this quite remarkable work David Mittelberg succeeds in capturing the specific life styles and aspirations of the Kibbutzniks And he does so by integrating this within the broad and rich traditions of the sociology of culture and religion Strangers in Paradise provides a massive amount of current data on Jewish and non Jewish volunteers division of labor by sex and language of origins demographic characteristics of Kibbutz hosts and recruits and a variety of attitude measures far beyond any other work in the literature But what gives special value to this effort is its unusual utilization of the phenomenological tradition from Simmel to Schutz to Berger and Luckmann along with recent efforts in organization and negotiation theory from Blau to Goffman in order to explicate this massive data A special element in this volume is the central place accorded to voluntarism in an open culture For Mittelberg membership in the Kibbutz is at its core a voluntary act of individuals who commit their lives or a portion thereof to a collective movement in a strange land This is a study then in intentional communities rather than Utopian organizations The synthesis of the concrete and the abstract the empirical and the theoretical will establish Mittelberg s volume as a new standard in Kibbutz studies

New Israeli Horror Olga Gershenson, 2023-11-10 Before 2010 there were no Israeli horror films The next decade saw a blossoming of the genre by young Israeli filmmakers New Israeli Horror is the first book to tell their story Through in depth analysis engaging storytelling and interviews with the filmmakers Olga Gershenson explores their films from inception to reception

Narratives of Learning Through International

Professional Experience Ange Fitzgerald, Graham Parr, Judy Williams, 2017-07-31 This book presents a collection of research based narratives exploring the learning of pre service teachers and teacher educators in a range of international professional experience IPE settings The narratives based on over 20 years of IPE managed by an Australian faculty of education capture the lessons learnt from the IPE program from a variety of perspectives including academic staff pre service teachers and in country partners Four key themes emerge from the narratives identity learning through discomfort collaboration and relationships At a time when critics of teacher education are arguing for more predictable standardised programs and practices this book advocates for richly diverse innovative programs that better prepare the next generation of educators for teaching in a multicultural uncertain future

Historical Dictionary of Israel Bernard Reich, David H. Goldberg, 2016-08-30 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate mainly Jewish immigrants of disparate backgrounds into a modern and advanced democratic state and society Israel has preoccupied observers scholars and journalists since its independence in May 1948 Although a Jewish state Israel is also a democratic state that guarantees the rights of all of its citizens including its large Arab and Moslem minority in law and in practice Israel and its modern history and politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad This third edition of Historical Dictionary of Israel contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1100 cross referenced entries on significant persons places events government institutions political parties and battles as well as entries on Israel s economy society and culture This book is an excellent access point for students researchers and anyone wanting to know more about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state of Israel

The Renewal of the Kibbutz Raymond Russell, Robert Hanneman, Shlomo Getz, 2013-05-15 We think of the kibbutz as a place for communal living and working Members work reside and eat together and share income from each according to ability to each according to need But in the late 1980s the kibbutzim decided that they needed to change Reforms moderate at first were put in place Members could work outside of the organization but wages went to the collective Apartments could be expanded but housing remained kibbutz owned In 1995 change accelerated Kibbutzim began to pay salaries based on the market value of a member s work As a result of such changes the renewed kibbutz emerged By 2010 75 percent of Israel s 248 non religious kibbutzim fit into this new category This book explores the waves of reforms since 1990 Looking through the lens of organizational theories that predict how open or closed a group will be to change the authors find that less successful kibbutzim were most receptive to reform and reforms then spread through imitation from the economically weaker kibbutzim to the strong

Human Ecology as Human Behavior John W. Bennett, 2017-07-05 Human interaction with the natural environment has a dual character By turning increasing quantities of natural substances into physical resources

human beings might be said to have freed themselves from the constraints of low technology survival pressures. However, the process has generated a new dependence on nature in the form of complex socio-natural systems as Bennett calls them in which human society and behavior are so interlocked with the management of the environment that small changes in the systems can lead to disaster. Bennett's essays cover a wide range from the philosophy of environmentalism to the ecology of economic development from the human impact on semi-arid lands to the ecology of Japanese forest management. This expanded paperback edition includes a new chapter on the role of anthropology in economic development. Bennett's essays exhibit an underlying pessimism if human behavior toward the physical environment is the distinctive cause of environmental abuse, then reform of current management practices offers only temporary relief that is conservationism like democracy must be continually reaffirmed. Clearly presented and free of jargon, *Human Ecology as Human Behavior* will be of interest to anthropologists, economists, and environmentalists.

