Fennell, 2014-05-23 Cataloguing for School Libraries A Guide to Simplified Form presents the rules based on the Anglo American Cataloguing Rules for the cataloging of library materials The book covers standard procedures and some proposed modifications in the cataloging of both print and non print library materials Subtle variations to standard procedures are made to ease the burden of catalogers and simplify the use of card catalogs Details on cataloging from the preparation of the author entry description of the work adding of notes tracing of catalog cards and filing are thoroughly discussed Practicing librarians and students of library science will find this text very useful *Encyclopedia of the Harlem Renaissance: K-Y* Cary D. Wintz, Paul Finkelman, 2004 An interdisciplinary look at the Harlem Renaissance it includes essays on the principal participants those who defined the political intellectual and cultural milieu in which the Renaissance existed on important events and places *Racing the Great White Way* Katie N. Johnson, 2023-07-19 The early drama of Eugene O'Neill with its emphasis on racial themes and conflicts opened up extraordinary opportunities for Black performers to challenge racist structures in modern theater and cinema By adapting O'Neill's dramatic writing changing scripts to omit offensive epithets inserting African American music and dance or including citations of Black internationalism theater artists of color have used O'Neill's texts to raze barriers in American and transatlantic theater Challenging the widely accepted idea that Broadway was the white hot creative engine of U.S. theater during the early 20th century author Katie N. Johnson reveals a far more complex system of exchanges between the Broadway establishment and a vibrant Black theater scene in New York and beyond to chart a new history of American and transnational theater In spite of their dichotomous and at times problematic representation of Blackness O'Neill's plays such as *The Emperor Jones* and *All God's Chillun Got Wings* make ideal case studies because of the way these works stimulated traffic between Broadway and Harlem and between white and Black America These investigations of O'Neill and Broadway productions are enriched by the vibrant transnational exchange found in early to mid 20th century artistic production Anchored in archival research *Racing the Great White Way* recovers not only vital lost performance histories but also the layered contexts for performing bodies across the Black Atlantic and the Circum Atlantic *Modern American Drama: Playwriting in the 1940s* Felicia Hardison Londré, 2019-11-14 The Decades of Modern American Drama series provides a comprehensive survey and study of the theatre produced in each decade from the 1930s to 2009 in eight volumes Each volume equips readers with a detailed understanding of the context from which work emerged an introduction considers life in the decade with a focus on domestic life and conditions social changes culture media technology industry and political

Concise Dictionary of American Literature Robert Richards, 1955-01-01 This dictionary was designed not simply for the scholar but for the general reader who needs more enlightenment about a specific American author or movement than a mere catalogue of facts can give him The scholar has read whole books about Walt Whitman and uses the dictionary merely to refresh his memory concerning a title or a date The general reader wants a concise account of how Whitman lived what he was like as a person what prompted him to write poetry why this poetry is now considered to be important and a history of Whitman appraisals On the other hand the average reader would prefer not be confused by meaningless facts obscure data or scholastic debate The scholar or the student the editor or the teacher will find in this dictionary almost any fact concerning American literature that he will ever need The general reader will find in addition to facts valuable apprehensions concerning our American literary heritage

Down the Nights and Down the Days Edward L. Shaughnessy, 2000-06-20 This latest book from veteran O'Neillian Edward L.
