Talking At The Gates:

TALKING AT THE GATES JAMES. CAMPBELL, 2021 Outlaw Marriages Rodger Streitmatter, 2012-05-15 Celebrate LGBTQIA history with the untold stories of 15 prominent same sex couples who defied cultural norms and made significant contributions to the arts social change and more For more than a century before gay marriage became a hot button political issue same sex unions flourished in America Pairs of men and pairs of women joined together in committed unions standing by each other for richer for poorer in sickness and in health for periods of 30 or 40 sometimes as many as 50 years In short they loved and supported each other every bit as much as any husband and wife In Outlaw Marriages cultural historian Rodger Streitmatter reveals how some of these unions didn't merely improve the quality of life for the 2 people involved but also enriched the American culture Among the high profile couples are Nobel Peace Prize winner Jane Addams and Mary Rozet Smith Literary icon Gertrude Stein and Alice B Toklas Author James Baldwin and Lucien Happersberger Artists Jasper Johns and Robert Rauschenberg Legendary poet Walt Whitman and Peter Doyle Classic Hollywood star Greta Garbo and Mercedes de Acosta While no partnership is the same some were tumultuous while others were more supportive and long lasting all changed the course of American history **Finks** Joel Whitney, 2017-01-03 When news broke that the CIA had colluded with literary magazines to produce cultural propaganda throughout the Cold War a debate began that has never been resolved The story continues to unfold with the reputations of some of America's best loved literary figures including Peter Matthiessen George Plimpton and Richard Wright tarnished as their work for the intelligence agency has come to light **Finks** is a tale of two CIAs and how they blurred the line between propaganda and literature One CIA created literary magazines that promoted American and European writers and cultural freedom while the other toppled governments using assassination and censorship as political tools Defenders of the cultural CIA argue that it should have been lauded for boosting interest in the arts and freedom of thought but the two CIAs had the same undercover goals and shared many of the same methods deception subterfuge and intimidation **Finks** demonstrates how the good versus bad CIA is a false divide and that the cultural Cold Warriors again and again used anti Communism as a lever to spy relentlessly on leftists and indeed writers of all political inclinations and thereby pushed U S democracy a little closer to the Soviet model of the surveillance state

The English Book and Its Marginalia □□□□, 2000 This book is about books that recount the story of encountering another book There are various versions of the story told and retold from the heyday of imperialism up to the present day Homi Bhabha calls it the trope of the discovery of the English book by considering each of these versions carefully we may also give an alternative account of twentieth century English literature as the site of an intercultural discourse This project is very much inspired by debate on postcolonial theory namely the debate between Said and Bhabha Part I is devoted to the discussion of Conrad especially of *Heart of Darkness* and investigates how the novella has continually been reproduced to the extent that it represents the English Book of colonial postcolonial literatures The chapter on Hugh Clifford Ch 3 is virtually the first intensive critique of his novels such as *Saleh* 1908 with a particular focus on their intertextual relations with Conrad's texts Part II examines how the story of the English Book is repeated and revised in the texts of the following authors Joyce Cary Isak Dinesen V S Naipaul Kaiko Takeshi and Ng g wa Thiong o
