Ciris, 2020-12-31 The Ciris is a small scale epic poem which relates the myth of Scylla daughter of king Nisus of Megara who betrayed her homeland for love and was transformed into a sea bird It is one of the poems in the Appendix Vergiliana a collection that has been ascribed to Virgil as his carmina minora Earlier scholarship has mostly been concerned to prove that the Ciris is not by Virgil and then to demonstrate that it is a late and derivative composition of little intrinsic merit The present book argues that Ciris was composed by a contemporary of Virgil a product of the golden age of Latin poetry It aims to bring the poem to the attention of modern readers and to rescue it from ill deserved neglect The introduction presents detailed linguistic literary and historical arguments in support of this early composition date and offers a state of the art account of the textual witnesses and the manuscript tradition The critical text and apparatus are based on a systematic first hand analysis of manuscript evidence as well as the rigorous application of text critical methods The new text as close to the original Ciris as can be achieved includes over one hundred and fifty changes from previous editions By engaging with textual scholarship on the poem from the fifteenth to the twenty first century the line by line commentary provides a comprehensive guide to the numerous textual problems and is an important contribution to the stylistic and linguistic analysis of golden age Latin poetry

Justin Davis Howard Resnick, 2023-12-19 What if an ancient Sanskrit text holds the key to solving today's deepest problems That's the question Justin Davis is faced with as he embarks on a hero's journey to save the world in this thrilling spiritual fantasy Justin Davis is a brilliant but greatly troubled West Virginia teen struggling with his father's brutal murder and his once wealthy family's loss of money status dignity and hope Broken angry and bitter Justin has all but given up on life But then on his fifteenth birthday his mother presents him with a mysterious gift a copy of The First Avatara a lush beautifully illustrated book relating the immemorial legend of Krsna When evil Asura forces attacked the idyllic planet of Bhu loka and threatened to enslave its inhabitants Krsna the first Avatara descended to that world in its darkest hour and fought to save its people and preserve its way of life Enthralled by the tale Justin enters the story as much more than just a reader and is challenged to undertake a hero's journey of his own not just through time but

also into the depths of his own soul In the process he will experience love loss courage and sacrifice that compel him to cast aside a life of self pity and indulgence and heroically confront a startling evil that threatens his family and the world

historic Deems Castle only for Ella to discover she is to be cast as a reluctant bride in marriage the following morning to a Frenchman unknown to her To banish Ella from English shores seems the family's coup de grace the finishing stroke against a girl innocent of any charge This is a story of intrigue love and loyalty more especially when at the time of the fear and turbulence of the French Revolution the truest love can be over shadowed by death
