Buried in the Bitter Waters Elliot Jaspín,2008-05-06 Leave now or die Those words or ones just as ominous have echoed through the past hundred years of American history heralding a very unnatural disaster a wave of racial cleansing that wiped out or drove away black populations from counties across the nation While we have long known about horrific episodes of lynching in the South this story of racial cleansing has remained almost entirely unknown These expulsions always swift and often violent were extraordinarily widespread in the period between Reconstruction and the Depression era In the heart of the Midwest and the Deep South whites rose up in rage fear and resentment to lash out at local blacks They burned and killed indiscriminately sweeping entire counties clear of blacks to make them racially pure

Many of these counties remain virtually all white to this day In Buried in the Bitter Waters Pulitzer Prize winning journalist Elliot Jaspin exposes a deeply shameful chapter in the nation s history and one that continues to shape the geography of race in America **Stories of the Old West** Steven D. Price,Tom McCarthy,2018-09-01 Saddle up for a wild ride through those thrilling days of yesteryear In Stories of the Old West Steven Price serves up a heapin helpin of tales of America s frontier days ranches and rodeos lawmen and desperadoes saloons and gunslingers wilderness exploring and range warfare and everything else that reflects our fascination with our Western heritage from its earliest untamed era to the dawn of the 20th Century Contributors include Zane Grey Teddy Roosevelt Buffalo Bill Cody Willa Cather Helen Cody Wetmore Mark Twain O Henry Bret Harte and Owen Wister to name only a few
