Social Contract From Hobbes To Rawls:

The Social Contract from Hobbes to Rawls David Boucher, Paul Kelly, 2003-09-02 First published in 2004 Routledge is an imprint of Taylor Francis an informa company Contract, Culture, and Citizenship Mark E. Button, 2010 Explores the concept of the social contract and how it shapes citizenship Argues that the modern social contract is an account of the ethical and cultural conditions upon which modern citizenship depends Provided by publisher **Private Property, Freedom, and Order** Mehmet Kanatli, 2021-11-29 This book looks at how the ideas of freedom property and order are expressed in modern social contract theories SCTs Drawing on the theories of Hobbes Locke Rousseau and Rawls it studies how notions of freedom promulgated by these SCTs invariably legitimise and defend the private ownership of the means of production It argues that capitalism's impact on individual dependence and economic inequality still stems from this model ultimately working in favour of proprietors The author highlights the problematic nature of SCTs which work as ideological mechanisms put forward under the guise of formal equality and formal freedom by focusing on the historical and social context behind them From a methodological point of view the author presents a de ideologization of the contractarian issue and provides insight into the political layers within the discourse of individualism human nature and morality shaping the outer corners of contractarian theory An important intervention in the study of SCTs this volume will be of great interest to scholars and researchers of political and social theory sociology political history and political philosophy Renegotiating the Social Contract Hobbes to Rawls Deborah A. Kissinger, 2003 **Hobbesian Moral and Political Theory** Gregory S. Kavka, 2021-01-12 In recent years serious attempts have been made to systematize and develop the moral and political themes of great philosophers of the past Kant Locke Marx and the classical utilitarians all have their current defenders and are taken seriously as expositors of sound moral and political views It is the aim of this book to introduce Hobbes into this select group by presenting a plausible moral and political theory inspired by Leviathan Using the techniques of analytic philosophy and elementary game theory the author develops a Hobbesian argument that justifies the liberal State and reconciles the rights and interests of rational individuals with their obligations Hobbes's case against anarchy based on his notorious claim that life outside the political State would be a war of all against all is analyzed in detail while his endorsement of the absolutist State is traced to certain false hypotheses about political sociology With these eliminated Hobbes's principles support a liberal redistributive or satisfactory State and a limited right of revolution Turning to normative issues the book explains Hobbes's account of morality based on enlightened self interest and shows how the Hobbesian version of social contract theory justifies the political obligations of citizens of satisfactory States The Opinion of Mankind Paul Sagar, 2019-06-04 How David Hume and Adam Smith forged a new way of thinking about the modern state What is the modern state Conspicuously undertheorized in recent political theory this question persistently animated the best minds of the Enlightenment Recovering David Hume and Adam Smith's long underappreciated contributions to the history of

political thought *The Opinion of Mankind* considers how following Thomas Hobbes's epochal intervention in the mid-seventeenth century subsequent thinkers grappled with explaining how the state came into being what it fundamentally might be and how it could claim rightful authority over those subject to its power Hobbes has cast a long shadow over Western political thought particularly regarding the theory of the state This book shows how Hume and Smith the two leading lights of the Scottish Enlightenment forged an alternative way of thinking about the organization of modern politics They did this in part by going back to the foundations rejecting Hobbes's vision of human nature and his arguments about our capacity to form stable societies over time In turn this was harnessed to a deep reconceptualization of how to think philosophically about politics in a secular world The result was an emphasis on the opinion of mankind the necessary psychological basis of all political organization Demonstrating how Hume and Smith broke away from Hobbesian state theory *The Opinion of Mankind* also suggests ways in which these thinkers might shape how we think about politics today and in turn how we might construct better political theory

The Political Thought of David Hume Aaron Alexander Zubia, 2024-02-15 Aaron Alexander Zubia argues that the Epicurean roots of David Hume's philosophy gave rise to liberalism's unrelenting grip on the modern political imagination Eighteenth-century Scottish philosopher David Hume has had an outsized impact on the political thinkers who came after him from the nineteenth-century British Utilitarians to modern American social contract theorists In this thorough and thoughtful new work Aaron Alexander Zubia examines the forces that shaped Hume's thinking within the broad context of intellectual history with particular focus on the ancient Greek philosopher Epicurus and the skeptical tradition Zubia argues that through Hume's influence Epicureanism which elevates utility over moral truth became the foundation of liberal political philosophy which continues to dominate and limit political discourse today

