Taking Care Of Me The Habits Of Happiness Paperback:

Taking Care of Me: The Habits of Happiness Mary Kay Mueller, **8 to Your Ideal Weight** MK Mueller, 2017-01-10
Mueller's approach to regaining your well being is about so much more than losing weight. It is about listening to and honoring your body, mind, and heart. Dr. Michelle Robin, host of the Small Changes Big Shifts podcast, says, "Why do most diets fail? Because mental preparation is the most important first step, and most diets neglect this essential mind/body aspect." Because of this, MK Mueller's journey to her ideal weight was forty years in the making, with a trail of unsuccessful attempts in her wake. Now she shares her tried and true sugar-free diet based on an eight-step program that will help you reach your ideal weight goal and most importantly, stay there. With her encouragement and gentle guidance, you can let go of the burden of living life as a weight number and reclaim your self-esteem and personal power. Her program is not about losing weight but releasing pounds that no longer serve you that hold you back and drag you down, make you feel bad about yourself, and leave you vulnerable to health risks. Adjust your attitude first, then adjust the way you eat. MK Mueller's **8 to Your Ideal Weight** will help you achieve your goals and motivate you to keep going. Her powerful 8-step process offers a path for readers to not only release weight but to follow their passion and discover their personal greatness. Dr. Francois Sauer, MD, author of *Relearn, Evolve, and Adapt*.
