Paperbound Books in Print, 1991 **Act of Will** Barbara Taylor Bradford, 1987 From beloved bestselling author Barbara Taylor Bradford comes the enthralling saga of three generations of extraordinary women of the fate that befalls them and the choices that define their lives IN THE NAME OF LOVE Orphaned after the death of her mother well bred Audra Kenton rose from selfless nurse to servant of an affluent suffragette to a fiercely independent bride whose passionate marriage was overtaken by an unforeseeable tragedy Now Audra has but one dream to bestow upon her brilliantly artistic daughter every opportunity that she was denied AT THE HEART OF AMBITION Given the world the stubborn Christina has forsaken the wishes of her noble mother to forge the career of her choice that of a glittering Manhattan fashion empire she hopes to bequeath to her own daughter But in young and beautiful Kyle stirs a spirit that is inherently headstrong equally independent and just as ironically resistant to the sacrifices made in the name of love FOR THE SAKE OF A DREAM From the picturesque Yorkshire Dales to the haute couture luxuries of Paris and London to the bittersweet respite of home and family three women face stunning betrayals and astonishing reversals of fate as each brings her own intimate struggle to their need of personal success and to a triumphant and heartening understanding of devotion duty and destiny A Search for a Secret G. A. Henty, 2014-03-01 Now that I have finished the account of the last of the series of unsuccessful attempts which were made to find the will I must hurry over the subsequent events of my life in a much briefer and more concise way It is now nearly six years since Robert Gregory died and I must content myself with a mere sketch of what has taken place in that time for this my history has already spun out to a most unreasonable length many times surpassing the limits I proposed to myself when I first sat down with the intention of writing it But my pen has run on and on as I recalled all the past events of my life and I feel every day when I see the mass of manuscript which has accumulated in my drawer for my desk has long since been too small to contain its growing bulk that the chances that any one will ever take the trouble to read it through are growing fainter and fainter every day However should it be so my task has served its purpose It has by chaining my attention to the

period of which I have been writing saved me from many an hour of sorrowful thought and has served as a break to the monotony of many a weary day It has too often served as an excuse for me to seclude myself in my own room when my spirits have felt unequal to take part in the constant flow of tittle tattle and harmless gossip which form the staple of the conversation of those with whom my life is now cast and is likely I hope to remain to the end