Hobbes and Political Contractarianism David Gauthier, 2022-02-18 This volume presents a selection of David Gauthier's writings on Thomas Hobbes 1588-1679 and the theory of political contractarianism The eight essays on Hobbes written over four decades represent the author's changing understanding of the moral and political theories since the publication of *The Logic of Leviathan* OUP 1969 These include essays on Hobbes on law challenging influential readings of his legal philosophy and a previously unpublished piece *The True and Only Moral Philosophy* providing a close reading of chapters 13-15 of *Leviathan* The four essays on social contract theory include an extended version of *Political Contractarianism* 1997 Gauthier's well-known *Public Reason* 1994 and a paper previously available only in French and Spanish translations

A Pluralist Theory of Constitutional Justice Michel Rosenfeld, 2022 This book provides a systematic account of the role of distributive justice in the normative legitimation of liberal constitutions The requirements of distributive justice are highly contested and constitutions are susceptible to influencing those they govern Rosenfeld suggests that liberal constitutions must incorporate justice essentials

Contemporary Political Philosophy: An Anthology Robert E. Goodin, Philip Pettit, 2019-04-08 The revised and updated edition of Goodin and Pettit's highly

acclaimed contemporary political philosophy anthology bringing together the field's most important readings in a single volume Unparalleled in the breadth and scope of its coverage this newly revised third edition traces the evolution of political philosophy as a contemporary practice and raises important questions about the impact of current political events Fully updated to include 49 contemporary and classic selections from the most distinguished scholars in political philosophy Offers expanded coverage of international affairs and political oppression Includes essays which represent a diversity of political and ideological positions and features interdisciplinary voices in politics law and economics Edited by two of the field's most highly respected scholars The ideal collection of primary readings to accompany the Companion to Contemporary Political Philosophy Second Edition Wiley Blackwell 2012 for coursework in political philosophy **Data Protection and Privacy,**

Volume 16 Hideyuki Matsumi,Dara Hallinan,Diana Dimitrova,Eleni Kosta,Paul De Hert,2024-05-02 This book explores the complexity and depths of our digital world by providing a selection of analyses and discussions from the 16th annual international conference on Computers Privacy and Data Protection CPDP Ideas that Drive Our Digital World The first half of the book focuses on issues related to the GDPR and data These chapters provide a critical analysis of the 5 year history of the complex GDPR enforcement system covering codes of conduct as a potential co regulation instrument for the market an interdisciplinary approach to privacy assessment on synthetic data the ethical implications of secondary use of publicly available personal data and automating technologies and GDPR compliance The second half of the book shifts focus to novel issues and ideas that drive our digital world The chapters offer analyses on social and environmental sustainability of smart cities reconstructing states as information platforms stakeholder identification using the example of video based Active and Assisted Living AAL and a human centred approach to dark patterns This interdisciplinary book takes readers on an intellectual journey into a wide range of issues and cutting edge ideas to tackle our ever evolving digital landscape

Rawls's A Theory of Justice at 50 Paul Weithman,2023-08-10 In 1971 John Rawls's A Theory of Justice transformed twentieth century political philosophy and it ranks among the most influential works in the history of the subject This volume of new essays marks the 50th anniversary of its publication with a multi faceted exploration of Rawls's most important book A team of distinguished contributors reflects on Rawls's achievement in essays on his relationship to modern political philosophy and 20th century economic theory on his Kantianism on his transition to political liberalism on his account of public reason and contemporary challenges to it on his theory's implications for problems of racial justice on democracy and its fragility and on Rawls's enduring legacy The volume will be valuable for students and scholars working in moral and political philosophy political theory legal theory and religious ethics *Beyond Church and State* Matthew Scherer,2013-03-29 Beyond Church and State argues that secularism is a process that transforms the interrelated fields of religion and politics The Knowledgebook ,2007 A comprehensive visual reference enhanced by two thousand photographs and illustrations provides information on all major fields of knowledge and includes timelines sidebars cross references and