Volunteer Tourism Angela M. Benson, 2010-12-14 Volunteer Tourism is one of the major growth areas in contemporary tourism where tourists for various reasons seek alternative goodwill experiences and activities. To meet this demand, there has been a surge in volunteer programmes offered in a range of destinations organized by a variety of charities and tour operators which is predicted to continue to grow in the future. Volunteer Tourism provides an in-depth analysis of the complex issues associated with traditional and contemporary volunteer tourism. Reflecting the growth in this phenomenon, this book provides a cohesive collection of chapters written from a range of international expert scholars and researchers. The theoretically rich, practically applied, and empirically grounded contributions are based on current and diverse research in the area. This groundbreaking volume explores topics which have not been addressed in the literature before, such as the impact on host communities, introducing new areas and ideas to the field. The diverse range of themes are identified and addressed, including volunteer tourism and sustainability, to uniquely the examination of volunteer tourism stakeholders, volunteers themselves, the host to guest exchange, and the organizations and management of volunteers. These themes are examined in a range of international case studies demonstrating the wide range of issues associated with volunteer tourism. This volume is a timely addition offering an innovative approach to the area. Volunteer Tourism will be of interest to both students and researchers interested in tourism, leisure, and development, as well as non-academics, practitioners, NGOs, government officials at all levels.

Palestinian Citizens in Israel Manar H. Makhoul, 2020-03-02 This book uses the methodology of sociology and literary studies to come to terms with the reality of Palestinian citizens of Israel across several generations. It explores the evolution of Palestinian identity from one that struggled for independence and self-determination up to 1948 to one that now presses the call for civil rights and civic equality. What were the forces that shaped this transformation over six decades? Traditional sociological research on this community focusses on the structural relationships between Israel and its Palestinian citizens. Primarily concerned with the political discourse and activism of this community, it mostly makes use of party agendas, voting patterns, and opinion polls, as

primary indicators In contrast this book focuses on the Palestinian voice through an analysis of the 75 novels published by Palestinian citizens of Israel from 1948 to 2010 Paying attention to processes that are internal to this community the author identifies the intellectual and ideological forces that drove major social and political transformations in this community over this period **Zion in the Desert , Politics and Society in Modern Israel** Adam Garfinkle,2015-03-04 With full coverage of recent dramatic events in Israeli politics from the Rabin assassination through the May 1996 elections this work provides an up to date introduction to Israeli politics and society It seeks to convey a strong sense of everyday life in Israel the nuances and contradictions of Israeli identity the ethnic composition and institutional structure of Israeli society as well as Israeli political culture and the issues that dominate the country s domestic and foreign policy **Kibbutzniks in the Diaspora** Naama Sabar,2012-02-01 Under what circumstances would kibbutz born young people leave a society which symbolizes more than anything else the Zionist dream Naama Sabar explores this question by examining the lives of a group of Israeli emigrants living in Los Angeles in the 1980s and early 1990s Through extensive interviews in which these kibbutzniks share their life stories she uncovers what pushed them to leave the kibbutz and what pulls them to remain in L A The underlying leitmotif is the search for identity under changing conditions *The Israeli Diaspora* Steven J. Gold,2005-06-29 Winner of the 2003 Thomas and Znaniecki Award this book based on extensive research in all of the major Israeli communities including New York Paris and London looks at their reasons for leaving their relations with Israelis who have not left and with the Jewish and non Jewish communities in the countries in which they settle as well as those who after years of emigration decide to return **Exile From Argentina** Eduardo D. Faingold,2023-10-01 Eduardo Faingold chronicles his family s experiences before during and after the military dictatorship in Argentina 1976 1983 He uses his diaries interviews in Latin America and Israel documents and pictures given to him by his family and friends and studies the works of political scientists historians and journalists He begins with his family history from the time when his ancestors immigrated in the 19th century from Byelorussia and Bessarabia to Argentina as a part of the Baron de Hirsch s emigrant wave that established farming villages in the provinces of Santa Fe and Buenos Aires Then using his family s history as background he discusses his life as an exile in Israel and Denmark from 1976 to 1979 his return to Argentina to comply with his military service in the Argentine Marine Infantry and his return to Israel in 1980 In a revealing preface to the second edition of Exile from Argentina the author updates the family history and notes some important political events in Argentina and Israel in the 1980s and beyond that help contextualize the author s experiences Notably as the author points out in this new preface to Exile from Argentina by the end of the first quarter of the 21st century all his siblings and their families as well as his mother the descendants of his ancestors who emigrated to Argentina from Byelorussia and Bessarabia at the turn of the 19th century to escape the violence of the Russian pogroms are now scattered in five continents living their lives in cultures as varied as those of the United States Brazil Israel Norway Sweden and Australia Finally this new edition of Exile

from Argentina features a trove of historical photos and documents of the author and his family which were not included in the first edition of the book **Doubting the Devout** Nora L Rubel, 2009-11-06 Before 1985 depictions of ultra Orthodox Jews in popular American culture were rare and if they did appear in films such as *Fiddler on the Roof* or within the novels of Chaim Potok they evoked a nostalgic vision of Old World tradition Yet the ordination of women into positions of religious leadership and other controversial issues have sparked an increasingly visible and volatile culture war between America's ultra Orthodox and non Orthodox Jews one that has found a particularly creative voice in literature media and film Unpacking the work of Allegra Goodman Tova Mirvis Pearl Abraham Erich Segal Anne Roiphe and others as well as television shows and films such as *A Price Above Rubies* Nora L Rubel investigates the choices non haredi Jews have made as they represent the character and characters of ultra Orthodox Jews In these artistic and aesthetic acts Rubel recasts the war over gender and family and the anxieties over acculturation Americanization and continuity More than just a study of Jewishness and Jewish self consciousness *Doubting the Devout* will speak to any reader who has struggled to balance religion family and culture

