*The First Mythology* Alfred Sylvester Jr., 2019-09-17 For over 35 years I have searched books and the past trying to solve  
 Alchemy The magic of the Philosophers Stone Turn lead to gold A cure all medicine The fountain of youth Was it just wishful  
 thinking or is there a basis of fact I soon learned the subject had lasted as a rumor mythology or perhaps just as an idea  
 Something I believed had to be there something was overlooked Now it seems that the something had not been overlooked  
 instead was hidden from the masses for many reasons That something will astound you will surprise you yet you will know it  
 is truth Who would have thought that Genesis was really about the yearly cycle That the process of making the stone is really  
 about the understanding of the creation Also that the stone is about how nature can and does handle matter Now with art  
 man and nature I found more can be done with matter and so perfect it You will see that matter handled correctly is purified  
 over time and within shape That shape is a glass pyramid oven You may know of it as the firmament This is the magic and  
 produces a substance that convinced man of God You will see that this power of generation is the God of early man and  
 finding the purified matter led to several things First the process of Genesis though I am not sure what it originally was  
 called That process led to astrology and the naming and defined understanding of those constellations passing overhead  
 Finally it led to a religion which was that of Isis and Osiris When understood you will see that those are the religions of today  
 and little has changed You will then know why all of this was hidden from you Lastly you will know the All and want to make  
 this substance You will understand that you're a part of and maintained by this system That we need to maintain it before we  
 cause it to destroy us This is then Alchemy understood the enchanting power of transformation      *Tarot and the Path of  
 Initiation* Henry Ho, 2013-11-18 This book came into being from the authors exasperation at the ignorance of many users of

the Thoth tarot deck They prefer to go by their intuition rather than study Crowley's companion book to the deck The Book of Thoth Its too dense they cry Im not interested in these philosophies I just want to read Tarot The above sentence is the greatest insult to Aleister Crowley the creator of the Thoth deck For the decks purpose was to convey the higher mysteries to the diviner Crowley intended for the deck never to be sold separately from the Book of Thoth And so heart full of elitist snobbery and sense of obligation to Crowley the author of this book set out to spoon feed this dense material to the masses without watering down its contents In the spirit of Crowley who sought to enlighten the world the author has added his own contribution to Crowley's legacy out of duty It was due to Crowley's belief in freedom of information during an era of politics and secrecy that the author was able to get his own hands on the gem of all spiritual writing the Book of Thoth