other useful features *Evolution, Morality and the Fabric of Society* R. Paul Thompson, 2022-05-19 Recent interest in the evolution of the social contract is extended by providing a thoroughly naturalistic evolutionary account of the biological underpinnings of a social contract theory of morality This social contract theory of morality contractevolutionism provides an evolutionary justification of the primacy of a moral principle of maximisation of the opportunities for evolutionary reproductive success ERS where maximising opportunities does not entail an obligation on individuals to choose to maximise their ERS From that primary principle the moral principles of inclusion individual sovereignty liberty and equality can be derived The implications of these principles within contractevolutionism are explored through an examination of patriarchy individual sovereignty and copulatory choices and overpopulation and extinction Contractevolutionism is grounded in evolutionary dynamics that resulted in humans and human societies The most important behavioural consequences of evolution to contractevolutionism are reciprocity cooperation empathy and the most important cognitive consequences are reason and behavioural modification Legitimacy Gap Vincent Depaigne, 2017-08-25 This book provides an account and explanation of a fundamental dilemma facing secular states the legitimacy gap left by the withdrawal of religion as a source of legitimacy Legitimacy represents a particular problem for the secular state The secular in all its manifestations is very much linked to the historical rise of the modern state It should not be seen as a category that separates culture and religion from politics but rather as one that links these different dimensions In the first part of the book Depaigne explains how modern constitutional law has moved away from a substantive legitimacy based in particular on natural law towards a procedural legitimacy based on popular sovereignty and human rights Depaigne examines three case studies of constitutional responses to legitimacy challenges which articulate the three main sources of procedural legitimacy people rights and culture in different ways the neutral model constitutions based on the displacement of culture the multicultural model constitutions based on diversity and pluralism and the asymmetric model constitutions based on tradition Even if secularization can be considered European in its origin it is best seen today as a global phenomenon which needs to be approached by taking into account the particular cultural dimension in which it is rooted Depaigne's detailed study shows how secularization has moved either towards nationalization linked to a particular national identity as in France and to some extent in India or towards de secularization whereby secularism is displaced by particular cultural norms as in Malaysia **The Ethics and Mores of Race** Naomi Zack, 2015-04-02 Preeminent philosopher Naomi Zack brings us an indispensable work in the ethics of race through an inquiry into the history of moral philosophy Beginning with Plato and a philosophical tradition that has largely ignored race *The Ethics and Mores of Race* Equality after the History of Philosophy enters into a web of ideas ethics and morals that untangle our evolving ideas of racial equality straight into the twenty first century The dichotomy between ethics and mores has long aided the separation of what is right with ideas of equality Zack tackles the co existence of slavery with the classic moral systems and continues to show how our society has evolved and our mores with it An ethics of race may not exist yet

but this book gives us twelve discerning requirements to establish it In the preface to the paperback edition Zack addresses the criticisms raised in response to this book and concludes that a focus on rights and justice rather than privilege is the only fruitful pathway towards a functioning ethics of race

Democracy and Ontology Irena Rosenthal, 2018-01-25 This book investigates the relationship between liberal democracies and ontology that is philosophical claims about the constitution of agents and the social world Many philosophers argue that ontology needs to be avoided in political and legal philosophy In fact political liberalism a highly influential paradigm founded by the philosopher John Rawls makes the avoidance of ontology a core ambition of its political non metaphysical programme In contrast to political liberalism this book argues that attending to ontological disputes is essential to political and legal philosophy Illuminating criticising and developing ontological arguments does not only enhance our understanding of justice but also highlights key features of democratic citizenship The argument is built up by bringing together three traditions of thought that have so far not been confronted with one another political liberalism the work of Michel Foucault and the psychoanalytic theories of Sigmund Freud and Donald Winnicott The book also investigates more concrete implications of ontological disputes by drawing on several case studies a Dutch political legal debate about greeting rituals an American conflict about the legalisation of religious freedom and the struggles for resilience of two American social movement groups

Foundations of Professional Morality Kenneth H. Wenker, 1984

Building Equitable Access to Knowledge Through Open Access Repositories Koutras, Nikos, 2019-10-25 In today's modern age where information is constantly being shared intellectual property and protection remains a crucial aspect in economic development Open access has emerged as a cutting edge tool that allows writers and authors to share their work freely while still holding protection and security over it With technology playing a crucial role in economic growth open access practices could be a key contributor in the innovation and development of information and public policy What researchers need is a comprehensive approach to the concept of open access practice its foundations and current status Building Equitable Access to Knowledge Through Open Access Repositories provides emerging research exploring the theoretical and practical aspects of open access publishing practices in the digital age and applications within scientific and academic research Featuring coverage on a broad range of topics such as copyright protection social justice and European Copyright Framework this book is ideally designed for researchers scientists policymakers librarians IT specialists authors publishers academicians and students seeking current research on the advancement of intellectual property rights in today's technologically driven world

While this might not be the Social Contract From Hobbes To Rawls full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Social Contract From Hobbes To Rawls eBooks, including some popular titles.

FAQs About Social Contract From Hobbes To Rawls Books

What is a Social Contract From Hobbes To Rawls PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Social Contract From Hobbes To Rawls PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Social Contract From Hobbes To Rawls PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Social Contract From Hobbes To Rawls PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Social Contract From Hobbes To Rawls PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
