The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God's Wealth vertical and God's Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life
