Travel and Transformation Garth Lean, Russell Staiff, 2016-02-24 Travel and tourism have a long association with the notion of transformation both in terms of self and social collectives What is surprising however is that this association has on the whole remained relatively underexplored and unchallenged with little in the way of a corpus of academic literature surrounding these themes Instead much of the literature to date has focused upon describing and categorising tourism and travel experiences from a supply side perspective with travellers themselves defined in terms of their motivations and interests While the tourism field can lay claim to several significant milestone contributions there have been few recent attempts at a rigorous re-theorization of the issues arising from the travel transformation nexus The opportunity to explore the socio cultural dimensions of transformation through travel has thus far been missed Bringing together geographers

sociologists cultural researchers philosophers anthropologists visual researchers literary scholars and heritage researchers this volume explores what it means to transform through travel in a modern mobile world In doing so it draws upon a wide variety of traveller perspectives including tourists backpackers lifestyle travellers migrants refugees nomads walkers writers poets virtual travellers and cosmetic surgery patients to unpack a cultural phenomenon that has captured the imagination since the very first works of Western literature

Propose Your Book Patricia Fry, 2015-08-25 Authors are the CEOs of their books and their book proposals are their business plans Most agents and publishers require a proposal before ever setting eyes on a manuscript and it is a crucial element in getting published

Writing a proposal can also help an author to write the right book for the right audience and to more successfully pitch a book to the right agent or publisher. *Propose Your Book* offers a clear understanding of the book proposal process in today's fiercely competitive publishing climate. It includes the most up-to-date concepts in writing a book proposal, insider tips from the agents and publishers, examples of actual proposals from publishers' files, covering proposals for nonfiction, fiction, and children's books. Patricia Fry provides a hands-on approach from an experienced writer's perspective. *Propose Your Book*, enriched with innovative and tried-and-true strategies, is a complete guide to perfecting contemporary proposals that will sell writers' books. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Learning to Fly Steph Davis, 2015-11-03. Traces the story of the first woman to free climb the Salath Wall in Yosemite, describing how her husband's controversial goals and related media fallout compromised her marriage and prompted her transition to skydiving, an endeavor that helped her find the courage to love again in the wake of heartbreaking losses.

Charting the Unknown Kim Petersen, 2010. A humorous and thought-provoking celebration of life and spirit while living on a handmade boat with 2 high-octane teenagers.

Transitions Abroad, 2007

A Fortune-Teller Told Me Tiziano Terzani, 2010-02-17. Warned by a Hong Kong fortune teller not to risk flying for a whole year, Tiziano Terzani, a vastly experienced Asia correspondent, took what he called the first step into an unknown world. It turned out to be one of the most extraordinary years I have ever spent. I was marked for death and instead I was reborn. Traveling by foot, boat, bus, car, and train, he visited Burma, Thailand, Laos, Cambodia, Vietnam, China, Mongolia, Japan, Indonesia, Singapore, and Malaysia. Geography expanded under his feet. He consulted soothsayers, sorcerers, and shamans and received much advice, some wise, some otherwise, about his future. With time to think, he learned to understand respect and fear for older ways of life and beliefs now threatened by the crasser forms of Western modernity. He rediscovered a place he had been reporting on for decades. And it reinvigorated him. The result is an immensely engaging, insightful, and idiosyncratic journey filled with unexpected delights and strange encounters. A bestseller and major prizewinner in Italy, *A Fortune Teller Told Me* is a powerful warning against the new missionaries of materialism.
