pantomime notably among them John Ruskin Charles Dickens Lewis Carroll and W E Gladstone In this vivid and evocative account of the Victorian pantomime Jeffrey Richards examines the potent combination of slapstick spectacle and subversion that ensured the enduring popularity of the form The secret of its success he argues was its continual evolution It acted as an accurate cultural barometer of its times directly reflecting current attitudes beliefs and preoccupations and it kept up a flow of instantly recognisable topical allusions to political rows fashion fads technological triumphs wars and revolutions and society scandals Richards assesses throughout the contribution of writers producers designers and stars to the success of the pantomime in its golden age This book is a treat as rich and appetizing as turkey mince pies and plum pudding

The Harlequinade Dion Calthrop, Granville Barker, 2014-09-26 The Harlequinade An Excursion by Dion Clayton Calthrop and Granville Barker Not to put too fine a point to it this isn't a play at all and it isn't a novel or a treatise or an essay or anything like that it is an excursion and you who trouble to read it are the trippers Now in any excursion you get into all sorts of odd company and fall into talk with persons out of your ordinary rule and you borrow a match and get lent a magazine and as likely as not you may hear the whole tragedy and comedy of a ham and beef carver's life So you will get a view of the world as oddly coloured as Harlequin's clothes with puffs of sentiment dear to the soul of Columbine and Clownish fun with Pantaloonish wisdom and chuckles When you were young you used I think to enjoy a butterfly's kiss and that you remember was when your mother brushed your cheek with her eye lashes And also when you were young you held a buttercup under other children's chins to see if they liked butter and they always did and the golden glow showed and the world was glad And you held a shell to your ear to hear the sound of the sea and when it rained you pressed your nose against the window pane until it looked flat and white to passers by It is rather in that spirit that Alice and her Uncle present this excursion to you I suppose it has taken over a thousand people to write this excursion and we are so far the last And not by any means do we pretend because of that to be the best of them rather because of that perhaps we cannot be the best We should have done much better if we could Oh this has been written by Greeks and Romans and Mediaeval Italians and Frenchmen and Englishmen and it has been played thousands and thousands of times under every sort of weather and conditions Think of it when the gardeners of Egypt sent their boxes of roses to Italy to make chaplets for the Romans to wear at feasts this play was being performed when the solemn Doges which Alice once would call Dogs of Venice held festa days this play was shown to the people

The Politics of the Pantomime Jill Sullivan, 2011-04 Focuses on the variety and independence of pantomime in the provinces especially Nottingham Birmingham and Manchester Explores official and local censorship and the relationships between local theaters managers authors and audiences
