Saltz, 2022-02-14 This volume collects original essays on Hungarian German playwright and screenwriter George Tabori 1914 2007 and his remarkable contributions to the stage Tabori a Jewish refugee and a truly transnational author was best known for his work in New York theater that irreverently explored the Jewish experience particularly the Holocaust Although his illustrious career spanned a century two continents several languages and a variety of literary genres Tabori s work has received scant attention in American letters in spite of its significance for U S theater and Holocaust studies Until Tabori most dramas about the Holocaust were either rooted in American domestic realism striving to create a strong empathetic connection between the audience and Holocaust victims or featured an unembellished documentary style Tabori staked out a third position beyond realism and documentation The volume brings together the voices of international scholars to provide a comprehensive introduction to Tabori s theater as well as in depth analyses of his work discussing all of his major plays Individual essays address Tabori s postdramatic theater in relation to sacrificial ritual performance studies and post humanist approaches to the contemporary stage as well as performance aspects of his productions questions of ethics and aesthetics raised by his theater and his plays relation to Holocaust representation in popular culture *Theaters of the Everyday* Jacob Gallagher-Ross, 2018-04-15 Theaters of the Everyday Aesthetic Democracy on the American Stage reveals a vital but little recognized current in American theatrical history the dramatic representation of the quotidian and mundane Jacob Gallagher Ross shows how twentieth century American theater became a space for negotiating the demands of innovative form and

democratic availability Offering both fresh reappraisals of canonical figures and movements and new examinations of theatrical innovators *Theaters of the Everyday* reveals surprising affinities between artists often considered poles apart such as John Cage and Lee Strasberg and Thornton Wilder and the New York experimentalist Nature Theater of Oklahoma Gallagher Ross persuasively shows how these creators eschew conventional definitions of dramatic action and focus attention on smaller but no less profound dramas of perception consciousness and day to day life Gallagher Ross traces some of the intellectual roots of the theater of the everyday to American transcendentalism with its pragmatic process philosophy as well as its sense of ordinary experience as the wellspring of aesthetic awareness Ritual Performance in Early Chinese Thought

Thomas Radice, 2024-11-14 Examining early Chinese ritual discourse during the Warring States and early Western Han Periods this book reveals how performance became a fundamental feature of ritual and politics in early China Through a dramaturgical lens Thomas Radice explores the extent to which performer spectator relationships influenced all aspects of early Chinese religious ethical and political discourse Arguing that the Confucians conceived ritual as primarily a dramaturgical matter this book demonstrates not only that theatricality was necessary for expression and deception in a community of spectators but also how a theatrical presence ultimately became essential to all forms of public life in early China Thomas Radice illuminates previously unexplored connections between early Chinese texts aesthetics and traditions

Techniques of Acting Ronald Hayman, 2024-11-01 Originally published in 1969 this was the first book of its kind an attempt to describe the different approaches that the actor needs to make to different media theatre film and television and to show how the art of acting which never stops evolving had entered into a new phase of growth in the sixties Ronald Hayman examines questions which are basic but had often been ignored What exactly goes on inside the actor's mind while he is preparing a part How much do actors vary in their approach Where does personality stop and technique begin This wide ranging study of the actor at work is based partly on what outstanding actors have said about their methods but chiefly on close analysis of actual performances in plays films and on television Laurence Olivier Helene Weigel Jeanne Moreau and many others are both examined in close up and viewed in perspective against the giants of the past like Bernhardt and Salvini
