White,2017-05-09 A candid compelling and rollicking portrait of the legendary pirate captain of Margaritaville Jimmy Buffett In Jimmy Buffett A Good Life All the Way acclaimed music critic Ryan White has crafted the definitive account of Buffett s rise from singing songs for beer to his becoming a tropical icon and inspiration behind the Margaritaville industrial complex a vast network of merchandise chain restaurants resorts and lifestyle products all inspired by his sunny but disillusioned hit Margaritaville Filled with interviews from friends musicians Coral Reefer Band members and business partners who were there this book is a top down joyride with plenty of side trips and meanderings from Mobile and Pascagoula to New Orleans Key West down into the islands aboard the Euphoria and the Euphoria II and into the studios and onto the stages where the foundation of Buffett s reputation was laid Buffett wasn t always the pied piper of beaches bars and laid back living Born on the Gulf Coast the son of a son of a sailing ship captain Buffett scuffed around New Orleans in the late sixties flunked out of Nashville and a marriage in 1971 and found refuge among the artists dopers shrimpers and genuine characters who d collected at the end of the road in Key West And it was there in those waning outlaw days at the last American exit where Buffett like Hemingway before him found his voice and eventually brought to life the song that would launch Parrot Head nation And just where is Margaritaville It s wherever it s five o clock it s wherever there s a breeze and salt in the air and it s wherever Buffett set his bare feet smiled and sang his songs *Monk's War: An 18 Year Old Marine's Story from the Rice Paddies* Frank M. Beyea,2014-02 In the last few years Vietnam Veterans including myself have experienced a phenomenon

that is hard to explain People are interested in the Vietnam War I think the audience for Vietnam War stories is a diverse one From young people with a thirst for knowledge about what their fathers and grandfathers went through in the only war that America has lost so far history hasn't made its final judgment on Iraq and Afghanistan to the baby boomers who fought in Vietnam Even those boomers who demonstrated actively against the war and resisted being part of it are suddenly interested This book provides those interested with what they crave more true stories of what it was like to live the life of a Marine ground pounder in Vietnam It's like a good adventure novel when your own theater of the mind puts you in the shoes of the main character *Tales from Margaritaville* Jimmy Buffett, 2002-05-17 Although you won't find it on any map the tropical island has its origins somewhere and everywhere Sung into existence by Jimmy Buffett and popularized on the radio Margaritaville is both mythical and real a place where human curiosity passion and humor delicately intertwine *Tales from Margaritaville* brings an extraordinary gifted southern writer to the world of fiction The imaginary island of Snake Bite Key the wonderfully colorful inhabitants of Heat Wave Alabama the Wyoming cowboy who takes his horse on a journey across the US to the sea and the other gypsy souls and restless dreamers who set off to find their own elusive islands are all part of the magic of Margaritaville Six of the short stories in this book have been recorded in Jimmy Buffett's 1989 MCA album *Off to See the Lizard* and these songs and stories bearing identical titles were written simultaneously and are intimately connected Many of the details in this book are drawn from personal experience A young Jimmy Buffett meets up with his fictional pop hero Freddy Fishstick and their talk as they drive down the Florida Peninsula is an inside look at the absurdities of concerts touring recording and life on the road A third generation sailor Jimmy Buffett has traveled throughout the world and his four autobiographical stories *Son of a Son of a Sailor* carry reader along on adventures through the Yucatan St Barts Martha's Vineyard Key West and Cuba His trip to meet Gregorio Fuentes the model for the old man in Hemingway's *The Old Man and the Sea* is especially dramatic and touching Jimmy Buffett has the rare ability to create powerful memorable stories of hilarity wit and substance Contemporary Popular Writers Dave Mote, 1997 Included are authors both living and dead who were active in the early 1960s or later and remain popular in the mid 1990s representing several fiction and nonfiction categories including poets short story writers biographers and other niche authors Page xi **The Hemingway Review**, 1991
