

# THE HAUGHEY FILE

The improbable  
career and fall  
of The Boss

A close-up, slightly blurred portrait of an older man with light-colored hair, wearing a dark suit, white shirt, and a patterned tie. He is looking slightly to the right with a faint smile.

· STEPHEN COLLINS ·

# The Haughey File The Unprecedented Career And Last Years Of The Boss

**Noel Whelan**

## **The Haughey File The Unprecedented Career And Last Years Of The Boss:**

The Haughey File Stephen Collins,1992      Haughey Gary Murphy,2021-11-26 With exclusive access to the Haughey archives Gary Murphy presents a reassessment of Charles Haughey s life and legacy Saint or sinner Charles Haughey was depending on whom you ask either the great villain of Irish political life or the benevolent and forward thinking saviour of a benighted nation He was undoubtedly the most talented and influential politician of his generation yet the very roots of his success his charisma his intelligence his ruthlessness his secrecy have rendered almost impossible any objective evaluation of his life and work That is until now Based on unfettered access to Haughey s personal archives as well as extensive interviews with more than eighty of his peers rivals confidants and relatives Haughey is a rich and nuanced portrait of a man of prodigious gifts who for all his flaws and many contradictions came to define modern Ireland A superbly balanced exploration of the life and politics of one of the most fascinating figures in 20th century Ireland Professor John Horgan An indispensable read for anyone with an interest in modern Irish history David McCullagh Offers much new detail and not a few surprises about the personality and career of a political titan who is still in equal measure revered and reviled in 21st century Ireland Conor Brady      Jack Lynch, A Biography Dermot Keogh,2009-09-04 Jack Lynch is one of the most important and perhaps most underrated Irish political leaders of the twentieth century A sportsman who won six All Ireland medals in a row with Cork he was also a civil servant and a barrister before being elected to D il ireann in 1948 During his thirty one years as a parliamentarian he held the ministries of Education Industry and Commerce and Finance before succeeding Se n Lemass as Taoiseach in 1966 Lynch held office during the critical years of the late 1960s and early 1970s when Northern Ireland disintegrated and civil unrest swept through Belfast Derry and other towns This precipitated one of the worst crises in the history of the Irish state Jack Lynch upheld the parliamentary democratic tradition at great personal and political cost even to the point of fracturing the unity of his government and his party If you want to know what happened during those terrible years read this book      *A New History of Ireland Volume VII* J. R. Hill,2003-12-04 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland      Irish Education Antonia McManus,2014-07-07 In this important new work the author analyses the contributions that our Ministers for Education made to the Irish education system between the years 1919 and 1999 Covering the social economic and

political realities of the time and taking in the involvement of the OECD what emerges is a picture of how Irish education was shaped and moulded over the course of the twentieth century

*A Failed Political Entity* Stephen Kelly, 2016-10-10 Charles Haughey maintained one of the most controversial and brilliant careers in the history of Irish politics but for every stage in his mounting success there was one issue that complicated and almost devastated his ambitions to lead Irish politics Northern Ireland In *A Failed Political Entity* Stephen Kelly uncovers the complex motives that underlie Haughey's fervent attitude towards the political and sectarian violence that was raging across the border Early in Haughey's governmental career he took a hard line against the IRA leading many to think he was antipathetic towards the situation in Northern Ireland Then in one of the most defining scandals in the history of modern Ireland The Arms Crisis of 1970 he was accused of attempting to supply northern nationalists with guns and ammunitions Whilst his role in this murky affair almost ended his political career the question of Northern Ireland was ever binding and would deftly serve to bring Haughey back to power as taoiseach in 1979 Through recent access to an astonishing array of classified documents and extensive interviews Stephen Kelly confronts every controversy examining the genesis of Haughey's attitude to Northern Ireland allegations that Haughey played a key part in the formation of the Provisional IRA the Haughey Thatcher relationship and Haughey's leading hand in the early stages of the fledgling Northern Ireland peace process

