Tales Of The Wichitas

L Cohen

Tales Of The Wichitas:

Tales of the Wichitas Basil Moss,1997 Stories on white Indian relations in the U S before and after the conquest The latter category is on Indians who did not go to the reservation farmers teachers engineers Indians of the author s childhood A debut in fiction by a white doctor **The Mythology of the Wichita** George Amos Dorsey,1904 The Mythology of the Wichita George Amos Dorsey,1904 *Oklahoma Treasures and Treasure Tales* Steve Wilson,1989-05-01 Contains stories some true some legendary about caches of lost treasure **The North American Indian. Volume 19 - The Indians of Oklahoma. The Wichita. The southern Cheyenne. The Oto. The Comanche. The Peyote cult. ~ Paperbound ,**

Monsters of Contact Mark van de Logt,2018-06-21 A murderous whirlwind an evil child abducting witch woman a masked cannibal terrifying scalped men a mysterious man slaying flint creature the oral tradition of the Caddoan Indians is alive with monsters Whereas Western historical methods and interpretations relegate such beings to the realms of myth and fantasy Mark van de Logt argues in *Monsters of Contact* that creatures found in the stories of the Caddos Wichitas Pawnees and Arikaras actually embody specific historical events and the negative effects of European contact invasion war death disease enslavement starvation and colonialism Van de Logt examines specific sites of historical interaction between American Indians and Europeans from the outbreaks and effect of smallpox epidemics on the Arikaras to the violence and enslavement Caddos faced at the hands of Hernando de Soto s expedition and Wichita encounters with Spanish missionaries and French traders in Texas In each case he explains how through Indian metaphor seemingly unrelated stories of supernatural beings and occurrences translate into real people and events that figure prominently in western U S history The result is a peeling away of layers of cultural values that for those invested in Western historical traditions otherwise obscure the meaning of such tales and their monsters Although Western historical methods have become the standard in much of the world van de Logt demonstrates that indigenous forms of history are no less valuable and that oral traditions and myths can be useful sources of historical information A daring interpretation of Caddoan lore *Monsters of Contact* puts oral traditions at the center of historical inquiry and in so doing asks us to reconsider what makes a monster *Pawnee Hero Stories and Folk-tales* George Bird Grinnell,1890 **Pawnee Hero Stories and Folk-Tales** George Bird Grinnell,2022-08-01 In *Pawnee Hero Stories and Folk Tales* George Bird Grinnell curates a rich tapestry of Pawnee mythology and cultural narratives illuminating the intricate worldviews of the Pawnee people Through engaging storytelling and meticulous ethnographic detail Grinnell captures the essence of the oral tradition showcasing tales that blend humor tragedy and moral wisdom The book exemplifies a literary style that is both accessible and scholarly contextualizing these narratives within the broader framework of Native American folklore and the historical realities faced by Indigenous tribes in the late 19th century Grinnell a prominent figure in American anthropology and conservation was profoundly influenced by his lifelong commitment to the study of Native American cultures His close relationships with the Pawnee people and dedication to preserving their stories

stemmed from a desire to challenge erasure and misrepresentation by presenting authentic Indigenous perspectives Grinnell's background as a naturalist and explorer shaped his quest for depth in understanding the intersection between culture spirituality and nature within the Pawnee community This work is essential for anyone interested in the preservation of Indigenous narratives offering important insights into the Pawnee worldview and rich cultural heritage Scholars students and enthusiasts of folklore will find Grinnell's collection a captivating exploration making it a cornerstone for further studies in Native American literature and anthropology

Murder On The Wichita Bruce Hammack, 2023-10-12 Fraud deception murder what else awaits this detective along the banks of the muddy Wichita Substituting for an art teacher on medical leave artist and private detective Fen Maguire is asked to investigate a long standing cold case Seven years ago a realtor swindled local residents out of millions then disappeared without a trace Her victims want their money and they want justice With the police no longer interested in solving the case Fen agrees to investigate The police are suddenly plunged into a new case the reporter who wrote expos articles on the fraud victims is dead The waters surrounding his case get murky when Fen discovers the paths of the missing realtor and the dead journalist intersect With the senior police detective refusing to believe there's a connection he's on his own Digging deep into the past Fen finds a long list of people with reason to kill both the reporter and the realtor With no help from the police it's up to him to follow the trail to the money and the killer
