Tale From The Thinking Rocking Chair:

Tales from the Thinking Rocking Chair Maria Estrada Tobener, 1985 The Lost Man and Other Tales Tony Duncan, 2023-08-18 When our two children were small we lived on a small farm near Exeter The farmyard was immediately outside the house which meant I could spend a little time with our two sons at their teatime and go indoors again when they were bathed and put to bed My wife would read to them and then I would As they got older I would tell them stories too often involving input from them too Hence the idea of creating stories as well as just reading other people's writing A few years later I felt the need for the extra income so I did a one year teacher training course at St Luke's College and took a part time job at our local secondary school teaching slow readers A colleague there a teacher of English heard of my occasional scribbles and asked for some short stories for her to use in class This worked surprisingly well For a number of reasons we sold the farm in 1978 and moved to a house with a three acre paddock near Kingsbridge I became a full time teacher with multiple handicapped teenagers Not much time for writing Also in later years when we were gardening beside the River Dart a few miles downriver from Totnes there was no time for writing However when we sold our smallholding and retired to Totnes in 2000 I took up writing again and got down to it more seriously This book is the result of my scribbles over the last 20 years WITH BLOOD, FROM BRITAIN: 350+ Murder Mystery Novels, True Crime Stories & Detective Tales Agatha Christie, Edgar Wallace, Arthur Conan Doyle, Wilkie Collins, R.
