Taking Sides Robert Louis DelCampo, Diana S. DelCampo, 2006 *Taking Sides Clashing Views in Childhood and Society* Sixth Edition is a debate style reader designed to introduce students to controversies in childhood and society. The readings which represent the arguments of leading child behaviorists and social commentators reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework. For each issue the editor provides a concise introduction and postscript summary. The introduction sets the stage for the debate as it is argued in the yes and no readings and the postscript briefly reviews the opposing view and suggests additional readings on the controversial issue under discussion. By requiring students to analyze opposing viewpoints and reach considered judgments *Taking Sides* actively develops students' critical thinking skills. It is this development of critical thinking skills that is the ultimate purpose of each of the volumes in the widely acclaimed *Taking Sides* program. *Taking Sides Childhood and Society* Diana S.
