Tales of Power Carlos Castañeda, 1994 *The Lost Tales of Power* Vincent Trigili, 2014-05-17 The Lost Tales of Power is a collection of novels that describe an immense persistent multiverse The books are a mixture of standalone and miniseries all set in the same universe with overlapping and intertwining story lines Included in this collection is the full text of Enemy of an Enemy The Academy and Rise of Shadows In addition to the three complete novels included is a brief introduction to each book Enemy of an Enemy Everything seemed to be going Vydor s way until the Dragon Claw was sent on a rather unusual assignment to investigate a minor incident deep within the Empire s space That would send Vydor down a path filled with fantastically powerful enemies and extraordinary friends that would obliterate everything he ever understood to be true and threaten the very foundations of the Empire itself The Academy The Empire had fallen and the Imperial Navy was disbanded leaving James with nothing but his nightmares to remind him of the role he once played in The Great War James must now face his new life in a new era where science and technology must share the stage with sorcery and wizardry and a new ever present shadow of evil lurks over the remnants of the once great Empire Rise of Shadows In The Enemy of an Enemy darkness came to the Empire and magic was born from the bowels of men s fears The great and mighty Imperial Navy had to face and overcome unspeakable horrors In The Academy fledgling wizards were gathered and trained to fight back and keep the light while the darkness laid in wait biding its time and silently gathering its forces Now as warriors of light those wizards must begin to make a stand against the rising tide of darkness or watch their realm be overcome The Lost Tales of Power is an open ended series of Science Fantasy books set in a vast multiverse Lost Tales Series Volume I The Enemy of an Enemy Volume II The Academy Volume III Rise of Shadows Volume IV Resurgence of Ancient Darkness Volume V The Sac a rith Volume VI Spectra s Gambit Volume VII Sac a rith Rebirth Volume VIII Mage Hunter Keywords magic space space opera science fantasy space exploration military space future military sci fi science fiction series aliens adventure war navy series science fiction novels science fiction ebooks [Lost Tales of Power: Volume 1 - The Enemy of an Enemy](#) Vincent Trigili, 2010-11-14 Vydor is riding a wave of success but now his ship the Dragon Claw is being sent to investigate a mysterious event deep within the Empire s space A secret research colony has fallen silent and the forces sent to investigate were never heard from again A new enemy has come to the Empire bringing with it dark powers

that were abandoned long before the Empire was born Powers that were thought to be legends and myths It s up to Vydor to keep this force at bay and protect the Empire but it may come at the cost of his faith and shake the foundations of the Empire itself The Lost Tales of Power is an open ended series of Sci Fi Fantasy books set in a vast multiverse featuring a mixture of traditional fantasy and science fiction elements [Lost Tales of Power: Volume II - The Academy](#) Vincent Trigili,2011-06-21 The Empire had fallen and the Imperial Navy was disbanded leaving James with nothing but his nightmares to remind him of the role he once played in The First Great War James must now face his new life in a new era where science and technology must share the stage with sorcery and wizardry and a new ever present shadow of evil lurks over the remnants of the once great Empire A new generation of warriors will be needed to fight this battle James is determined to be part of that new generation and maybe find freedom from the nightmares that control his life This is Volume II of the Lost Tales of Power series [The Shadow in the Canal: A Tale of Power, Secrets, and Betrayal](#) Pasquale De Marco,2025-07-18 In the heart of Central America a nation once held captive by a ruthless dictator rises from the ashes of oppression to embrace a new dawn of freedom and hope The Shadow in the Canal A Tale of Power Secrets and Betrayal delves into the turbulent history of Panama a country strategically positioned at the crossroads of the Americas and the captivating story of its liberation from the clutches of tyranny At the center of this gripping narrative is Manuel Noriega a charismatic yet iron fisted military strongman who ascended to power through a labyrinth of intrigue and deceit His regime cast a long shadow over the nation silencing dissent stifling economic growth and turning a blind eye to the rampant corruption that plagued the country But beneath the veneer of stability a storm of discontent was brewing The people of Panama weary of oppression and yearning for a better future dared to challenge Noriega s iron fisted rule They were students workers journalists and politicians united by a common desire to liberate their country from the clutches of tyranny Their struggle was fraught with danger as they faced intimidation imprisonment and even death As the winds of change swept across the globe in the late 20th century Panama found itself at a crossroads The international community too began to scrutinize the country s human rights record and the growing influence of drug cartels The United States long a staunch ally of Noriega found itself torn between its strategic interests and its commitment to democracy and human rights In a daring move that would forever change the course of Panama s history the United States launched a military invasion in 1989 bringing an abrupt end to Noriega s reign of terror The dictator was captured and taken to the United States to stand trial for his crimes while Panama embarked on a long and arduous journey of healing and reconciliation The Shadow in the Canal is a gripping tale of power betrayal and the indomitable spirit of a people who refused to bow to oppression It is a story of courage resilience and the triumph of democracy over tyranny If you like this book write a review [The Aquitanian Rose: A Tale of Power, Passion, and Intrigue in Medieval France](#) Pasquale De Marco,2025-05-22 In the vibrant tapestry of medieval history few figures shine as brightly as Eleanor of Aquitaine As Duchess of Aquitaine Queen of France and Queen of England Eleanor s life was an extraordinary

[Scenarios of Power](#) Richard S. Wortman,2013-10-31 This new and abridged edition of Scenarios of Power is a concise version of Richard Wortman s award winning study of Russian monarchy from the seventeenth century until 1917 The author breaks new ground by showing how imperial ceremony and imagery were not simply displays of the majesty of the sovereign and his entourage but also instruments central to the exercise of absolute power in a multinational empire In developing this interpretation Wortman presents vivid descriptions of coronations funerals parades trips through the realm and historical celebrations and reveals how these ceremonies were constructed or reconstructed to fit the political and cultural narratives in the lives and reigns of successive tsars He describes the

upbringing of the heirs as well as their roles in these narratives and relates their experiences to the persistence of absolute monarchy in Russia long after its demise in Europe
