## **Foundations of Corporate**

**Heritage** John Balmer, 2017-03-16 Heritage is increasingly recognised as a significant corporate concern with corporate heritage brands and identities often forming an important part of a nation's patrimony *Foundations of Corporate Heritage* explains the principles, processes, strategic significance and challenges of corporate heritage formation and management. This scholarly but accessible anthology includes seminal articles on the territory and also includes five new contributions with questions for study and reflection with students on executive taught courses in mind. With contributions from the leading international experts in corporate heritage, this book examines the research foundations of the area and applications in practice. It will be important supplementary reading for students, practitioners and specialists in corporate marketing, brand management and marketing communications as well as tourism, hospitality and heritage studies.

*Crossroads of Heritage and Religion* TINE DAMSHOLT, MARIE RIEGELS MELCHIOR, CHRISTINA PETTERSON, TINE REEH, 2022-07-08 Looking at the crossroads between heritage and religion through the case study of Moravian Christiansfeld, designated as a UNESCO World Heritage site in July 2015, this anthology reaches back to the eighteenth century when the church settlement was founded, examines its legacy within Danish culture and modern society and brings this history into the present and the ongoing heritagization processes. Finally, it explores the consequences of the listing for the everyday life in Christiansfeld and discusses the possible and sustainable futures of a religious community in a World Heritage Site.

**Skyward Symbols: The Art and Etiquette of Parachute Insignia** Pasquale De Marco, 2025-07-11 In the realm of military insignia, parachute badges stand as emblems of courage, honor and unwavering commitment. They are visual testaments to the extraordinary men and women who have served in airborne forces around the world. This comprehensive guide to parachute insignia takes readers on a captivating journey through the history, art and significance of these symbols. From their humble origins to their transformation into elaborate works of art, we explore the evolution of parachute insignia, uncovering the stories and traditions they embody. Delving into the semiotics and symbolism of these designs, we decipher the hidden meanings and messages embedded within them. Soaring eagles, crossed swords, lightning bolts and parachutes: each element tells a unique tale of courage, honor and esprit de corps. Beyond their aesthetic appeal, parachute insignia hold deep personal and professional meaning for those who wear them. They represent a sense of belonging, a connection to a proud lineage of airborne warriors. They embody the challenges and triumphs of rigorous training, the bonds forged in the crucible of combat and the unwavering commitment to excellence that defines the airborne community. This book is a celebration of the art and tradition of parachute insignia. It is a tribute to the men and women who have served in airborne forces around the world, past and present. Through captivating narratives and stunning visuals, we pay homage to their unwavering spirit, their selfless service and the enduring legacy they have left behind. Parachute insignia are not merely badges of honor; they are symbols of excellence, courage and the unbreakable bond that unites paratroopers across nations and generations. They are a testament

to the human spirit's ability to soar above adversity to embrace challenges and to make the ultimate sacrifice for the sake of freedom and justice As readers delve into this book they will gain a deeper appreciation for the rich history and profound significance of parachute insignia They will be inspired by the stories of valor and sacrifice they represent and will come to understand the enduring legacy of these symbols of courage and honor If you like this book write a review *Confederate Symbols in the Contemporary South* J. The End of Labour History? Marcel van der Linden, 1993 The essays in this 1994 book aim to integrate labour history within the broader discipline of social history and to demonstrate the continuing vitality and validity of the sub discipline Each essay is in itself a response to criticisms of the ways in which labour historians have approached their subjects **A Geography of Heritage** Brian Graham, Greg Ashworth, John Tunbridge, 2016-04-29 The concept of heritage relates to the ways in which contemporary society uses the past as a social political or economic resource However heritage is open to

interpretation and its value may be perceived from differing perspectives often reflecting divisions in society Moreover the schism between the cultural and economic uses of heritage also gives rise to potential conflicts of interest Examining these issues in depth this book is the first sustained attempt to integrate the study of heritage into contemporary human geography It is structured around three themes the diversity of use and consumption of heritage as a multi sold cultural and economic resource the conflicts and tensions arising from this multiplicity of uses producers and consumers and the relationship between heritage and identity at a variety of scales Contested Heritage in Europe and Africa Marco Zoppi,2024-10-25

This book investigates Euro African cultural relations considering their connected histories through material and immaterial forms of representation commemoration and memorialization Recent waves of protest around the world have called for restitution of looted African art and toppled statues and vandalized monuments which are connected to white suprematism colonialism and imperialism These events have highlighted an urgent need to debate the management and preservation of Europe and Africa s shared heritage Drawing on a range of varied trans continental case studies this book considers the key question of whether such monuments should be removed as forms of unacceptable celebration of an evil past or preserved precisely because of what they recount about that past of oppression and domination The book encourages readers to consider how diverse and pervasive the notions of shared heritage and common past are encompassing discussions of statues exhibitions graffiti tapestries and commemorations Providing a timely analysis of the developing cultural relations between Africa and Europe this book will be an important resource for researchers across the fields of global history heritage studies memory studies and international relations Surrealism Art Movement in a Nutshell : The history, artists, cultural heritage, and significance Ugur Akinci,2025-02-17