City on a Hilltop Sara Yael Hirschhorn, 2017-05-22 Since Israel's 1967 war more than 60 000 Jewish Americans have settled in the occupied territories transforming politics and sometimes committing shocking acts of terrorism Yet little is known about why they chose to live at the center of the Israeli Palestinian conflict Sara Yael Hirschhorn unsettles stereotypes about these liberal idealists **Utopia in Zion** Raymond Russell, 2012-02-01 Although less famous than Israel's cooperative agricultural settlements the kibbutzim and moshavim Israeli urban worker cooperatives have an equally long and rich history Well over a thousand such organizations have been established in what is now Israel since early in this century This book provides a historical social and economic analysis of contemporary urban worker cooperatives focusing on processes affecting their formation and dissolution their use of nonmember labor and the evolution of their democratic decision making practices over time Raymond Russell examines these cooperatives for the light they can shed on worker ownerships and worker cooperatives in general and on Israeli society in particular Applying a range of sociological and economic theories to examine the dynamics of these organizations over time he finds that both their formation and their later development have been strongly influenced by the uniquely utopian social and economic conditions that prevailed in Jewish Palestine in the first half of the twentieth century **Echoes of the Call** Jeffrey Swanson, 1995-06-29 Drawing on the personal histories of one hundred evangelical missionaries in Ecuador *Echoes of the Call* explores the lives of missionaries as sociological strangers In a study as compelling as it is insightful Jeffrey Swanson illustrates how missionaries are distanced not only from their culture and homeland but also from their own era The work begins with Swanson's interpretation of how his own experience as a child of missionaries shaped the viewpoint of estrangement from which the book is written Swanson renders the formation of a missionary identity as the rhetorical composition of a personal testimony in which life stories of separation loss conflict and conversion are melded symbolically with historical mission themes of sacrifice heroism spiritual

militancy and divine calling Relying on his subjects own narratives he traces the missionaries personal journeys as their sense of calling first emerges and then as it must be reinterpreted to account for unexpected ambiguous and often disillusioning experiences in their host country Swanson argues that missionaries are marginal individuals who use their vocation creatively to produce a meaningful social world and who use rhetoric effectively to maintain that world for themselves and for supporters in their home countries An informative and nuanced study this book is a significant contribution to present sociological literature concerning missionaries and American evangelicals Anyone interested in the sociology of religion culture and folklore will find *Echoes of the Call* to be a valuable and intriguing work

Christian Tourism to the Holy Land Noga Collins-Kreiner, Nurit Klot, Yoel Mansfeld, Keren Sagi, 2017-05-15 The historic phenomenon of pilgrimage is experiencing a resurgence around the world A journey resulting from religious causes it not only provides a spiritual experience but also one of new environments cultures and peoples and is often undertaken as a guided tour Yet pilgrimage as a mode of tourism has been little investigated This book adds considerably to our knowledge by focusing on one specific pilgrimage voyage that to the Holy Land during times of security crisis there In doing so it examines this tourism journey in relation to constraints and high levels of risk experienced by the pilgrims It explores both the behavioural aspects of undertaking pilgrimage to such an insecure situation and the impacts of such crisis on the host tourism infrastructure and industry It therefore not only provides insights into pilgrimage as tourism and into this particular country s experience but also offers an integrative approach to tourism crisis management

Contemporary Tourism Chris Cooper, Colin Michael Hall, 2008 Now in its second edition *Contemporary Tourism* an international approach presents a new and refreshing approach to the study of tourism considering issues such as the changing world order destination marketing tourism ethics pro poor tourism and implications for the patterns and flow of tourism in the future

Strangers In Paradise The Israeli Kibbutz Experience Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Strangers In Paradise The Israeli Kibbutz Experience free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Strangers In Paradise The Israeli Kibbutz Experience free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying

the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Strangers In Paradise The Israeli Kibbutz Experience free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Strangers In Paradise The Israeli Kibbutz Experience. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Strangers In Paradise The Israeli Kibbutz Experience any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Strangers In Paradise The Israeli Kibbutz Experience Books

1. Where can I buy Strangers In Paradise The Israeli Kibbutz Experience books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
