Strategic Human Resource Management at Tertiary Level Murli D. Tiwari, Iti Tiwari, Seema Shah, 2022-09-01 Owing to the revolution in information technology the face of the contemporary workplace has changed and systems have been made more effective by introducing new techniques of Information Technology In this book we focus on HRM and how modern technology is helping in ensuring the effectiveness of HR functions This would indicate that HRIS was viewed rather favorably as an administrative tool but not a strategic one This volume covers all these aspects

Armstrong's Handbook of Human Resource Management Practice Michael Armstrong, Stephen Taylor, 2023-01-03

Armstrong's Handbook of Human Resource Management Practice is the definitive resource for HRM students and professionals helping readers understand and implement HR to align with business needs. This book provides detailed coverage of all areas essential to the HR function such as employment law, employee relations, learning and development, performance management, and reward management. It also covers the HR skills needed to ensure professional success including leadership, managing conflict, interviewing, and using statistics. It is illustrated throughout in full colour and has a range of pedagogical features to consolidate learning such as source review boxes, key learning points, and case studies from international organizations such as IBM, HSBC, and Johnson and Johnson. This fully updated 16th edition includes new chapters on managing remote workers and developments in digital human resource management practices. There are also updates to reflect the changes throughout the HR function such as performance leadership, smart reward, and employee wellbeing. Armstrong's Handbook of Human Resource Management Practice is suited to both professionals and students of undergraduate and postgraduate degrees. It is also aligned with the Chartered Institute of Personnel and Development (CIPD) profession map so can be used by those studying the Associate Level 5 and Advanced Level 7 qualifications. Online supporting resources include comprehensive handbooks for lecturers and students, lecture slides, all figures and tables, toolkits, and a literature review, glossary, and bibliography.

Business 0000000000, 2003 *Programs and Services for Federal Court Personnel Available from the Court Education Division*, **Work, Postmodernism and Organization** Philip Hancock, Melissa Tyler, 2001-01-22. Work, Postmodernism and Organization provides a wide-ranging and very accessible introduction to postmodern theory and its relevance for the cultural world of the work organization. The book provides a critical review of the debates that have shaped organization theory over the past decade, making clear the meaning and significance of postmodern ideas for contemporary organization theory and practice. Work, Postmodernism and Organization will provide valuable material to advanced undergraduate and postgraduate students of organization theory, organizational behaviour, industrial sociology, and more general business management and sociology courses.
