Take What You Will:

If I Could Take It, I Will Make It Edwin Ferraro, 2020-01-20 I know that to see the truth in myself and the things to work on myself are the most important The sooner we see the things the better person we can become This is to show how we can all come through the tough times We battle with a smile Even though we might not see it right away we all have this inside of ourselves I try to show with my personality and smiles to others even on the tough days to try and help people through their tough times to have the self awareness to constantly try and be the best version of myself possible It s about who we become and what we can give back

I Will Take You to Broceliande Elizabeth Muhlhaus, 2019-03-27 It is a mystery story and a detective story about mankind s primordial quest for peace on earth which first requires that we understand how peace gets destroyed And like the thrillers on TV that reveal clues slowly you will see a crescendo of mysteries that I knew were clues if I could just figure them out Those tough experiences were simply what I had to go through to develop the sensitivity to subliminal signals in nature that I never would have been able to pick up if my life had only been happy and easy Yet the story is peppered with exhilarating moments of transcendence love and naivete Wonderful experiences dotted this life like pecans in cinnamon rolls

I Will Take This To The People. PETER KELLICK, 2010-03-12 I said to this man who do you think I am and he said God and I said Then God I am then And that man is my son we are not into niceties this second time around Contact made with leaders who are in charge of the people on my land to lift all up and out of it to where all has been made ready they said no They stole it they have not budged an inch in 2000 years I will take this to the people

The Star Will Take You Out of Darkness Ruzanna Khachatryan, 2022-08-13 2 I grew up in Armenia English is my third language and I apologize for any grammatical mistakes that you may find in this book It is incredible that now as I look back I can clearly see how God was accomplishing His promises by orchestrating my actions in such a precise way and layering my life taking me back and forth back and forth and proving his existence in my life That s the reason you have this book in your hands When I finished my writing I was worried about whether or not I was doing the right thing I wondered What if my decision is wrong What if I m not qualified for this I don t know anything about the Bible Who am I to honor Jesus Christ with my work The voice of fear was so loud that it was keeping me away to being worthy to testify about Him But then He gave me the supernatural It was a Sunday at 1 57 on Easter morning when the brightest biggest light surrounded by a beautiful luminous blue light hit my face twice like a heartbeat The next day incredibly I became a painter without even knowing anything about painting or drawing This miracle was God s evidence and verification for my book At this moment as I m writing I can t stop my tears I understood that my stories were not given to me just to enjoy myself but they were given for a reason maybe to be a key to open lots of closed or troubled souls to God as has indeed happened with my own soul This was my assignment to write everything down without adding or removing a single detail so that you will believe that Jesus Christ is real and He exists I m not a miracle worker nor have I been anointed with some supernatural power to convince you but I know that my
