Talking About Horses:

Talking with Horses Henry Blake,1990 **Talking with Horses** Henry N. Blake,1990 Talking with Horses Henry Blake,2011-02-01 The first book of its kind Talking with Horses has become an indispensable source of information for all riders and horse owners Learn to communicate with your horse in his own language using telepathy and extrasensory perception and you will learn to work together with your horse moving and thinking as one animal By understanding how your horse uses sounds and his body to communicate you will be able to build a vital rapport with your horse based on understanding and respect A fantastic insight into the equine mind Talking with Horses draws on Henry Blake s natural affinity with horses based on a lifetime spent working with them This invaluable resource is filled with practical advice to help all riders to understand their horses better A classic in the horse training canon this is the book that gave rise to the concept of the horse whisperer and today remains one of the leading books in its field Henry Blake spent a lifetime with horses and discovered that he had the rare ability to think like them and with them In this fascinating book he shows how to communicate with your horses in its own language using telepathy and extra sensory perception It will convince your horse that he wants to do what you tell him You will be able to build up a precious rapport with your horse until you can work together thinking and moving as one animal A revelation to read and an indispensable companion for all riders and horse owners It will change your whole approach to the training and management of horses *Talking of Horses* Monica Dickens,1973 How I Talk to Horses Margo Ragland Reid,2017-06-29 Fourteen years ago I bought Missy She was incredible had a bad attitude and she hated me I immediately decided buying Missy was the stupidest thing I d ever done until she talked to me Missy first talked when she really wanted something tried to get it herself and failed In frustration she turned to me and asked me to get it for her When she asked she said it clearly in complete sentences She was surprised that I understood and got it for her I was amazed that she asked so clearly I ve paid attention ever since Now Missy talks all the time Once I got more horses I realized they all talk If we don t notice horses give up and don t try to talk to us anymore We can learn how horses think processes information and talk I reject the term Breaking Horses I don t want broken horses so I don t break them I want spirited intelligent engaged horses Breaking horses makes them anxious and reactive Its archaic thinking like controlling a wife was in the 50 s This book explains How I talk to horses How anyone can if you learn how horses think and speak How to earn your respected position in their herd as their Leader How to fix incorrect or ill behavior by telling them Wrong answer Find a better answer How to show your horse what you want have them trust you become brave and try How to become confident and share that confidence with your horse without arrogance How to interpret what your horse is saying by what your horse is showing you How to help an abused horse overcome PTSD learn to trust and feel safe with you How to turn a reactive brain off turn their thinking brain on so they can respond and not react How to read your horse s ears because ears say as much as their eyes say How to approach a horse who sees you with one eye ask them

for two eyes and why it matters How a horse s brain is different than a human s and what that means while you work with them May your Horse want to be with you Horses in Translation Sharon Wilsie,2018 With her landmark first book Horse Speak The Equine Human Translation Guide trainer Sharon Wilsie upended conventional methods of human equine communication using words and ropes for example with her clear classification of the language horses use with each other body breath and intent as well as an unparalleled explanation of how we as humans can effectively mirror it Learning to listen and talk to horses in their language instead of expecting them to comprehend ours is a milestone in the progressive philosophy of horsemanship helping find positive solutions to behavior and training problems and ultimately leading to fewer misunderstandings between horses and humans In her much anticipated follow up Wilsie uses true stories to relate examples of problems and how they were solved using Horse Speak Her engaging narrative introduces readers to dozens of real life scenarios from different barns various disciplines and riders and handlers with contrasting experiences and backgrounds Wilsie highlights her Horse Speak process the clues that point to the best course of action and the steps she takes to connect with horses that have shut down grown confused or become sulky or aggressive for any number of reasons The result is a book full of incredible insight and exciting possibilities **Talking with Horses** Henry N. Blake,1976 **Best of Talkin' Horses** Ron Mitchell,2008 Best of Talkin Horses features provocative chats with Thoroughbred racing s most prominent names Adapted from the popular weekly online series of the same name hosted by Bloodhorse com this edited collection will provide additional insights by Ron Mitchell **Horses Talking** Margrit Coates,2005 Explaining how readers can interact with equines on a deep level Margrit Coates gives practical advice on how to tune into your horse and understand what the animal is trying to communicate to you about its wellbeing How to Speak Horse Andrea Eschbach,Markus Eschbach,2012 Easy lessons in horse speak for pony mad kids This lovely book chock full of beautiful colour photographs explains the basics of horse body language and how to talk back With a focus on groundwork that is safe and fun for children it provides an introduction to natural horsemanship and shows how good communication can keep you safe in everything you do with your horse Shows you how horses use body language to communicate Provides an introduction to easy groundwork exercises you can do to learn to read your horse s body language Shows how you can use your own posture and movement to ask your horse to go forward stop turn and follow Includes a horse speak dictionary of common horse body signals to help get you started
