FROG PRINCE

Color one star for every time you read the story.

Once upon a time, there was a beautiful princess who loved to play with her golden ball. One day, while playing near a pond, she accidentally dropped her ball into the water. A frog appeared and offered to retrieve it for her if she promised to let him be her companion.

The princess agreed but forgot her promise. The next day, the frog appeared at the palace and reminded her of their deal. Reluctantly, the princess allowed him to sit beside her at the dinner table. The princess kissed the frog who turned into a prince, revealing that he had been under a spell, and they fell in love.

The prince and princess got married and lived happily ever after. The frog's curse had been broken because the princess kept her promise, and he was able to reclaim his human form. They remained grateful for each other and learned the importance of keeping one's word.