**Public Policy and the Arts: A Comparative Study of Great Britain and Ireland** Ruth-Balandina M. Quinn, 2018-08-20 First published in 1998 this volume considers the subject of arts policy as a subject of public policy making proper in UK and Ireland with a particular focus on theatre as a profession rather than a mere hobby Previous studies have placed the burden of policy improvements on the arts themselves looking at what the arts can do to be worthy of government funding and favourable policy and have seen government actions as if they have a uniform effect This study takes the arts out of the abstract and discusses specific ways that diverse activities with even more diverse needs can be best approached with government policy assessing the strengths and weaknesses of government initiatives It is aimed at both political scientists and anyone with an interest in arts and cultural policy

*One Party Dominance* Sean McGraw, Eoin O'Malley, 2017-11-21 Fianna Fáil was for most of the 20th century the democratic world's most successful political party It dominated the politics of Ireland from 1932 when it first took power until 2011 when it became a prominent electoral victim of the Great Recession This book provides original research that explains how Fianna Fáil became dominant and managed its coalitions of support to maintain that position for eight decades It gathers prominent political scientists who focus on a variety of factors including its ideological flexibility control of state resources and the venue for decision making the party's leadership its organisation and communications strategies In addition the book takes a comparative approach to understanding the position of dominant parties in democratic countries and uses empirical data to understand the sources of its support and decline It is a book that will be of interest not only to scholars of Ireland but also to those who wish to understand the sources of power of dominant political parties and the impact of the Great Recession on

democratic politics This book was originally published as a special issue of Irish Political Studies

**Historical Dictionary of the Northern Ireland Conflict** Gordon Gillespie, 2017-03-16 The second edition of the Historical Dictionary of the Northern Ireland Conflict provides an accessible and comprehensive study of the conflict and peace process in Northern Ireland from the 1960s to 2016 The second edition of the book expands on the references relating to individuals organizations and events of the Northern Ireland Troubles and adds material on significant subsequent developments This the work provides a unique view of developments since the signing of the Good Friday Agreement in 1998 While widely heralded as the end of the Northern Ireland conflict the agreement instead witnessed the beginning of a new series of political difficulties to be addressed The Historical Dictionary of the Northern Ireland Conflict is the first significant reference work to examine many of the issues related to political and cultural conflicts and dealing with the past which have grown in intensity since 1998 Many of these themes will be relevant to students of post conflict societies in other areas of the world This second edition of Historical Dictionary of the Northern Ireland Conflict contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture

*Modern Dublin* Erika Hanna, 2013-08 Provides a new history of the capital of Ireland during the 1960s examining how an aging eighteenth century city was rapidly transformed by speculative office construction and suburban development and exploring how this impacted on the lives of the city's ordinary inhabitants

**The A to Z of the Northern Ireland Conflict** Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone's problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject

[A History of Fianna Fáil](#) Noel Whelan, 2011-11-04 The Fianna Fáil Party was founded in 1926 and first came to Government in 1932 From that date until 2010 it has completely dominated the political life of the Republic of Ireland For all but 13 of those 78 years it has formed the Government of Ireland either on its own or as the dominant party in a coalition Fianna Fáil has always seen itself as more than a party Its self image has been that of a national

movement one that represented the nation in microcosm and superseded partisan and regional prejudices While holding this view of itself it also managed to be the most ruthlessly successful and professional party machine in Europe Noel Whelan the distinguished political commentator and columnist is steeped in the Fianna Fáil tradition In this book he traces the party's fortunes from its foundation by Eamon deValera and Seán Lemass in the 1920s through the economic war of the 1930s war time neutrality and stagnation of the 1950s Lemass's Governments of the 1960s generally regarded as the best in the history of the State restored the Country's fortunes but the 70s and 80s were locust years dominated by the divisive and charismatic figure of Charles J Haughey Under the later leadership of Bertie Ahern party divisions were healed and it seemed that national divisions were healed with them An economic boom was allowed recklessly to run out of control with the result that the party having brought Irish prosperity to a new peak was then blamed for the sudden violence of the crash The general election of 2011 reduced Fianna Fáil to its lowest ebb since it was founded It may not have marked the end of the party but it clearly marked the end of an era that began in 1932

