Irish Rogues and Rascals - From Francis Shackleton to Charlie Haughey Joseph McArdle, 2007-10-16 Irish history is littered with rogues larger than life characters who range from cheeky scamps to vicious chancers In Irish Rogues and Rascals Joseph MacArdle looks at some of the most notorious Irishmen to find out just exactly what a rogue is Is it a dastardly knave a cheeky rascal or a devilish trickster Is it a lovable scamp or is it someone who is charming and delightful but with a bit of mischievousness and sauciness thrown into the mix as well Whatever the answer the fascinating collection of Irish rogues in Joseph McArdle s hilarious book Irish Rogues and Rascals embraces vicious chancers at one extreme and lovable imps at the other These Irish rogues and rascals range from Myler Magrath a sixteenth century character who loved wine women and money and who was both Catholic Bishop of Down and Connor and Protestant Archbishop of Cashel at the same time through to Tiger Roche the infamous eighteenth century rake and duellist who drank and fought his way from Ireland to Cape Town They include more modern figures such as Paul Singer a fraudster who tricked countless people out of their hard earned money in the 1950s and Des Traynor the mastermind of Irish tax evasion schemes for much of the late twentieth century and not forgetting the most accomplished political rogue of modern times Charles J Haughey Joseph McArdle writes with affection about his colourful rogues usually seeing more to admire in their cleverness and brazenness than to deplore in the results of their conduct His rogues may not always be honourable but they usually are fun and their stories make compelling reading Irish Rogues and Rascals Table of Contents Preface The spinning bishop Myler Magrath Eighteenth century rogues Garrett Byrne James Strange John M Naghtan Fighting Fitzgerald George Robert Fitzgerald This wicked prelate Frederick Hervey Bishop of Derry Tiger Roche and the giant wheel The jewels in the crowns Colonel Blood and Francis Shackleton The Sinn Fein irreconcilable Robert Erskine Childers Speak some good of the dead John DeLorean The deadly charmer James H Lehman The man with the golden touch Paul Singer Tear him for his bad verses Francis Stuart The tribunal rogues Charles Haughey Des Traynor Patrick Gallagher Ray Burke Liam Lawlor

Marxist Perspectives on Irish Society Odette Clarke, Jean Ryan Hakizimana, Paul M. Hayes, 2011-07-12 This book involves a conscious attempt to bridge progressive academic scholarship with activist groups and communities in Ireland and beyond Taking Howard Zinn s maxim You can t be neutral on a moving train seriously the book attempts to examine Irish society as much as it is possible to do so from the point of view of those who are actively fighting against ongoing attacks on the pay conditions rights and protections that were won by working people through the decades of the twentieth century This effort comes at a time when the predatory nature of the capitalist system is being revealed on a daily basis and its consequences exacerbated simultaneously across the globe The chapters deal with the various impacts of world capitalism in Ireland from the revolutionary upheavals of the early twentieth century to the current economic crash The individual perspectives of contributing scholars and activists differ substantially they would not usually be found within the same publication Nonetheless they collectively

manage to highlight the capitalist character of Irish society and provide an analysis of its features that is specifically Marxist They demonstrate that there are alternative ways of looking at Irish history Irish political economy and the issues currently impacting on the working population and various marginalised or vulnerable groups They show that the class struggle continues unabated and that progressive social change now more than ever requires the development of an organised resistance

The Irish Art of Controversy Lucy McDiarmid, 2018-07-05 Controversies are high drama in them people speak lines as colorful and passionate as any recited on stage In the years before the 1916 Rising public battles were fought in Ireland over French paintings a maverick priest Dublin slum children and theatrical censorship Controversy was popular wrote George Moore especially when accompanied with the breaking of chairs In her new book Lucy McDiarmid offers a witty and illuminating account of these and other controversies antagonistic exchanges with no single or no obvious high ground They merit attention in her view not because the Irish are more combative than other peoples but because controversies functioned centrally in the debate over Irish national identity They offered to everyone direct or vicarious involvement in public life the question they articulated was not Irish Ireland or English Ireland but whose Irish Ireland would dominate when independence was finally achieved The Irish Art of Controversy recovers the histories of the man who died for the language Father O Hickey who defied the bishops in his fight for Irish Gaelic Lady Gregory and Bernard Shaw s defense of the Abbey Theatre against Dublin Castle and the 1913 Save the Dublin Kiddies campaign in which priests attacked socialists over custody of Catholic children The notorious Roger Casement British consul Irish rebel humanitarian poet forms the subject of the last chapter which offers the definitive commentary on the long lasting controversy over his diaries McDiarmid s use of archival sources especially little known private letters indicates the way intimate exchanges as well as cartoons ballads and editorials may exist within a public narrative In its original treatment of the rich material Yeats called intemperate speech The Irish Art of Controversy suggests new ways of thinking about modern Ireland and about controversy s bluff bravado and improvisational flair
