Taking Discipleship Seriously A Radical Biblical Approach:

Taking Discipleship Seriously Tom Sine, 2020-07-29 When Jesus calls us to follow him he is not looking for occasional use of our gifts he wants our lives With this bold challenge Tom Sine calls on today's Christians to recapture the total commitment of first century disciples who truly lived out their faith in answer to Christ's call Such a radical biblical view of God's kingdom has implications touching every area of a Christian's life as well as a far reaching effect on the larger mission of the church Sine urges churches to set aside self involved agendas to seek God's will in a world of exploding needs They are encouraged to become agents of change in their communities to improve the plight of needy __ persons with a hand up rather than a handout As individuals and study groups read how Christians have placed concern for God's kingdom above personal desires they will be stimulated to think deeply about their responses to Christ's invitation Follow me

Gospel-Centered Youth Ministry Cameron Cole, Jon Nielson, 2016-02-12 Youth ministry is an essential part of most evangelical churches And yet there is a surprising lack of resources written specifically for youth workers focused on viewing all aspects of youth ministry through a gospel focused lens Featuring contributions from a host of experienced youth workers from a wide variety of churches this how to manual offers guidance related to every facet of youth ministry from planning short term mission trips to working with parents Theologically rooted yet eminently practical this handbook will equip youth leaders to effectively shepherd the young people under their care training them to live faithfully in their homes churches and schools

Following the Master Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In *Following the Master* Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers
