Tales Of The Okanogans:

Masterpieces of American Indian Literature Willis Goth Regier, 2005-01-01 The five complete and unabridged works collected here are parts of a long and passionate testimony about American Indian culture as related by Indians themselves. Deep emotions and life shaking crises converge in these pages concerning identity, family, community, caste, gender, nature, the future, the past, solitude, duty, trust, betrayal, leadership, war, and apocalypse. Each work is also regarded as a classic of Native literature and has much to teach. *The Life of Kah ge ga gah bowh* 1847 by George Copway, a Canadian Ojibwe writer and lecturer, describes his unique and difficult cultural journey from the tiny village of his youth to the legislatures of the world, speaking for the rights and sovereignty of Indians. *The Soul of the Indian* 1911 by Charles Eastman, a physician and mixed blood Sioux, depicts the religious life of the typical American Indian as it was before he knew the white man. *American Indian Stories* 1921 by Zitkala, one of the most famous Sioux writers and activists of the modern era, includes legends and tales from oral tradition, childhood stories, and allegorical fiction. *Coyote Stories* 1933 by Mourning Dove, an Okanagan writer, retells the popular trickster tales of Coyote, the most resilient character in all of American literature. *Black Elk Speaks* 1932, as told through John G. Neihardt, is the spacious religious vision and candid life story of a Lakota holy man. Neihardt and Black Elk collaborated to produce a unique and inspirational work.

Coyote Stories Mourning Dove, 1990-01-01 These tales feature Mole, Coyote's wife, Chipmunk, Owl, Woman, Fox, and others.

The Cambridge Companion to Canadian Literature Eva-Marie Kröller, 2004-02-05 This book offers a comprehensive and engaging introduction to major writers, genres, and topics in Canadian literature. Contributors pay attention to the social, political, and economic developments that have informed literary events. Broad surveys of fiction, drama, and poetry are complemented by chapters on Aboriginal writing, francophone writing, autobiography, literary criticism, writing by women, and the emergence of urban writing in a country traditionally defined by its regions. Also discussed are genres that have a special place in Canadian literature, such as nature writing, exploration, and travel writing, and short fiction.

Okanagan Grouse Woman Lottie Lindley, 2017-03 Published through the Recovering Languages and Literacies of the Americas initiative, supported by the Andrew W. Mellon Foundation. In this book of Native American language research and oral traditions, linguist John Lyon collects Salish stories as told by culture bearer Lottie Lindley, one of the last Okanagan elders whose formative years of language learning were unbroken by the colonizing influence of English. Speaking in the Upper Nicola dialect of Okanagan, a Southern Interior Salish language, Lindley tells the stories that recount and reflect Salish culture, history, and historical consciousness, including names of locales won in battle with other interior peoples, coming of age rituals, and marriage rites, and tales that attest to the self-understanding of the Salish people within their own history. For each Okanagan Salish story, Lyon and Lindley offer a continuous transcription followed by a collaborative English translation of the story and an interlinear rendition with morphological analysis. The presentation allows students of the dialect, linguists, and those interested in Pacific Northwest and

Interior Plateau indigenous oral traditions unencumbered access to the culture history and language of the Salish peoples With few native speakers left in the community Okanagan Grouse Woman contributes to the preservation presentation and with hope maintenance and cultivation of a vital indigenous language and the cultural traditions of the Interior Salish peoples

The Kelowna Story Sharron J. Simpson, 2025-05-06 The new paperback edition of this excellent illustrated history includes additional information about recent developments up to 2025 The Kelowna Story is a comprehensive full length history of the largest metropolitan centre outside BC s Lower Mainland a labour of love by a leading local historian whose family roots have been entwined with Kelowna s for five generations It embraces the full sweep of central Okanagan history starting with the days of the S Ooekanhkchinx who enjoyed a largely peaceful existence along the shores of the lakes and rivers before the earliest explorers came to trade followed by Father Pandosy and his Okanagan Mission in 1859 It was the mission that attracted Kelowna s first homesteaders soon followed by cattle ranchers and orchardists and much later by the empire builders like the Bennett family who paved the way for today s budding metropolis Author Sharron J Simpson believes history is best told through the stories of ordinary people while allowing today s readers may not think it ordinary to walk over mountain ranges to collect mail or consider it ordinary to climb into a narrow irrigation pipe to scrape the rust off the inside as it runs up and down the hillsides or to row freight from one end of Okanagan Lake to the other In their time she writes those who did extraordinary things were simply doing what needed to be done to get ahead Their stories are fascinating and tell of the remarkable investment early settlers made in this community Simpson tells the story of her hometown with an attention to detail and a passion for narrative that bespeaks her own considerable talent and deep commitment