### **Parties, Elections, and Policy Reforms in Western Europe**

Kerstin Hamann, John Kelly, 2010-11-02 Social pacts policy agreements between governments labor unions and sometimes employer organizations began to emerge in many countries in the 1980s The most common explanations for social pacts tend to focus on economic factors influenced by industrial relations institutions such as highly coordinated collective bargaining This book presents and tests an alternative and complementary explanation highlighting the electoral calculations made by political parties in choosing pacts Using a dataset covering 16 European countries for the years 1980-2006 as well as eight in depth country case studies the authors argue that governments choice of social pacts or legislation is less influenced by economic problems but is strongly influenced by electoral competition Social pacts will be attractive when party leaders perceive them to be helpful in reducing the potential electoral costs of economic adjustment and wage restraint policies Alternatively parties may forgo negotiations with social partners and seek to impose such policies unilaterally if they believe that approach will yield electoral gain or minimize electoral costs By combining the separate literatures on political economy and party politics the book sheds new light on the dynamics of social pacts in Western Europe This book will be of interest to students and scholars of political science economics political economy European Studies and comparative politics

The Palgrave Handbook of Global Counterterrorism Policy Scott Nicholas Romaniuk, Francis Grice, Daniela Irrera, Stewart Webb, 2017-07-26 The Palgrave Handbook of Global Counterterrorism Policy examines a comprehensive range of counterterrorism policies strategies and practices across dozens of states and actors around the world It covers the topics of terrorism and counterterrorism both thematically and by region allowing for discussions about the underpinning dynamics of these fields consideration of how terrorism and counterterrorism are evolving in the modern period and in depth analyses of individual states and non state actors and their approaches to countering terrorism and terrorist threats It draws upon a multidisciplinary range of established scholars and upcoming new researchers from across multiple fields including political

science and international relations sociology and history examining both theory and practice in their respective chapters This volume is an essential resource for scholars and practitioners alike *Policy, Office, Or Votes?* Wolfgang C. Müller, Kaare Strøm, 1999-08-28 This book examines the behaviour of political parties in situations where they experience conflict between two or more important objectives

**Saving the State** Stephen Collins, Ciara Meehan, 2020-10-30 When Fine Gael entered a coalition government with Fianna Fáil in 2020 the party did what would have been unthinkable for its forefathers who had fought and won a bitter civil war to establish the institutions of an independent Irish state almost a century earlier Saving the State is the remarkable story of Fine Gael from its origins in the fraught days of civil war to the political convulsions of 2020 Written by political journalist Stephen Collins and historian Ciara Meehan Saving the State draws on a wealth of original historical research and a range of interviews with key political figures to chart the evolution of the party through the lens of its successive leaders From the special place occupied by Michael Collins in the party's pantheon of heroes to the dark era of the Blueshirts and from its role as the founder of the state to its claim to be the defender of the state the ways that members perceive their own history is also explored Saving the State is essential reading for anyone interested in understanding how Fine Gael came to be the party it is today the ways in which it interprets and presents its own history and the role that it played in shaping modern Ireland

**The Modern Prince** Justin O'Brien, 2002 One man's quest for power in Ireland's modern political structure

**The Legacy of History** Martin Mansergh, 2003 A collection of thought provoking historical pieces by a leading player in North South relations And The peace process *Ibss: Political Science: 1992* British Library of Political and Economic Science, 1993 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

**De Valera, Fianna Fáil and the Irish Press** Mark O'Brien, 2001 The relationship between the Fianna Fáil party and the Irish Press both founded by Eamon de Valera in an era of political revolution has been much misunderstood Blamed for causing the bitter civil war and isolated in its aftermath by the political establishment de Valera took what seemed the only course of action and founded his own political party and newspaper In the aftermath of independence nation building began with both Fianna Fáil and Fine Gael competing to influence the process as much as possible The Irish Press gave voice to de Valera's vision for Ireland and Irishness and defended it from its detractors namely the Fine Gael party providing him with a means to counter hostility in the media orchestrated particularly by the Irish Independent and the Irish Times The author gives a fascinating view of the war of words between the two papers their fight for rural readership and the role of Irish Press in bringing Fianna Fáil to power He explores the possibility of the Irish Press being de Valera rather than party dominated and analyses the gradual disintegration of the relationship between the party and the paper as the de Valera family found itself gradually alienated from the paper's readers a modernising Ireland and a changing Fianna Fáil party

Thank you completely much for downloading **The Haughey File The Unprecedented Career And Last Years Of The Boss**. Most likely you have knowledge that, people have look numerous times for their favorite books following this The Haughey File The Unprecedented Career And Last Years Of The Boss, but stop stirring in harmful downloads.
