**Crime, Justice and Retribution in the American West, 1850-1900** Jeremy

Agnew, 2017-03-31 Western movies are full of images of swaggering outlaws brought to justice by valiant lawmen shooting them down in daring gunfights before riding off into the sunset. In reality, it would not have happened that way. Real lawmen did not simply walk away from a gunfight; they had to face the legal system and justify shooting a civilian in the line of duty. Providing a more realistic view of criminal justice in the Old West, this history focuses on how criminals came into conflict with the law and how the law responded. The process is described in detail, from the common crimes of the day, such as train robbery and cattle theft, to the methods of apprehending criminals, to their adjudication and punishment by incarceration, flogging, or hanging.

**Once Upon a Time in the Past: Book III** Earnest Sims Sr., 2010-08-11 Book Three of Once Upon a Time in the Past, subtitled *The Last of the Logan Boys*, marks the end of the infamous Logan boys Outlaw Trail when all the brothers but one are dead: two by a posse's bullets, one at the end of a rope, and the other to escape to freedom. If freedom is tired, lonely, hungry, with a big lawman named Jake Shaw hounding his trail beyond his jurisdiction, Jake Shaw was an old army veteran of the Civil War turned lawman shortly after the war ended. He was just twenty-two years old when Robert E. Lee surrendered to Ulysses S. Grant in April of 1865, just twenty-one years ago. He had hung up his uniform for a deputy's badge and later became sheriff of Clayton County. He has been wearing a Silver Star ever since. Jake Shaw had not lost brothers, uncles, or cousins in the war as other soldiers he had known, and therefore he held no grudge toward his fellow man of the Gray. Before the war, it had been just him and his maw. He knew nothing of his paw, only that he had been a riverboat operator on

the Mississippi His maw had traveled with his paw on every route carrying him Shaw in her womb until the day he was born on the river She had been there when he left to join the war standing in the yard waving goodbye And she was there when he came home four years later He had stood over her with his head bowed his Union hat in hand to say goodbye to her again A headstone said Sally Shaw had died in 1863 But her son hadn't learned of her death until he came home from the War of the Lost

*Reinterpreting Criminal Complicity and Inchoate Participation Offences* Dennis J. Baker, 2016-05-26 In *Reinterpreting Criminal Complicity and Inchoate Participation Offences* Dennis J Baker argues that the mental element in complicity is one of intention that recklessness alone is not sufficient This is demonstrated by showing that the ancient and modern authorities on complicity required intention The book argues the causal participation element in complicity means that the conduct element can only be established when there is intentional encouragement on the part of the accessory As the Accessories and Abettors Act 1861 like most of the statutory provisions found in the United States deems that both perpetrator and accessory are perpetrators for the purpose of punishment and crime labelling limiting the mental element in complicity to intentional participation is the author argues the only way to reconcile these provisions with the requirements of proportionate punishment and fair labelling As some forms of reckless encouragement and assistance will not be criminalised if the mental element in complicity is intention only the author suggests that the solution is to amend section 45 of the Serious Crime Act 2007 to criminalise reckless participation In addition the author argues that standard complicity and joint enterprise complicity have the same mental and conduct elements and thus joint enterprise complicity is not a distinct form of complicity
