The hidden Leonardo

Leonardo da Vinci, 'The Virgin of the Rocks', about 1491/2-9 and 1506-8

Uncover the hidden painting behind one of the most celebrated masterpieces at the Gallery, Leonardo's 'The Virgin of the Rocks'.

When curators and conservators examined Leonardo's *The Virgin of the Rocks*, they hoped to find an underdrawing. What they did not expect to find was a completely different design, hidden under the paint.

Conservators at the Gallery used a technique called *infrared reflectography* to look through the layers of paint and reveal details of the preliminary drawings underneath.
