## **The Guinness Guide To Mountain Animals:**

*The Guinness Guide to Mountain Animals* René-Pierre Bille, Geoffrey Lovett, 1975      **Mountain Wildlife** Richard Perry, 1981 William James's Naval History is one of the most valuable works in the English language on the operation of the Royal Navy during the French Revolutionary and Napoleonic Wars James corresponded widely with the survivors of the events he describes By carefully evaluating and balancing conflicting reports and testimonies he achieved an accuracy often lacking in later studies The original five volumes were published in 1822-24 with a six volume edition appearing in 1826 Previously the work has only been available to scholars through specialist libraries This new hardcover edition with an introduction by the noted naval historian Andrew Lambert as well as an index for each volume provides both scholars and maritime enthusiasts an accessible and affordable edition of this important work Illustrated with charts diagrams and images the work remains an essential source for all those who are interested in the operation of the Royal Navy in this period

The Guinness Book of Plant Facts and Feats William G. Duncalf, Christine Darter, 1976      **The Illustrated London News**, 1885      **The Guinness Book of Music Facts and Feats** Robert Dearling, Celia Dearling, Brian Rust, 1976 This is a book for those interested in the most entertaining aspects of the ever fascinating subject of music The more unusual features of this enormous field are spiced up by the less well known facts of music and the people who make it This is thus both a book for the general reader as well as the specialist for some subjects are discussed here for the first time outside of the sober covers of musicological publications The contents of this book will provide entertaining matter for the concert goer and the record collector facts for the seeker after musical curiosities and much material for musical quizzes      *The Guinness Book of Structures* John Hall Stephens, 1976      *The Guinness Book of Weather Facts and Feats* Ingrid Holford, 1977      *The Laws Protecting Animals and Ecosystems* Paul A. Rees, 2017-11-29 There is currently no basic text in wildlife law suitable for the wide range of courses in wildlife conservation and animal welfare at both bachelors and masters level or for the large number of people who work in conservation and animal welfare The Laws Protecting Animals and Ecosystems fills the gap in this significant market for a basic law text applicable to students and professionals whose primary training is in biology but who require a basic understanding of the laws relating to the protection of animals and ecosystems The text is applicable to a wide range of subjects including wildlife conservation animal handling animal welfare animal husbandry and veterinary science This foundational text supports those studying animal and ecosystem law by providing an overview of the basic legal principles national and international laws terminology the legal mechanisms used to protect animals and ecosystems and a compendium of the major animal welfare and conservation laws in major English speaking countries Dr Rees has been teaching wildlife law for 20 years and ecology for over 35 years and is ideally placed to write this book      Library of Congress Catalogs Library of Congress, 1977      **Wildlife**, 1980      **Observer**, 1975      Guinness World Records: Amazing Animals Guinness World Records, 2017-09-25 Calling all animal lovers Guinness World Records Amazing Animals puts the
