James Fenimore Cooper

Tales For Fifteen Or Imagination And Heart:

Tales for Fifteen James Fenimore Cooper,2015-12-01 Written under the pseudonym Jane Morgan the two tales collected in this volume reflect the profound influence that British author Jane Austen had on Cooper s early development as a writer Geared toward younger audiences these romances strive to impart important moral lessons **Imagination and Heart,**

Tales for Fifteen (Annotated) James Fenimore Cooper,2015-09-27 WHEN the author of these little tales commenced them it was her intention to form a short series of such stories as it was hoped might not be entirely without moral advantage but unforeseen circumstances have prevented their completion and unwilling to delay the publication any longer she commits them to the world in their present unfinished state without any flattering anticipations of their reception They are intended for the perusal of young women at that tender age when the feelings of their nature begin to act on them most insidiously and when their minds are least prepared by reason and experience to contend with their passions *Tales for Fifteen; Or,*

Imagination and Heart James Fenimore Cooper,2023-09-01 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **Tales**

for Fifteen James Fenimore James Fenimore Cooper,2017-09-24 IT was quite early on the following morning when Mr Delafield rung at the door of the house in which the father of Miss Henly resided The gentleman had obtained the permission of the young lady the preceding evening to put himself on the list of her visiting acquaintance and a casual introduction to both of Charlotte s parents had smoothed the way to this intimacy **Tales for Fifteen (Annotated)** James Fenimore

Cooper,2016-06-28 Containing two stories Imagination and Heart which Cooper wrote using the female pseudonym of Jane Morgan First published in 1823 **Imagination and Heart, Tales for Fifteen** James Fenimore Cooper,2008-02 WHEN the author of these little tales commenced them it was her intention to form a short series of such stories as it was hoped might not be entirely without moral advantage but unforeseen circumstances have prevented their completion and unwilling to delay the publication any longer she commits them to the world in their present unfinished state without any flattering anticipations of their reception They are intended for the perusal of young women at that tender age when the feelings of their nature begin to act on them most insidiously and when their minds are least prepared by reason and experience to contend with their passions **Tales for Fifteen** James Cooper,2015-08-01 On 1 February 1823 Charles Wiley published in

New York The Pioneers a new book by the author of The Spy by noon he had sold 3 500 copies a record making sale by the bookselling standards of the time On 26 June almost five months later Wiley quietly offered as we know from a notice in The Patriot a New York newspaper Tales for Fifteen or Imagination and Heart an original work in one volume by Jane Morgan price 75c The actual author was the author of The Spy and the two stories Imagination and Heart were obviously imitations of Mrs Amelia Opie s popular moral tales published as the paper cover noted when The Spy was in its fourth edition The Pioneers in its third and The Pilot in press The sale was so small that only four copies are known to be extant Why one may

ask did James Cooper who was in 1823 a writer of national and international reputation publish this volume of imitative stories for adolescent girls even though his identity was carefully concealed According to Cooper s own account Tales for Fifteen was written and given to Charles Wiley as a gesture of friendship to help the publisher out of financial difficulties This explanation was echoed by the novelist s daughter Susan in a letter reprinted from the Cooperstown Freeman s Journal in The Critic on 12 October 1889 Tales for Fifteen James Fenimore Cooper,2018-09-20 Reproduction of the original Tales for Fifteen by James Fenimore Cooper **Tales for Fifteen (Annotated)** James Fenimore Cooper,2015-08-31 When the author of these little tales commenced them it was her intention to form a short series of such stories as it was hoped might not be entirely without moral advantage but unforeseen circumstances have prevented their completion and unwilling to delay the publication any longer she commits them to the world in their present unfinished state without any flattering anticipations of their reception They are intended for the perusal of young women at that tender age when the feelings of their nature begin to act on them most insidiously and when their minds are least prepared by reason and experience to contend with their passions **Tales for Fifteen Or, Imagination and Heart** James Fenimore Cooper,2009-02-01
